VISION/MISSION & OBJECTIVES

VISION

To emerge as a National player in the Primary Energy Sector, committed to provide energy security to the Country, by attaining environmentally and Socially Sustainable Growth, through best practices from Mine to Market.

MISSION

The Mission of Central Coalfields Limited (CCL) is to produce and market the planned quantity of Coal and Coal products efficiently and economically in Eco-Friendly manner, with due regard to Safety, Conservation and Quality.

OBJECTIVES

The major objectives of Central Coalfields Limited (CCL) are -

1. To optimize generation of internal resources by improving productivity of resources, prevent wastage and to mobilize adequate external resources to meet investment need.
2. To maintain high standards of Safety and strive for an accident-free mining of Coal.
3. To lay emphasis on afforestation, protection of Environment and control of Pollution.
4. To undertake detailed exploration and plan for new Projects to meet the future Coal demand.
5. To modernize existing Mines.
6. To Develop technical know-how and organizational capability of Coal mining as well as Coal beneficiation and undertake, wherever necessary, applied research and development work related to Scientific exploration for greater extraction of Coal.
7. To improve the quality of life of employees and to discharge the corporate obligations to Society at large and the community around the Coalfields in particular.
8. To provide adequate number of skilled manpower to run the operations and impart technical and managerial training for up gradation of skill.
9. To improve consumer satisfaction.
10. To enhance the CSR activities specifically in the field of Health, Sanitation and Drinking Water in the Surrounding villages.

CMD's MESSAGE

Dear Shareholders,

On behalf of the Board of Directors of Central Coalfields Limited (CCL), with immense pleasure, I welcome you to the 66th Annual General Meeting of the Company. The Annual Report of our company for the Financial Year 2021-22, comprising Audited Financial Statements, Statutory Auditor's Report along with Management's reply, Comments of Comptroller and Auditor General of India and Director's Report is already with you.

Company Profile

Your company Central Coalfields Limited (CCL), presently operates:

- 52 Operative Mines: 11 Underground & 41 Opencast Mines;
- 5 Washeries: 4 Coking Coal Washeries (Kathara, Rajrappa, Kedla & Sawang), 1 Non- Coking Coal Washeries (Piparwar);
- 1 Central Workshop (ISO 9001) at Barkakana, 5 Regional Repair/Workshops (3 W/s are ISO 9001) at Jarandih, Tapin North, Dakra, Giridih & Bhurkunda;
- 6 Coalfields (East Bokaro, West Bokaro, North Karanpura, South Karanpura, Ramgarh & Giridih).

2021-22 was yet another challenging year for all of us. In the beginning, we witnessed the devastating COVID-19 second wave bring into focus, the significant humanitarian, and economic challenges of the country. Then, the country witnessed unprecedented volatility in the business environment & international geopolitical scenario with an ever-increasing quest of energy and eventually the demand of coal kept peaking with minor down surges during Covid peaks.

Amidst this tumultuous phase, society continued to look up to businesses to help build a sustainable, equitable and fair future. Notwithstanding such exigencies, our organization has time and again demonstrated resilience & agility in responding with precise interventions, to rise and chart new paths of excellence for meeting the expectations of society.

Performance

The company demonstrated robust operational and financial performance with achievements standing testimony to the soundness of its operations & processes.

During FY 2021-22, CCL registered a total coal production of 68.846 Million Tonnes, a 9.996% increase over that of the previous year. Similarly, the company has been able to achieve 71.81 Million Tonnes in Raw Coal Offtake, a significant increase of 9.80% over the previous year. Overburden Removal for the year stands at 100.066 Million Cu.M. In-line with need, 59.167 MT i.e. around 82.13% of total coal dispatch, was made towards the Power Sector in FY 2021-22.

Focussing on efficiency & productivity improvements has enabled us to achieve a significant increase in productivity metric (OMS-Te) over the previous year and now stands at 9.37 for FY 2021-22.

CCL recorded a Profit before Tax (PBT) of Rs. 2094.73 Crores and Profit after Tax (PAT) of Rs.1696.92 Crores for the year 2021-22. The Company's Net worth as on 31st March 2022 stood at Rs.8,411.98 Cr, a significant growth of 11.44 % as compared over Rs.7,548.53 Cr of the previous year. Total dividend for FY 2021-22 stands at Rs.827.20Cr.

Going forward, we have planned a significant scaling-up of coal production, up from 68.846 MT in 2021-22 to 76 MT in 2022-23 and 135 MT in FY 2024-25 under the ambitious 1 BT plan of CIL.

New & Expansion Projects/ Technology Adoption

In-line with needs & advancements in the mining sector, we are undertaking all necessary steps to push performance benchmarks across a range of parameters and deliver growth from existing and new operations. As envisaged, CCL is on the right path for delivering a number of greenfield and expansion projects, both opencast and underground, with state-of-the-art technologies. There are 24 ongoing projects of total capacity-198.77 MTY, 22 completed projects of total capacity-29.89 MT, 3 existing projects and 1 Non-Mining Ongoing Project-the Tori-Shivpur railway (Triple line). 04 mining projects have been approved during FY 2021-22. Work-order for 03 new CHPs has been issued under the First Mile Connectivity-1 (FMC-I) with a total capacity of 25 MTY. Further, planning for 03 additional CHPs under FMC-II is underway.

Constantly striving to stay atop the technological curve through a prudent mix of adoption & adaptation of new technologies, work on the following projects are already underway:

- Implementation of SAP for business process integration
- Solar Projects: Capacity addition of 375 KWp during the year
- Rail & Road Weighbridges: 11 new Road WeighBridges (100 MT capacity) and installation of 4 new 120 MT In-motion Rail Weighbridges during the year
- GPS based Vehicle Tracking System
- CCTV Surveillance across CCL Command Areas.
- Networking Infrastructure for Hospital Management System
- LAN for all Area of CCL
- Broadband to high speed FTTH upgradation
- Centralized Internet Leased Line Provision

Corporate Social Responsibility

Our CSR is not limited to philanthropy, it's a strategic tool for sustainable growth of organization and encompasses holistic community development, institution-building and sustainability-related initiatives around the regions we operate in. We've ensured that our CSR initiatives & interventions in thrust sectors like Health, Education, Sports, Livelihood, Drinking Water, Social Empowerment, Rural Development etc are in alignment with the United Nations Sustainable Development Goals (UN SDGs).

CCL has spent Rs. 34.95 Crores on various approved CSR activities, within which a setoff from previous year of Rs. 10.14 Cr was also included. Thus, expenditure on activities implemented during the year is Rs. 24.81 Cr. As per DPE, the annual theme for FY 2021-22 was "Health and Nutrition, with a special focus on COVID related measures including setting up makeshift hospitals and temporary COVID Care Facilities". An expenditure of Rs. 15.24 Crs. (i.e. 61% approx) on the thematic programme has been made, thus exceeding the criteria of spending around 60% on annual theme as decided by DPE for the year. In-order to combat the second wave of COVID-19, an expenditure of Rs. 6.36 Cr was made across various districts of Jharkhand towards setting up of 5 PSA Oxygen plants, ICU equipments & enhancement of other medical infrastructure.

