OUR MISSION

The Mission of Central Coalfields Limited (CCL) is to produce and market the planned quantity of Coal and Coal products efficiently and economically in Eco-Friendly manner, with due regard to Safety, Conservation and Quality.

OUR VISION

To emerge as a National player in the Primary Energy Sector, committed to provide energy security to the Country, by attaining environmentally and Socially Sustainable Growth, through best practices from Mine to Market.

OUR OBJECTIVES

The major objectives of Central Coalfields Limited (CCL) are -

1. To optimize generation of internal resources by improving productivity of resources, prevent wastage and to mobilize adequate external resources to meet investment need.
2. To maintain high standards of Safety and strive for an accident-free mining of Coal.
3. To lay emphasis on afforestation, protection of Environment and control of Pollution.
4. To undertake detailed exploration and plan for new Projects to meet the future Coal demand.
5. To modernize existing Mines.
6. To Develop technical know-how and organizational capability of Coal mining as well as Coal beneficiation and undertake, wherever necessary, applied research and development work related to Scientific exploration for greater extraction of Coal.
7. To improve the quality of life of employees and to discharge the corporate obligations to Society at large and the community around the Coalfields in particular.
8. To provide adequate number of skilled manpower to run the operations and impart technical and managerial training for up gradation of skill.
9. To improve consumer satisfaction.
10. To enhance the CSR activities specifically in the field of Health, Sanitation and Drinking Water in the Surrounding villages.

CMD'S MESSAGE

Dear Shareholders,

On behalf of the Board of Directors of Central Coalfields Limited, with immense pleasure, I welcome all of you to the 70th Annual General Meeting of the Company. The Report of the Directors, Audited Accounts for the year 2025-26 combined with the Report of the Statutory Auditors and the Report and Review of the Comptroller & Auditor General of India have already been circulated to you. FY 2025-26 has seen your Company weather a challenging period of changing climate, volatile conditions and change in policy landscape particularly in the State we operate.

I would like to touch upon few key performance areas wherein your company has excelled upon and key initiatives that had been taken during the FY 2025-26.

The projected thermal (coal and lignite) capacity requirement by the year 2034–35 is estimated at approximately 3,07,000 MW. Coal remains the predominant indigenous energy sources in the country. India possesses approximately 401 BT geological coal resources, with an estimated 111 BT of extractable resources sufficient to meet county's coal requirement for several decades. This abundant domestic recourse provides for the foundation for achieving energy selfreliance and reducing dependence on imported fuels. Further, Coal is poised to remain a significant component of India's energy landscape for the foreseeable future, primarily to sustain the country's rising living standards and meet the increasing energy demands of its rapidly growing economy. As one of the primary sources for energy generation, coal is projected to see a continued rise in demand through 2035 and beyond, driven by the robust expansion of the Indian energy sector. Despite the global shift towards cleaner energy sources, coal remains a critical resource for India, where it plays a vital role in ensuring energy security and affordability.

Coal remains the cornerstone of Nation's energy security and economic growth and accounts for nearly 72% in the power generation. As baseload fuel, coal virtually empowers the power sector of India and continues to cater many non-power industries like cement, fertilizers, sponge iron, aluminium etc.

In line with the growing energy demand of the nation, CCL is emphasizing on coal production and productivity to the best of its ability to meet the clean coal requirement with focus on enhancing production, productivity with sustained development and inclusive growth of the society and stakeholders.

Company Profile:

Central Coalfields Limited is a Category-I Mini-Ratna Company since October 2007 and a wholly owned subsidiary of Coal India Limited under Ministry of Coal, Government of India.

Your company Central Coalfields Limited (CCL), presently operates:

- ✓ 39 Producing Mine: 02 Underground & 37 Opencast Mines;
- ✓ 5 Washeries: 4 Coking Coal Washeries (Kathara, Rajrappa, Kedla & Sawang), 1Non-Coking Coal Washery (Piparwar);
- ✓ 1 No. Central Repair Shop (Barkakana) and 3 nos. Regional Repair Shops (Jarangdih, Tapin North & Dakra) and 2 nos Regional Workshops (Giridih & Bhurkunda)
- ✓ 6 major coalfields (East Bokaro, West Bokaro, North Karanpura, South Karanpura, Ramgarh and Giridih)

PHYSICAL PERFORMANCE

During the year, your company operated in a challenging business environment marked by unprecedented & prolonged rainfall, legal constraints in a mega mine and lower coal demand from certain sectors due to change in policy in State of Jharkhand . Nevertheless, the Company continued to demonstrate operational resilience and remained focused on strengthening its long-term production capabilities.