In-order to facilitate continuation of education of children who've lost their parents to Covid-19, a COVID Crisis Scholarship Scheme has been started. Amongst many such projects, "CCL Ke Lal & CCL ke Laadli" is a project under which more than 100 students have qualified for JEE Mains and JEE Advance since the first batch (2012-14). Caring for the Aspirational districts, 54 smart classes were set up in Govt. schools of Chatra District including training to teachers at a cost of Rs. 1.03 Crore.

Sports Academy run by JSSPS with joint investment from CCL CSR and Govt of Jharkhand has delivered stellar results with its cadets having received 376 Gold, 240 Silver & 231 Bronze medals at different International, National & State level events till date, with more to come in the future. Around 96% cadets selected for the above on basis of talent, are from the SC-ST & other Backward communities.

Under the scope of Skill development, the company has entered into an MoU with CIPET for providing 6 months residential training to 320 PAPS envisaging 90% placement within the plastic industry. Further, 5 centers have been established during the year to undertake various short-term skill development programs. The company has started HMV driving training to PAPS including driving licenses at state approved centers generating potential employability.

CCL has signed an MoU with District Administration(Ramgarh) & Akshay Patra Foundation for a major CSR initiative of setting up Centralized Kitchen at Ramgarh, to deliver Mid-day meals to 50,000 students in Government schools.

Under MoU with Jharkhand Zoo Authority, CCL adopted 1 Lion and 1 tiger for 3 years at the Bhagwan Birsa Biological Park, Ranchi.

With a vision to reach out and empower communities from CCL Command Area and other parts of the state, many more such effective projects are being undertaken

Safety

Ensuring organizational safety is something that is deeply ingrained within our culture and the company has been uncompromising in working to ensure that each and every employee stays safe every single day.

Striving for zero-incidence, a set of procedures and safety rules has been put in place. Accordingly, our safety parameters are trending in the right direction. In FY 2021-22, we have been able to improve upon the parameter of serious injury rate achieving a value of 0.02 per million CuM which is lower as compared to that of the previous year.

In-order to prioritize actions, better identify and manage critical hazards to remove and reduce potential for serious and fatal incidents several steps have been put in place such as:

- Safety Management Plan
- Conduct of regular Safety Board meeting
- Special Drive for activation of Safety Committee
- Central Safety Information System (CSIS) Portal
- Inter Area Safety Audit
- Principal Hazards Management Plans (PHMP)

In-line with the vision towards safety, the Internal Safety Organization (ISO) has initiated necessary efforts during the FY for:

- Man-Riding System– For Churi U/G Mines.
- Multi-Dimensional HEMM Simulator planned for the training of HEMM operators.
- Action plan for up-gradation of Rajrappa and Kathara GVTs.
- Dust Suppression with mobile Mist Spray Sprinklers. Fixed type water sprinklers for dust suppression at Sidings.

As a result of the proactiveness, CCL has created a milestone by receiving the 1st prize in Corporate Award on Safety in the year 2021-22(1st Nov 2021).

Way ahead, our focus will remain on further improvement in our safety parameters in-order to achieve exceptional safety performance and zero incidences.

Human Resource

We take pride on our team of extremely committed professionals who have been the key driving force behind the company's sustained performance over all these years of ascent. Given the trend of increasing competitiveness in today's scenario, we take a holistic view of human resource management and believe in sustaining the company as a learning organization ensuring employee commitment and expertise so as to drive organizational success.

The company pays due attention to employees' skill & knowledge development, welfare and social amenities needs. Additionally, the company conducts skill development programs for the Project Affected Persons and also for the general public to enhance their on-job skills and increase their employability. This mammoth responsibility has been distributed between Management Training Institute (MTI), CCL; Central Excavation Training Institute (CETI) at Barkakana; BTTI, Bhurkunda along-with Vocational Training Centers (VTCs) spread across the gamut of the state. Need based training is being provided to all working with CCL through reputed professional Institutes in India and Abroad. In-line with need and the vision to reach maximum candidates, we are also leveraging digital platforms.

BTTI, Bhurkunda has conducted various skill development programs for 316 employees during the year. Apart from many such training programs, a total of 1150 students were provided with free internship/vocational training programme during the year. In terms of engaging apprentices as stipulated by the Apprenticeship Act, 1961 i.e. 2.5% of total manpower, it has engaged 1245 apprentices i.e. 2.89% of that of the total manpower incl. contractual workmen.

With a view to bring upliftment within the society, HRD Deptt., CCL has started an initiative of Basic Training Provider (BTP) under National Apprenticeship Training Scheme (NAPS), Ministry of Skill Development and Entrepreneurship, GOI in order to provide ITI Courses and Practical Training to young students across 4 establishments within CCL with 68 students selected during the year. Further, in-line with need for a leaner workforce, the manpower strength of the company (excluding apprentices under the Apprentices Act, 1961) has been reduced from 36,717 as on 31st March, 2021 to 35,861 on 31st March, 2022.

In appreciation, HRD, CCL has been awarded with Establishment of the year 2021 on 4th Sept'2021 for commendable contribution to National Apprenticeship

Training Scheme (NATS) on Regional Apprenticeship Day-2021 by Board of Practical Training (Eastern Region) Ministry of Education, GoI.

Environmental Management

We understand the importance of our operations towards the nation's economy and the society. But being true to its commitment, CCL has always envisaged environment protection & management, focusing its efforts towards minimizing any impact on surrounding environmental ecosystem, trying to give back to nature more than we take.

Significant steps have been undertaken towards environmental norms compliance and future sustainable growth. For instance, your Company has a well-defined & documented Manual, policy, procedures and guidelines for sustainable development under its integrated Management system (IMS) complying with international standards of ISO 9001:2015, ISO 14001:2015, ISO 45001:2018. CCL has obtained Environment clearances for 4 mines. As a responsible corporate, following are some of the several steps undertaken towards environment monitoring and management:

1. All mines / washeries of CCL are being monitored on regular basis by CMPDI-an NABL accredited laboratory.
2. 14 Continuous Ambient Air Quality Monitoring System (CAAQMS) have been procured during the FY for real-time monitoring of ambient air around the areas of CCL.
3. Mines Reclamation status is being monitored by CMPDI through remote sensing on a regular basis. Accordingly, Land Restoration / Reclamation Monitoring Report for 20 mines of CCL has been submitted by CMPDI during FY 2021-22.
4. Mine water utilization of approx. 86 Lakh KL of mine water for community use to approx. 120 villages / Tolas in distt. of Ramgarh, Hazaribagh, Bokaro, Giridih & Palamu.
5. As a part of biological reclamation & afforestation, plantation/grassing was done in mission mode over an area of 133.64 Ha including broadcasting of 30.81 Ha of grass seedball covering areas in and around its projects.
6. Installation of Wind-breaking systems at Railway Sidings and development of green belt.

Corporate Governance

Transparency, accountability and good corporate governance forms the bedrock for success of any organization. In view of it, we are proactive in ensuring that CCL adheres to a set of principles and policies building a strong corporate governance framework to steer our day-to-day operations in-line with the Guidelines on Corporate Governance issued by the DPE for the CPSEs since May'2010.

The company has established a system for monitoring compliances to the various laws. The Code of Conduct of Board Members and Senior Management Personnel of the Company, functioning of Audit Committee as per the terms of reference and composition of Board of Directors as per laid down guidelines are ensured and complied. CCL Board has a Risk Management Committee for apprising and monitoring the risks of the Company. A separate section on Corporate Governance has been added to the Directors' Report. The practicing Company Secretary has also issued a Certificate regarding compliance of conditions of Corporate Governance during the year 2021-22. Furthermore, in compliance of Section 204 the Companies Act, 2013, Secretarial Audit was completed for the year 2021-22.

With robust all-round performance, your Company has retained its "Excellent" MoU rating.

Acknowledgement

First and foremost, I express my gratitude to our frontline workers, the medical fraternity, for their untiring efforts during the pandemic towards ensuring safety, well-being of our employees and communities.

These efforts as well as the mental resilience of our employees during such uncertain times exhibited a culture of commitment, courage and achievement allowing us to hold our heads high and continue to meet the nation's needs. It has been at the core of our culture defining what it means to work at CCL, regardless of role or location.

The economy is climbing out from the depths to which it plummeted during the last two years, and is marked by an increasing demand for energy. As we continue our journey ahead, I am confident that your Company shall continue to meet the challenges and expectations of the nation as well as its employees and the diverse business stakeholders at all levels as in the past.

I express my sincere thanks to shareholders, Ministry of Coal, Ministry of Environment Forests & Climate Control, other ministries and departments, state governments, employees, trade unions, trade-partners and consumers for their whole-hearted support and relentless co-operation.

Finally, I would like to thank all members and stake-holders of the extended CCL family, its Employees, Management team & CIL's support for the relentless efforts, dedicated hard work and determination during the year which has seen many ups and downs with threats from Corona Pandemic and was a tough time to get along protecting the business interests of the company and at the same time meeting the energy demand of the Nation.

Shri P. M. Prasad
Chairman-cum-Managing Director

DIRECTORS' REPORT

To
The Shareholders,
Central Coalfields Limited,

Members,

I, on behalf of the Board of Directors have great pleasure in presenting to you the 66th Annual Report of your Company along with the Audited Financial Statements for the year ended 31st March, 2022. The Audited Financial Statements, report of the Statutory Auditors and Management's reply thereon as well as comments of the Comptroller & Auditor General of India on the audited Accounts are annexed to this report.

1. PRODUCTION

The Production and Productivity figures achieved by your Company during the year 2021-22 as compared to the actuals of 2020-21 is as under:

Particulars	2021-22		2020-21	% Growth over last year
	Target	Actual	Actual	
PRODUCTION				
From OC (MT)	73.290	68.091	62.166	9.531
From UG (MT)	0.710	0.755	0.424	78.285
TOTAL (MT)	**74.000**	**68.846**	**62.589**	**9.996**

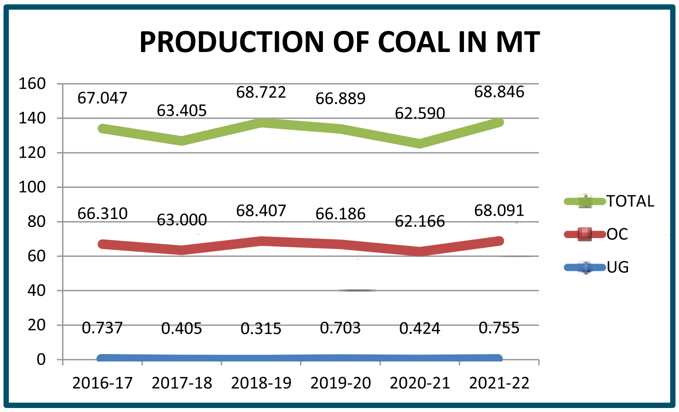
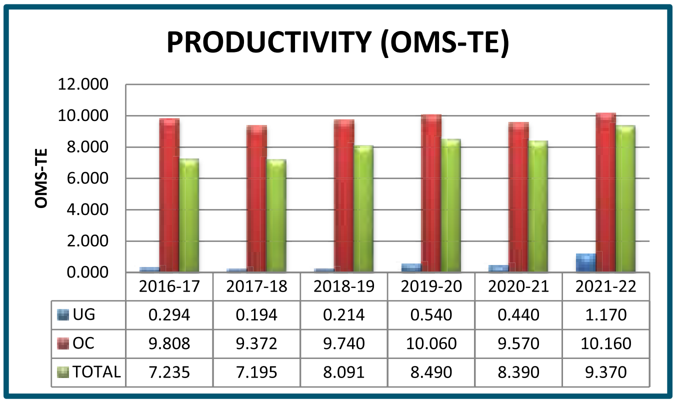
Washed Coal (Coking)				
Production (MT)	0.600	0.400	0.437	-8.513
Dispatch (MT)	0.600	0.528	0.358	47.574
Washed Coal (Non-Coking)				
Production (MT)	5.700	4.267	5.510	-22.556
Dispatch (MT)	5.700	4.213	5.515	-23.613
Productivity (OMS-Te)				
OC	12.54	10.16	9.57	
UG	0.64	1.17	0.44	
OVERALL	**10.65**	**9.37**	**8.39**	





2. WASHERY PERFORMANCE:

Your Company is in the business of washing of Coking Coal as well as Non-Coking Coal. There are four Coking Coal Washeries and one Washery for washing / beneficiation of Non-Coking Coal.

Achievement 2021-22:

1. Capacity utilization in respect of Kathara washery has increased to 18% in FY 2021-22 as against 13% in FY 2020-21.
2. Kathara washery has observed a positive growth of 33% & 13% in Feed and Washed coal respectively.
3. Capacity utilization in respect of Sawang washery has increased to 26% in FY 2021-22 as against 6% in FY 2020-21.
4. Yield % of washed coal in respect of Kedla washery has increased to 37% in FY 2021-22 as against 30% in FY 2020-21.
5. Overall Yield % of washed coal in respect of Coking Coal washeries has increased to 33% in FY 2021-22 as against 29% in FY 2020-21.
6. 5.25 Lakh tonnes of washed coal have been dispatched from Coking coal washeries in FY2021-22 as against 3.58 lakh tonnes in FY 2020-21.

Exemplary Work:

- Renovation/Comprehensive maintenance work of both the Jigs of Kedla washery has been done successfully.
- Renovation/Repairing work in different section of Kathara washery has been done successfully.
- Work has been awarded for Major Renovation work of Rajrappa Washery.
- Third party sampling work by M/s SGS for supply of Washed Medium coking coal to SAIL and RINL has been started successfully.