During FY 2025-26, the company has registered a coal production of 82.256 Million Tonne with marginal decrease of 6.03 % compared to previous year primarily due to prolonged and heavy rain fall and Legal dispute in a contract of a mega mine. In case of over burden (OB) removal, your company has achieved 119.35 Million Cu.M during the year with an increase of 0.84% over the previous year.

The company has achieved Raw Coal Offtake of 76.20 Million Tonnes, with a decrease of 11.08% over the previous year. In-line with need, 63.68 MT of coal despatch was made towards the Power Sector during the FY 2025-26. However, the company has built up a stock of 19 MT and is prepared to supply sufficient coal in the summer amid ongoing conflict in West Asia.

Going forward, your company has planned a significants scaling-up of coal production, from 82.256 MT in 2025-26 to 96 MT in 2026-27 and contributing significantly to Coal India Limited in achieving the target of 815 MT for the FY 2026-27.

FINANCIAL PERFORMANCE

1. The gross sales of the Company for the year stood at ₹25,189.03 Crore, registering a decrease of 1.59% as compared to the previous year. Profit before Tax (PBT) stood at ₹3,356.71 Crore and Profit after Tax (PAT) at ₹2,960.97 Crore as compared to Profit before Tax of ₹ 5443.14 Crore (Re-stated) and Profit after Tax of ₹ 4057.94 Crore (Re-stated) of the previous year with a decrease of (38.33%) and (27.03%) respectively.
2. Net worth of the Company stood at ₹ 18,621.89 Crore as on 31st March 2026, a significant rise of 12.81 % as compared over ₹ 16,507.52 Crore (Re-stated) of the previous year.

Capex:

During the year the Company has achieved capital expenditure of Rs 2257.64 crores against the MoU Annual target of Rs. 2000 crore. The expenditure has made on creating Capital assets focusing mainly on Land, Building, Railway and Mining infrastructure, Plant & Machineries.

Dividend:

I am glad to share that your Company has paid ₹ 402.32 Crore as Interim Dividend and further a Final Dividend of ₹488.80 Crores will be paid to Coal India Limited as recommended by the Board for declaration by members in the ensuing Annual General Meeting, aggregating to a total dividend for the FY 2025-26 to ₹ 891.12 Cr. i.e. ₹474.00 per share on 1,88,00,000 equity shares of ₹ 1,000.00 each (previous year ₹ 1210.72 Crore i.e. ₹ 644.00 per share on 1,88,00,000 equity shares of ₹ 1,000.00 each).

MoU Performance:

Your Company has been rated "Very Good" as per the Memorandum of Understanding (MoU), signed with the holding company Coal India Limited in line with the guidelines of DPE, Ministry of Heavy Industries and Public Enterprises, Government of India for rating of CPSEs for the financial year 2024-25. MOU for FY 2025-26 under process of evaluation.

New & Expansion of Projects/Technology Adoption:

Your Company has achieved a coal production of 82.256 MT during FY 2025–26, along with an overburden removal of 119.35 MCum, reflecting sustained operational momentum and efficient resource utilization. Out of the total production, ongoing projects contributed 68.255 MT.

In spite of challenging conditions CCL's operational roadmap through strategic planning, timely approvals, and effective execution of projects the company has achieved such production. During the FY 2025-26 the following measures were taken to sustain the production:-

1. New Projects operationalized:

1.1 Kotre Basantpur Pachmo OCP (5 MTY) has been successfully operationalized, with coal production commencing in November 2025.

1.2 Chandragupta OCP (15 MTY) has been successfully operationalized, with coal production commencing on 20.03.2026.

2. Reopening of mine :

2.1 Rajhara OCP has resumed operations

2.2 Giridih mine is fully ready with all statutory clearances in place, and coal production is expected to commence in the near future

3. UG Mining :

3.1 In the underground segment, incline drivage has commenced at Piparwar Phase-I Underground Project, marking a significant advancement in underground mine development.