Achievements on setting up of New upcoming Washeries:

- Environmental Clearance and CTE for 3 MTY New Kathara and 4 MTY Basantpur Tapin coking coal washeries has been granted.
- Floating of tender and approval CR & IBD for setting up of 3 MTY New Rajrappa washery is under approval stage.
- In place of 5 MTY Karo washery, two new washeries namely Dhori Washery (3 MTY) in Dhori Area & New Sawang Washery (1.5 MTY) near the existing site of Sawang Washery have been planned. Work has been awarded to CMPDIL for preparation of PFR for the proposed Dhori & New Sawang washeries. Pre-project activities are in progress for the two upcoming washeries.

3. OFFTAKE

The total Offtake of Raw Coal during 2021-22 was 71.81 Million Tones. The mode-wise details of off-take compared to that of last year is as under:

(Figs. in Million Tonnes)

Mode	2021-22	2020-21	Growth over last year
Rail	48.92	48.12	1.66%
Road	17.38	10.23	69.89%
Feed to Washery	5.51	7.04	-21.73%
Colliery Consumption	0.00	0.00	-
Total Offtake	71.81	65.40	9.80%

During the year 2021-22, CCL has recorded 69.89% growth in coal offtake through Road mode.

The total dispatch during 2021-22 was 72.04 Million Tonnes. Sector-wise dispatch of coal and its different by-products during the year 2021-22 are given below:

(Fig in million tonnes)

Sector	Raw Coal	Clean Coal	Washed Coal Power	Non-Coking Washed Coal	Slurry	Rejects	Total

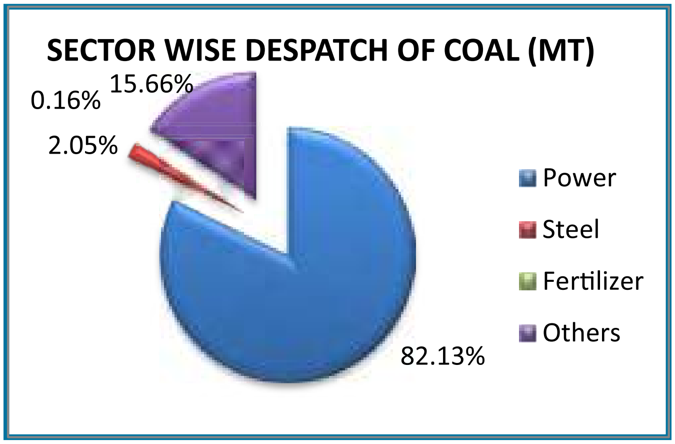
Others*	10.948	0.041	-0.015	0.063	0.138	0.103	11.278
Total	**66.3**	**0.528**	**0.755**	**4.213**	**0.138**	**0.103**	**72.037**

* Others include Spot e-auction, Exclusive e-Auction, erstwhile non-core consumers, Sponge Iron, CPP and State Agencies.



4. COAL STOCK

The stock of Raw Coal* as on 31st March 2022 stood at 7.521 Million Tones as against 10.491 Million Tonnes as on 31.03.2021.

(Raw Coal stock at all producing units, washeries and coke plant)*

5. TURNOVER AND SALES REALIZATION

During the year 2021-22, the Gross Sales Turnover of the Company was Rs.18,585.25 Crores and the Sales Realisation was Rs. 16,859.62 Crores (including advance received from customers). The sector wise position of Debtors (Gross) as on 31st Mar'2022 is given below:

(Figs. in Rs.Crore)

Sector	As on 31.03.2022	As on 31.03.2021
Power	2,116.31	3,265.39
Steel	813.25	907.89
Others	40.33	40.33
Total	2,969.89	4,213.61

6. POPULATION AND PERFORMANCE OF HEMM:

The population of HEMM's in mechanized opencast mines of CCL as on 31.03.2022 against that of 31.03.2021 is given below:

HEMM	Population as on	
	31.03.22	31.03.21
Shovel	72	82
Dumper	292	272
Dozer	180	174
Drill	104	106
TOTAL	**648**	**634**

HEMM	%Availability			%Utilization		
	Norms	Actual		Norms	Actual	
		21-22	20-21		21-22	20-21
Shovel	80	80.2	79.3	58	45.0	45.2
Dumper	67	78.0	76.0	50	41.4	40.0
Dozer	70	79.8	77.9	45	14.9	16.8
Drill	78	88.7	87.9	40	20.8	20.6

7. SYSTEM CAPACITY UTILISATION:

Total System Capacity for 2021-22 assessed as on 01.04.21 (MM3)	Achievement of Production by OC mines (2021-22)			% Capacity Utilization	
	Coal	OBR	Composite	2021-22	2020-21
	(MT)	(MM3)	(MM3)		
199.57	68.095	99.454	142.827	71.6	73.5

8. COAL MARKETING

8.1 Demand Satisfaction as per AAP

(Fig. in Million Tonnes)

Sector	Demand (AAP)	Dis-patch	% Satis-faction	Demand (AAP)	Dispatch	% Satisfac-tion	% Growth over last year
	2021-22	2021-22	2021-22	2020-21	2020-21	2020-21	
Steel (Incl. Steel CPP)	1.5	1.477	98%	1.328	1.237	93%	19%
Power	62	59.17	95%	58.66	52.897	90%	12%
Fertilizer	0.15	0.115	77%	0.15	0.13	87%	-12%
Others	16.35	11.28	69%	13.862	11	79%	3%
Total	80	72.04	90%	74	65.27	88.19%	10%

8.2 Wagon Loading

The coalfield wise wagon loading position for the year 2021-22 & 2020-21 is given below:

(Fig. in Rakes/Day)

Railway Fields	2021-22	2020-21	% Growth over last year
South Karanpura	4.77	3.98	20%
North Karanpura	27.36	27.39	0%
Sub Total Karanpura	32.13	31.38	2%
Jharia	8.10	6.76	20%
Total E.C.Railway	40.23	38.13	6%
Giridih	0.07	0.08	-18%
Total Eastern Railway	0.07	0.08	-18%
Ranchi	0.88	0.83	6%
Total S.E.Railway	0.88	0.83	6%
Total CCL	41.18	39.04	5%

8.3 e-Auction of Coal

The performance of Spot e-Auction's during the period 2021-22 is as under:

Period	Spot e-Auction Scheme	Offered Qty (Million Tones)	Booked Qty (Million Tones)	% gain over Reserve Price
2021-22	Rail	0.818	0.409	6%
	Road	15.56	9.999	98%
	Slurry	0.355	0.283	58.19%
	Rejects	0.182	0.151	322.10%
	Total	**16.915**	**10.842**	**93.27%**

9. CRUSHING OF COAL

As per directive of Ministry of Coal, only -100 mm crushed coal is to be dispatched to the consumers. For crushing of mined coal to the desired size, crushers/ feeder breakers/ CHPs are to be installed. As per requirement, different Areas have hired mobile crushers, as and when needed, to crush coal to -100 mm size.

The Work order for setting up and subsequently operation and maintenance for 5 years period thereafter, of Konar Coal Handling Plant (5 Mtpa) has been issued to M/s HAMTEK TECHNOLOGIES INDIA PRIVATE LIMITED vide no. GM(E&M) /CHP (KONAR) LOA/22/658 dated 17.03.2022 for a contract amount of Rs.250,15,52,800.00 only.

Also, the work of Construction of North Urimari Coal Handling Plant (7.5 Mtpa) is under progress and is expected to be completed by Feb'2023.

The work for setting up of different CHPs is under process. Setting up of CHPs will ensure transportation of Coal through Conveyor belt from Mines to Rail wagons. This system is environment friendly and will eliminate requirement of transportation of Coal through Trucks/ tippers etc.

10. PERFORMANCE OF WEIGHBRIDGES

i. Road Weighbridge:

In F.Y. 2021-22, 11 nos of New Road Weighbridges (Capacity: 100 MT) have been installed in CCL. As on date, a total of 152 nos of Road WBs are in operation in CCL.

ii. Rail Weighbridge:

One supply order has been placed in Jan'2020 for supply of 14 sets of RDSO compliant 140 MT capacity In-Motion Rail Weighbridges. All 14 sets have been delivered. In F.Y. 2021-22, 03 nos of Rail Weighbridges have already been installed at Shivpur siding and New Konar Siding. Installation work of 02 nos of 140 MT Rail WBs at Phulbasiya Sidings is underway.

In addition to above, four nos of New 120 MT In-motion Rail Weighbridges have been installed in FY 2021-22 at following locations–CP Siding Giridih, Sawang Washery, Rajdhar siding & KD (old).

As on date, a total of 28 nos of Rail WBs are in operation in CCL.

A Standard Operating Procedure in respect of operation & maintenance of Road & Rail Weighbridges has been implemented in CCL for improvement in the working of weighbridges and to reduce breakdown time and to streamline coal dispatch.

10.1 Solar Projects of CCL

Solar Energy Generation Details during FY 2021-22:

Sl	Description	
1.	Total installed capacity (in KWp) of Roof Top Solar Power Plant up to March'22	1247.5 KWp
2.	Total Installed Rooftop Capacity in KWp up to 31.03.2021	872.5 KWp
3.	Roof Top Solar Capacity added in FY: 2021-22 over and above FY: 2020-21	375 KWp
4.	Solar Energy generated from Roof top Solar Plants in Kwh during FY:2021-22	7,46,234 KWh

10.2 Reduction in Power Consumption

a. CCL receives power through DVC & JBVNL for its areas through different Supply Points. During 2021-22, Power consumption of CCL stood at 669.60 million KWH, while in 2020-21, power consumption by CCL was 702.01 million KWH, hence there has been a 4.62% reduction in energy consumption during the year 2021-22 in comparison to 2020-21.

b. In 2021-22, CCL got a load factor rebate of Rs.4.66 Crores & prompt payment rebate of Rs.1.62 Crores.

c. Power factor in almost all areas of CCL are maintained above 0.90. It is further being improved by installing more capacitor banks.

d. In FY 2021-22, order has been placed for 9731 nos of LED lights of different ratings. Order have been placed for 70 nos of Super fans. Order is placed for 136 nos of Energy Efficient ACs. Order is placed for 238 nos of Auto timers. Order is placed for 37 nos of efficient water heaters. Order is placed for 21 nos of Capacitor Banks. Order is placed for hiring of 16 nos of Electric Vehicles for CCL HQ.

e. In FY 2021-22, 190 nos. of Lighting Towers, each fitted with 8*300 W LED fittings, have been procured and are either installed or under installation in different Areas of CCL.

f. Total installed Capacity of Capacitor bank in CCL is 30,440 KVAR. Order has been placed for 11,900 KVAR capacitor banks and are under installation.

11. CONSUMER SATISFACTION

Keeping in view the prime objective of achieving coal consumer satisfaction, CCL has taken effective measures for supply of crushed & good quality coal to consumers. The measures taken are as below:

- CCL has a full-fledged Quality Management department with well trained officials & staff at area level & headquarter.
- There are 11 well equipped laboratories across CCL along with adequate infrastructure for sampling & analysis of coal despatches.
- In order to enhance consumer satisfaction and maintaining transparency, CSIR-CIMFR & Quality Council of India have been empaneled as agencies for third party sampling and analysis (TPSA) for coal despatches at loading ends.
- In addition to above TPSAs, two numbers of new agencies, namely M/s. Cotecna Inspection India P. Ltd and M/s. SGS India P. Ltd, have been empaneled by CIL. And these agencies have commenced their operations in 2021-22 across different areas of CCL.
- FY: 2021-22 was celebrated as 'Year of Quality' across all areas of CCL. Different programmes such as webinars on Coal Quality Management, workshops and trainings were organized for manpower engaged in quality management, production and despatch of coal.

- About 47.68 MMT of coal has been covered under third party sampling & analysis during the year.
- There is an effective grievance redressal system for consumer complaints. The grievances of consumers are inquired and corrective actions are taken effectively.
- A Standard Operating Procedure (SOP) is adopted for ensuring supply of (-) 100mm sized coal to the power sector consumers which is made available on the official website of CCL. For active participation of consumers, feedback registers, complaint registers are maintained at railway sidings in CCL.
- Consumers are also encouraged for witnessing the loading of coal.
- Quality is a key aspect of our business and manpower deployed in Coal Quality Monitoring, production, despatches etc. are sensitized so that coal of desired quality and size will be delivered to consumers.
- Standard Operating Procedure (SOP) for quality management of dispatched coal is under effective implementation. It is also made available on the official website of CCL.
- IT Initiatives: CIL has developed Coal Quality Monitoring portal which is under effective implementation across all areas of CCL. Quality Management database can be viewed online through UTTAM portal (Unlocking Transparency by Third Party Assessment of Mined Coal).

12. ACHIEVEMENT OF CCMC

1. Benchmarking of specific diesel consumption of 33 Opencast projects of CCL in collaboration with CMPDIL for FY 2021-22 was done & their recommendations were circulated for implementation to all concerned for Energy Conservation.
2. Regular and strict monitoring of diesel consumption in CCL projects was done. Consumption of HSD in departmental HEMMs in FY 2021-22 was 44138 KL whereas in FY 2020-21 it was 47374 KL. Thus, there was a reduction of 3236 KL of Diesel in absolute terms which is 6.83% of overall consumption in the year 2020-21.
3. SDC achieved during FY 2021-22 was 1.21 ltr/cum and thus, there is an improvement of 4.38% over CMPDIL Benchmark of 1.27 ltr/cum.
4. Total power consumption in CCL during FY 2021-22 was 669.60 MKVAH, whereas in FY 2020-21 it was 702.01 MKVAH which shows an improvement of 4.62 % in FY 2021-22.
5. Three nos TAN, TBN and Moisture Content Analyzer Instruments have been commissioned at three RR Shops namely, Tapin North, Kathara and Dakra of CCL for analysis of different types of used oil except for TBN at T/North which will be commissioned shortly.
6. A report on Annual Energy Audit for FY 2020-21 was compiled and published. Copies were circulated to all concerned for undertaking further improvement measures.
7. Top loading facility for Diesel Bowsers has been constructed by Oil Companies at few projects as per PESO guidelines and is underway at some projects and likely to be completed by June end this year.
8. Additionally, from the year 2020-21, electrical energy audit of five mines of CCL where energy consumption is abnormal, was undertaken in coordination with CMPDI in compliance to CIL audit observation which shall be continued for the current year also.
9. A Program/Seminar on Multi-Functional Diesel Additive on Energy conservation measures was organized in Ranchi to enhance knowledge and for creating awareness in which all concerned from Areas & HQ participated actively.