3.2 RPR of Churi UG (1 MTY) is under process of approval

3.3 RPR for Parej East UG (0.51 MTY) under HoE mode is under process of approval.

3.4 Coal Production from Amlo Highwall will also start soon

4. PR/RPR Approval

4.1 RPR of Tapin South OCP (2 MTY) approved by CCL Board on 30.08.2025

4.2 RPR of KDH OCP (6.75 MTY) recommended from CCL Board held on 26.02.26.

4.3 Scheme of Purnadih OCP has been recommended from CCL Board held on 25.03.26.

5. Mining Plan approvals:

- ✓ KDH OCP (4.5 MTY; 219.80 Ha)
- ✓ Piparwar Phase-I UG (0.87 MTY; 426.88 Ha), including change in location of incline
- ✓ Sanghmitra OCP (20 MTY; 2254.02 Ha)
- ✓ North Urimari OCP (6 MTY; 1598.71 Ha)
- ✓ Tapin South OCP (2 MTY; 151.93 Ha)
- ✓ Magadh OCP (30 MTY ;1598.71 Ha)
- ✓ Gidi A OCP (1 MTY)
- ✓ Dakra OCP (0.63 MTY)
- ✓ Churi Benti UG (1 MTY)

Infrastructure for Coal Evacuation:

1. Shivpur–Kathautia Single BG Rail Line: Kathautia to Duari section of this rail corridor has been successfully completed and the section has been notified for commercial operation by the Railway. Consequently, rake loading operations by NTPC is expected to commence shortly, marking a significant milestone towards operationalization of the line.
2. Reimbursement towards Inflated Mileage: During FY 2025–26, ₹112.65 crore was reimbursed by the Railways towards inflated mileage against CCL's investment in the Tori–Shivpur Rail Line. With this reimbursement, the cumulative amount received has reached ₹354.22 crore, out of the total approved compensation of ₹2,368.14 crore.
3. CP Railway Siding, Giridih Area: Comprehensive repair and maintenance works are presently under execution. The sustained maintenance efforts have ensured smooth siding operations with no derailments reported in the recent past.
4. Dhori I & II Railway Sidings: Complete Track Renewal (CTR) has been successfully completed, substantially enhancing track safety and reliability. As a result, no derailments have been reported in the recent past.
5. Giddi-A Railway Siding: Construction of new line/ modification by complete track renewal of existing

Rail lines of wharf wall loading platform of Giddi-A Railway Siding awarded to M/s IPRCL. Upon completion, the project will significantly improve the operational reliability and safety of the siding.

Setting up of new coking coal washeries: In alignment with the Government of India's Mission Coking Coal, Central Coalfields Limited (CCL) has undertaken an initiative to establish five coking coal washeries with an aggregate capacity of 14.50 million tonnes per year (MTY). The proposed washeries include New Rajrappa (3.0 MTY), Dhori (3.0 MTY), New Sawang (1.5 MTY), Basantpur Tapin (4.0 MTY), and New Kathara (3.0 MTY).During the year, significant progress has been achieved in advancing these projects. A key milestone was the execution of the contract agreement on 10 July 2025 for the development of the New Kathara coking coal washery under the Build-Own-Operate (BOO) model being first such washery project within Coal India Limited. The project has also marked the first commercial operationalization of the Ministry of Coal's policy dated 22 April 2022 for leasing of Coal Bearing Areas (CBA) land for infrastructure development. Environmental Clearance for the New Sawang coking coal washery was secured in January 2026 and the Letter of Award on a BOO basis was issued in February 2026.

Your company continues to focus on enhancing coking coal beneficiation capacity to support domestic steel production and reduce import dependency.

Implementation of Integrated Command and Control Centre (ICCC):

Your company has implemented an Integrated Command Control Centre (ICCC) to significantly bolster security and surveillance across its command areas, specifically targeting vulnerable sites like weighbridges, sidings, coal stocks, etc. This advanced system leverages AI-driven video analytics and a centralized cloud platform to provide real-time monitoring, enabling authorized personnel to respond to incidents swiftly according to standard operating procedures. By integrating physical hardware with mobile and web-based management tools, the project ensures seamless data access and storage. Ultimately, the synergy between the ICCC, VTS-RFID technology, and drones creates a unified, intelligent security framework that optimizes physical safety management throughout all mining operations

Corporate Social Responsibility:

The company is strongly committed towards playing a defining role in development of its stakeholders mainly Project affected people (PAPs) and local residents around the mining areas, through an extensive & inclusive CSR policy. The company integrates Corporate Social Responsibility (CSR) into its core business strategy to promote inclusive and sustainable development. Operating across key districts of Jharkhand, CCL focuses on improving the quality of life of communities, particularly in its command areas, through targeted interventions in healthcare, education, livelihood, infrastructure, and environmental sustainability. Company's CSR initiatives are mainly concentrated in eight Aspirational Districts of Jharkhand—Ranchi, Ramgarh, Chatra, Latehar, Palamu, Giridih, Hazaribagh, and Bokaro—where a substantial population belongs to marginalized communities. These initiatives are implemented in line with the Company CSR Policy, the Companies Act, 2013, the Companies CSR Policy Amendment Rules, 2021, and guidelines issued by DPE.

For FY 2025–26, the CSR target was ₹74.25 crore, considering statutory provisions and set-off of excess expenditure made in previous year. During the year, the company incurred a total CSR expenditure of ₹85.93 crore, with nearly 94% directed towards Aspirational Districts, reflecting its strong commitment to inclusive and sustainable regional development. Further, such CSR interventions were made in various sectors listed in Schedule VII, including healthcare and nutrition, skill development, education, sports promotion among others.

Safety:

Safety remains the bedrock upon which our organization is built. In an industry characterized by inherent operational hazards, our unwavering commitment to the safety, health and well-being of every employee continues to drive our success. We strive to foster a culture where safety is not merely a compliance requirement but an integral part of our organizational values and daily work practices. Our ultimate goal is to achieve **"Zero Harm"** by safeguarding our people, mines, machinery and environment.

During 2025–26, Central Coalfields Limited (CCL) continued to strengthen its safety management systems through a combination of technological interventions, focused capacity building, proactive hazard identification and enhanced workforce participation. The Company has intensified efforts towards creating a risk-aware and safety-conscious work environment across all mining operations.

CCL maintains its commitment to ensuring that 100% of the workforce, including contractual workers, receives mandatory safety training prior to deployment. Refresher training is imparted regularly in accordance with the provisions of the Mines Vocational Training Rules, 1966, to reinforce safe work practices and statutory compliance.

CCL remains steadfast in its pursuit of operational excellence through safe mining practices and is committed to achieving sustainable growth while ensuring the highest standards of safety and occupational health.

Consumer Satisfaction/Quality Coal Supply:

The efforts for better quality coal supplies reflected a positive jump as the grade conformity improved to 97 % during FY 2025-26 from 96% over FY 2024-25 according to the sampling and analysis results received.This is highest among all subsidiaries of CIL. During FY 2025-26, 11 coal testing laboratories have been accredited by NABL, which are stablished across the command areas of the company facilitating quality checks onsite.

Human Resource Development:

The HRD department, CCL is an established learning platform primarily focused to skilling, up-skill & re-skilling of the employees of CCL for their all-round development. It is continuously thriving on multiple initiatives to build the architecture integral to the development of the Company by infusing professional competence, adaptability to change, increased productivity and efficiency for its employees. This is done through cross functional collaboration and well-structured Training and Development Modules embracing the technical, functional, managerial and behavioral facets of training.

During the year 2025–26, the special achievements of HRD department during the year 2025- 26 are as follows:

1. Special Vendor Development Program for SC/ST and Women MSEs Entrepreneur" which includes 53 participants.
2. Implementation of iGOT Digital Learning Portal- In line with the Government's vision of promoting digital learning, the iGOT (Integrated Government Online Training) portal was effectively rolled out in CCL. A total of 4,421 employees, including all executives, were registered on the portal and collectively completed 28,983 online courses across various domains. Additionally, 878 employees successfully completed the "Know Your Ministry" course module, enhancing their understanding of organizational governance and policy frameworks.
3. PM Internship Scheme - The PM Internship Scheme is a strategic initiative aimed at providing valuable internship opportunities for students from aspirational and other districts. The goal is to offer hands-on training, enhancing students' skills and providing them exposure to the workings of government institutions. The details of PM Internship Scheme are given below (as on 31st March 2026).
   a) Phase I of the PMIS has been successfully completed. A total of 49 interns completed the internship, gaining substantial industrial experience along with a limited component of classroom learning. The interns are now receiving their digital certificates through the PMIS portal.
   b) During Phase II, 37 interns are continuing with the training process.
   c) Phase-III- Under Process