13. ELECTRONICS & TELECOMMUNICATION

In the age of Digital India, E&T applications have gained prime importance for any organizational body. Many revolutionizing projects have been undertaken by the E&T department of CCL which facilitates daily communication, enables data transfer, brings our widely distributed areas closer and makes coal dispatch and transportation transparent. Some of the major tasks undertaken are as under:

13.1 Wide Area Network of CCL

CCL is presently operating with 13 Areas along with its centralized units and HQ in Ranchi.

i. ***TCIL WAN:*** The WAN/ LAN connectivity was provided in all Area offices, Project Offices, Weighbridges (Road & Rail), Regional Stores and centralized units, implemented through M/s

Telecommunication Consultant India Limited on rental basis for 5 years. Each command Area, Regional Store and centralized unit was provided with 2 Mbps MPLS links along with redundant connectivity through OFC or RF link. CCL HQ had 10 Mbps MPLS with redundancy. The Area GM Offices, Regional Stores and Central Units had minimum 20 points LAN and all Project Offices were provided with minimum 5 Points LAN. This system of WAN/ LAN ensured data exchange between various locations like Area Offices, Central and Regional Store, Project Offices, Central Hospitals, Mine Rescue Station etc. on real time basis. This backbone connectivity was also used by GPS/GPRS based Vehicle Tracking System and RFID with CCTV based Weighing Control and Monitoring System across CCL. The contract duration completed on 18.03.2022 post 3 extensions (two extensions of 6 months each and third extension for 3 months).

ii. ***BSNL WAN (Secondary MPLS-VPN based WAN network for ERP):*** Work Order was issued to M/s BSNL on 26.02.2018 for providing higher bandwidth WAN connectivity across CCL Command Areas as a Secondary WAN network besides the WAN network of M/s TCIL. The network comprises of 279 links on 5 years rental basis with a total cost of 57.09 crore. 100 Mbps MPLS-VPN link is provided for CCL HQ and 40 Mbps MPLS VPN link at MRS, Ramgarh. 10 Mbps MPLS-VPN links are used for connecting all Area HQ, Central Units and Regional Stores from CCL HQ and 2 Mbps links are used for PO Offices, Units, Road and Rail Weighbridges from respective areas. The Project has been successfully commissioned and is 100% in operation. E-office connectivity across CCL command areas has been provided over this network. Also, Real-time data-transfer from Weighbridges to Central server located at CCL HQ is also accomplished using this MPLS-VPN based network. Proposal for establishment of additional 168 nos. of MPLS links of BSNL WAN was put in ECOD and has been approved. These additional links will be used as per requirement for ERP and other applications to connect more remote locations with redundancy.

iii. ***RailTel WAN (Primary MPLS-VPN based WAN network for ERP):*** Work Order was issued on 19.03.2021 to M/s RailTel for providing higher bandwidth connectivity (500 Mbps link at 2 locations, 100 Mbps link at 1 location, 40 Mbps link at 18 locations, 10 Mbps link at 50 locations, 4 Mbps link at 40 locations and 2 Mbps link for 336 locations) for CCL on rental basis for 5 years. 378 sites out of total 447 sites have been handed over to M/s RailTel, out of which M/s RailTel has communicated the readiness of 352 sites. This network will serve as upgradation and replacement for the WAN of M/s TCIL, as well as the Primary backbone connectivity for ERP implementation in CCL.

13.2 Local Area Network in all Areas of CCL

W.O. for establishment of Local Area Network in all Areas of CCL on rental mode for 5 years was issued on 06.11.2021 to M/s RailTel. This will serve as upgradation & replacement for the LAN of M/s TCIL. It includes provision of 2338 no. of LAN points along with all associated accessories, spread across all Areas of CCL, covering all the GM Offices, PO offices, Account offices, Regional Stores, Central Store, Repair Shop, Mines Rescue Station and all other relevant sites.

13.3 Networking Infrastructure for Hospital management System

W.O. for Supply, Installation and Commissioning of Networking Infrastructure Devices for Hospital Management System at four Central Hospitals of CCL issued on 18.11. 2021 through Custom bid on GeM. Supply of materials completed at Central Store and subsequently at the four Central Hospitals of CCL, i.e. Gandhinagar Hospital at Ranchi and Central Hospitals at Ramgarh, Dhori and NK. Installation of networking infrastructure is in process.

13.4 CUG services for CCL command Areas

Work Order for providing mobile connectivity under Closed User Group (CUG) facility at various locations under CCL Command Areas for 3 years was issued on 25.01.2022 with total 4228 connections with unlimited calling facility, minimum 1 GB data per day and 500 (Local + STD) SMS per month for all executives and identified staff of CCL.

13.5 Digital Walkie Talkies, Transceivers and Repeater Sets for Magadh & Amrapali Projects

W.O. for supply of Digital Walkie-Talkies (100 nos.), Transceivers (18 nos.) and Repeater Sets (4 nos.) with 3 years warranty each issued on 19.02.2022 via

GeM. Delivery of materials will be due after receipt of valid WPC license. These will be used for many vital operations like blasting, operational work of CISF, Open Cast mining operations, Safety, Coal Washery operations and other Plant & Maintenance jobs.

13.6 Broadband to high speed FTTH upgradation

The broadband connections provided to all HODs at CCL HQ have been upgraded to higher speed FTTH connections to ensure redundant internet connectivity other than LAN.

13.7 Centralized Internet Leased Line Provision

CCL has provided different bandwidth of Internet Leased Lines at CCL HQ and all Areas through different ISPs. 310 Mbps Bandwidth of ILL at CCL HQ was procured for the distribution in LAN at CCL HQ as well as for GPS/GPRS and RFID server of M/s Orange Business Services and Video Conferencing System. A separate 30 Mbps ILL has been procured for redundancy at CCL HQ. W.O. vide Ref. no. CCL(HQ)/ E&T/ WO/ 1Gbps_ILL/2021-22/126 dated 26.02.2022 has been issued to M/s BSNL for provision of 1 Gbps uncompressed (1:1) ILL with minimum 128 nos. public I.P.s along with distribution over BSNL MPLS VPN locations of CCL for centralized internet connectivity to HQ and Areas of CCL.

13.8 VC Systems for CCL HQ & Areas

Video Conferencing System has been installed and is operational at all Areas of CCL, Central Repair Shop Barkakana and CCL HQ, Ranchi, from November, 2017. The Master Control Unit (MCU) is installed at CCL HQ, Ranchi along with central streaming and recording Server. All remote locations are equipped with 01 no. of Video Endpoint provided with a Public IP, UPS and a display unit. This system works on internet and we have provision to connect MCU of Video Conferencing system of CIL Kolkata and any VC system having a Public IP. Further the VC System has been provided in the office of all functional Directors, CVO's Chamber, CMD's Residential Office and Gandhinagar Hospital. Along with the above stated VC system with public IP provision, E&T Dept. has also facilitated app/web-based VC with generation of link facility in the wake of Covid restrictions. This VC system has facilitated conduct of meetings with Area GMs, MoC, CIL HQ, and Chief Medical Officer, etc. in Lockdown period also, which enabled the uninterrupted coordination as well as administrative and management decisions.

13.9 CCTV surveillance at Vulnerable points of CCL Command Areas

CCL has installed CCTV surveillance systems in all areas of CCL as per the directive of MOC and CVO, CIL in order to avoid chances of any theft / pilferage of coal. CCTV surveillance of stores, explosive magazine, entry exit points, rail weighbridges, Sidings and Coal heaps/ dumps other sensitive places is also being done.

Around 1650 CCTV Cameras are installed at all important locations of CCL Command Area. Arrangements for networking of all the Cameras of an Area-to-Area Control room have been made for Centralized monitoring at Area HQ, CCL HQ and CIL HQ also. Live view of CCTV cameras of five major mines of CCL identified by CIL has been made available at CIL HQ.

13.10 Weighbridge operations & maintenance

AMC of Rail Weighbridges, Software installation and upgradation of Rail WBs for FOIS compliance have been taken up by E&T Dept. Arrangement for FOIS compliance of Rail WBs and connectivity of Rail WBs for data transfer to FOIS servers were made, which is under process at East Central Railways and Eastern Railways end. FOIS integration has been completed for 14 Rail WBs of CCL. Weighbridge data transfer and its integration with SAP has also been accomplished by E&T dept.

13.11 GPS/GPRS based Vehicle Tracking System and RFID with CCTV based Weighing Control and Monitoring System across CCL Command areas

CCL has installed integrated systems through M/s Orange Business Services India Technology Pvt. Ltd., Mumbai which provides tracking of coal carrying Trucks, Dumpers & Pvt. Tippers, RFID with CCTV based weighing control and monitoring system for 112 Road Weighbridges, computerization of 52 Project Offices and control rooms in 11 Area Office for monitoring on 24x7 basis with one central control room in CCL (HQ), Ranchi.

As all Areas have sufficient Internet Lease Line Bandwidth, CCL has successfully arranged to bring the live CCTV footage of 112 CCTV Cameras from all Road weighbridges at CCL HQ. The implementation of this system has helped in improving the safety of workers and people working around the mines, improved adherence to rules of driving by truck drivers and avoids accidents arising out of rash driving, over-speeding and overloading of trucks.

Vehicle Tracking System has also been implemented at Magadh & Amrapali projects in which 1000 GPS devices have been installed presently. RFID with Boom-barrier based system has also been installed at check-posts in M&A Area.

13.12 Other Procurement Activities from GeM

Department has successfully procured items like Multifunction machines, UPS, etc. as well as Portable PA system and Megaphones for Safety Department (E&T as Technical Dept.) from GeM portal. Also 10 Lakh Bulk SMS were procured as a service from GeM, which are used for disbursal of various information related to different departments in the form of SMS to employees/other stakeholders.

14. SAFETY

In CCL, mine safety is of prime concern for all and hence all activities have their focus to ensure 'Zero Harm' to our resources. The Internal Safety Organization (ISO) oversees the safety of the mines of our company. ISO has a multi-disciplinary team of experienced and technically competent executives which is headed by General Manager (Safety).

CCL has achieved a landmark in the field of safety by receiving 1st Prize in Corporate Awards in the year 2021-22(1st Nov. 2021). National Safety Award for the year 2019 was conferred to following mines during 2021-22.

Year	Mine	Award	Category
2019	Govindpur Ph-II OCP	Winner	Lowest injury frequency rate (LIFR) per Million CuM output.
2019	SDOCM, Dhori Area	Runner	Lowest injury frequency rate (LIFR) per lakh manshift.

Safety Management Plan:

i. Safety Management Plan (SMP) for all the Opencast and Underground mines have been framed considering all the activities and hazards associated with each activity with the concerted efforts of DGMS officials, mine personnel associated with each activity and the SIMTARS trained experts from ISO. Safe operating procedures has been made and distributed to the concerned personnel.

ii. Formulation and compliance of site-specific Risk Assessment based Standard Operating Procedures (SOPs).

SMP is reviewed at periodic intervals and is an ongoing process.

CCL Safety Board Meeting:

CCL Safety Board meeting is held every month in one of the areas on rotation basis. The meeting is chaired by Director (Tech.) (O), CCL or Director (Tech.) (P&P), CCL and participants include the trade union representative, all Area General Managers, HODs of CCL HQ, and ISO officials.

The trade union representative along with the ISO nodal officer inspects every mine of the area. The shortcomings of every mine based on their inspection are discussed and Action Taken by Mine Management to remove the shortcomings is put up before the member.

Safety Drive

The different safety drives conducted by the ISO during FY 2021-22 are as follows:

- Safety drive on Electrical maintenance in sub-station and other electrical installation in OC & UG mines of CCL.
- Safety drive on Monsoon preparation in OC & UG mines was conducted in May 2021.
- Safety drive on "Contractor workers safety" in outsourced mines was conducted in Jan 2022.
- Safety drive on haul road, illumination & housekeeping was conducted in Feb 2022 at all OC mines.
- Safety drive on safe practices in all UG mines was conducted in March 2022.

Strengthening of Safety Committee

Pit Safety Committee meetings are held in the mines which is also attended by senior officials of the Area, CCL safety members and ISO officials. Wherever contractor(s) are engaged in mining operations, their representatives are also invited to enlighten them on safety matters.

For strengthening the role of Safety Committee, Special drive on activation of Safety Committee and role of workmen inspectors has been conducted in all mines of CCL.

This is the most effective platform where participant give their valuable suggestion at grass root level.

Review meeting with Area Safety Officer

Every month, a review meeting with Area Safety Officers is held to discuss the safety status of all the mines of CCL through video conferencing. The meeting is chaired by Director (T)(O), CCL or D(T)(P&P), CCL and is attended by Area Safety Officer and ISO Officials. It establishes a two-way communication system between headquarter and area and helps in resolving and safety issues.

Progress in Safety front at CCL during 2021-22

CCL has pursued several measures in recent years along with the on-going safety related initiatives, apart from compliance of statutory requirements for enhancing safety standard in all projects.

- Bipartite and Tripartite meeting on Safety was conducted at CCL HQ, Ranchi on 15.09.2021 & 25.11.2021 respectively.
- Inter area Safety Audit of all opencast and underground mines was conducted in two phases by a multi-disciplinary team in August & September 2021.
- Safety talk is delivered regularly to keep the work persons updated regarding their job safety as well as of their surroundings and co-workers.
- Standard Operating Procedures (SOP) for Operations and Maintenance has been prepared and implemented in all Mines of CCL.
- Principal Hazards Management Plans (PHMP) are formulated and control measures implemented to avert any mine disaster.
- CCL Safety Board member's conduct Inspection of all mines of an area every month and Observations pointed during the inspection is rectified in a time bound manner.
- Monthly inspection of mines is carried out by Pit safety committee members and PSC meeting is attended by Area General Manager, senior officials and contractor's representative as well. ISO officials also attend PSC meetings.
- Video Clips/Animation Films on various Mine Safety Procedures, Dos & Don'ts related to operation and Accident Analysis are being prepared for mutually sharing amongst all employees. These video clips or Animation films are being used widely during training programmes organized at different VTCs and at other establishments. This endeavour is expected to enhance safety awareness amongst all employees and to develop the best safety cultures at grass root level.
- In order to facilitate screening of safety videos, 32 nos. of multimedia projectors with screen have been provided to different units.

Safety Audit

Safety Audit for the FY 2021-22 was initiated in the month of July 2021 under the MoU target of CIL.

10 audit teams were formed headed by Area Safety Officers with multi-disciplinary executives. During the audit, a total 317 nos. of deficiencies in 35 OC mines and 33 nos. of deficiencies in 04 UG mines were observed, which were duly rectified by 31.01.2022.

Mock rehearsal

In CCL, 71 Mock rehearsals have been conducted in 2021-22 at Open cast & Underground Mines to deal with various emergent situation like, Fire in HEMM, Drowning of work person, emission of CO_2 near U/G Pumping Station, Water in-rush etc.

Initiative taken by ISO in 2021-22

Man-Riding System – For Churi U/G Mines, "Free Steered Vehicles" (02 Nos.) will be operational after obtaining DGMS permission.

- To meet the training needs of HEMM operators, CCL is procuring Multi-Dimensional HEMM Simulator.
- Action plan for up gradation of Rajrappa and Kathara GVTs has been prepared.
- Dust Suppression with mobile Mist Spray Sprinklers has been adopted at CCL. Fixed type water sprinklers are provided for dust suppression at Sidings.

Centralized Safety Information (CSIS) portal

CSIS portal has been made operative where all the reports, figures and data, viz. statutory manpower, statutory documents, training inspection reports, accident/incidents etc. are uploaded by the mine manager. It is reviewed regularly by ISO officials to make it more effective and uploaded.

Statutory Manpower

Appointment and posting of Jr. Overman (61 Nos.) has been done in the FY 2021-2022.

Safety Performance

Particular	April'20-Mar'21	April'21-Mar'22
Fatal Accident	1	2
Fatalities	1	2
Serious Accident	8	2
Serious Injuries	8	3

Total	1203

15.2 Recruitment Department

- Out of the 75 posts of Jr. Overman advertised, 62 candidates have already joined at different Areas of CCL.
- Employment Notice for recruitment of 44 Medical Executives (Sr. Medical Specialist {E-4}, Medical Specialist {E-3}, Sr. Medical Officer {GDMO} {E-3} and Sr. Medical Officer {Dental} {E-3}) was advertised, interview of 522 candidates was conducted through Video Conferencing and document verification of the successful candidates has been done. Accordingly, Offer of Appointment to 17 Medical Executives was issued out of which 12 Medical Executives have joined at CCL. The wait list (2nd Phase) consisting of 13 candidates has been declared and their recruitment is under process as per company guidelines.
- OMR Machine is installed in Recruitment Department and evaluation of OMR Answer Sheets is done through OMR Machine. Facility of OMR evaluation is also extended to different Departments/Areas for the purpose of selection / DPC of departmental candidates of CCL.

16. HUMAN RESOURCE DEVELOPMENT

Human Resource Development Department takes initiative to equip practicing managers, employees, workers, contractual workers and stakeholders with the skill to synthesize theory and practice. This department carries forward the programme in functional areas of management, imparting cross functional input to functional executives, general management programme for executives, induction and orientation programme for management trainees and newly recruited executives.

As far as training and development is concerned, the HRD Department, CCL lays stress in two core areas:

- Knowledge Enhancement
- Skill Development

In the domain of ***Knowledge Enhancement***, the functional areas of management, imparting cross functional input to functional executives, general management program for executives, induction and orientation program for management trainees and newly recruited executives, E-office training for executives and non-executives, Awareness Programs for Standard Operating Procedures, Finance for non-finance employees, Rescue & Safety Programs, Functional skill program for Personnel Executives have been conducted at MTC, HRD, CCL.

Knowledge Enhancement Session at HRD, CCL

Skill Development for executives, frontline supervisors and skill up gradation program for non-executives have a constant place in the curriculum of MTC, HRD, CCL. Programs like Hindi Workshop, Computer Awareness Programs, functional skill development programs for executives and non-executives have been conducted at MTC, HRD, CCL; BTTI, Bhurkunda, and CETI, Barkakana

This department also looks forward to imparting skills to the stakeholders for developing employability skills.

Computer Awareness Programme for Employees

Along with the above, executives and certain staff have been sent to external institutes and organizations for training programs for specialized knowledge and skill enhancement throughout the year.

In view of the above, HRD Department, CCL has been able to chalk out these achievements during the year 2021-22 which are as follows

- CCL was the pioneer among all the subsidiaries of Coal India Limited to have started an ITI course in the Electrician trade at BTTI, Bhurkunda and continuing. At present 19 Students are undergoing the said course at BTTI, Bhurkunda, and are also incorporated at various units/ projects of CCL for undergoing their practical training.

Course at BTTI, Bhurkunda

- Various Skill Development programs for 316 employees have also been conducted at BTTI, Bhurkunda, like General Awareness & Safety Programs, Career Growth Programs, Explosive Handling Programs and Monsoon Preparatory Programs.
- Various Basic Training Programs for HEMMS operators are also conducted for Dumper, Dozer, Shovel, Drill, Pay loader, Motor Grader Operators.

Training Programme at BTTI Bhurkunda

For Basic Training, the nominated employees are initially taken through theoretical classes at CETI, Barkakana and thereafter on the job training followed by examination to assess their suitability to operate HEMMs in future. Apart from the above, training for OEMs and Basic Operators courses, various refresher programs are organized for our experienced employees wherein they are given exposure on various technological advancement/ safety features by OEM/OES including in house faculties of CETI/CRS, Barkakana. CETI, Barkakana has trained 349 participants in the year 2021-22.

OEM Training for HEMM Operators

- Apart from above, CCL also provides opportunity to students from various institutes & colleges of the country pursuing Engineering/ MBA/ BBA/ MCA/ BCA and other professional courses to undergo Internship/ Vocational Training free of cost. During the year 2021-22, a total of 1150 students were provided with such opportunity at the corporate HQ, Areas, Projects and Units of CCL.

Apprentice Training as per Apprentices Act

- During the year 2021-22, CCL had to engage Apprentice @ 2.5% of its total manpower which was inclusive of the contractual workmen. This task was also an MoU between Coal India and Central Coalfields Limited. The HRD Department has achieved the target of engaging 2.5% apprentice successfully within stipulated time, the details of which is appended below:

Total Manpower of CCL including Contractual Workmen (As on 31/03/2021)	No. of Apprentices engaged in 2021-22 (As on 31/03/2022)	Percentage of Apprentices engaged in 2021-22
42995	1245	2.89%