Environmental Management:

We believe that every business has the opportunity and obligation to protect our planet. Environment sustainability is one of our core values and we strive to build sustainability into everything we do. Company has adopted several ways to reduce environmental effects such as artificial water sources for water storage and ground water recharge, pisciculture in abandoned mines, rainwater harvesting and distribution to surrounding communities after treatment, forestation/plantation within the Mine area, scientific restoration of OB dump, Mine Tourism, three-tier plantation etc. vast resources to innovate and recreate a viable world, thus transforming adversaries to its advantage

The following are the snapshots of Company's performance during the year 2025-2026, demonstrating our continued and sustained efforts towards environment protection as well as going up with our business operations

1. Environmental Clearances (EC) were obtained for 6 mines, along with capacity enhancement for 4 mine and amendments in ECs for 2 existing mines. These approvals resulted in an incremental EC capacity of 9.41 MTPA, raising the total EC capacity to 164.59 MTPA. In addition, Fresh EC of New Sawang Coking Coal Washery (1.5 MTY) and amendment in EC of Basantpur Tapin Coking Coal Washery (4 MTY) were also obtained.
2. Till FY 2025-26, 27 numbers of trolley mounted fog cannons & 21 numbers of truck mounted fog cannons are being operated for units of CCL. Additionally fixed water sprinklers and mobile water sprinklers are also operational for projects of the Company.
3. Mine water in the command area of CCL is utilized for supplying water to nearby villages (140 numbers) benefitting around 2,40,000 people. Further voids in CCL mines are also being utilized for caged fish farming/Pisciculture by local communities/Self Help Groups. At present, around 268 such cages are installed in seven mine voids. Around 467 persons are engaged from nearby villages for the said activity.
4. Operation of 16 numbers of Continuous Ambient Air

Quality Monitoring System (CAAQMS) & 45 numbers of Continuous PM10 Analyzers in command area of CCL data of which are linked with the servers of Jharkhand State Pollution Control Board (JSPCB).

Green Initiatives:

1. In FY 2025-26, CCL undertook plantation over 322.30 Ha against a target of 279.45 Ha.
2. Under the Green Credit Programme (GCP), an initiative by the Government of India, CCL has registered 267.32 hectares covering 30 land parcels, amounting to ₹33.08 crore.
3. CCL has total installed capacity of Solar project (upto Mar'26) of 31.9 MW (Ground mounted-29MW & rooftop- 2.9 MW). Further, 100 MW Power evacuation of the identified 100 MW at Giridih Area finalized with DVC in FY 25-26, The project is under feasibility study phase and expected to be commissioned in FY 28-29. 20 MW Solar Power Plant, Piparwar is operational since July 2024, and generated a Solar power of 351.56 Lakh units in FY 2025-26, resulting in savings of avg. Rs. 1.05 Crores/month in energy bill. 04 MW Solar Power Plant, Giridih is operational since Oct 2024, and generated a Solar power of 72.05 Lakh units in FY 2025-26. 05 MW Solar Power Plant, Barkasayal is operational since Feb 2026, and generated 10.48 Lakh units in FY 2025-2026.
4. Net metering facility is provided by JBVNL in 400 KWp Solar Plant, Darbhanga House, Mine Rescue Station Ramgarh, Central Hospital Ramgarh and Barkakana Campus of CCL

Corporate Governance:

Your company has established adequate system for monitoring compliances of various laws, Code of Conduct for Board Members and Senior Management Personnel and Corporate Governance Guidelines for CPSEs issued by the DPE. The company has established a system for monitoring compliances to the various laws. The Code of Conduct of Board Members and Senior Management Personnel of the Company, functioning of Audit Committee as per the terms of reference and composition of Board of Directors as per laid down guidelines are ensured and complied. A separate section on Corporate Governance has been added to the Directors' Report. A Certificate for compliance of conditions of Corporate Governance has been obtained from a practicing Company Secretary. In addition, Secretarial Audit for 2025-26 under Companies Act, 2013 was also conducted by a Practicing Company Secretary who gave an unqualified Report except for appointment of requisite number of Non-Official Part-time (Independent) Directors and woman Director on Board of Directors in compliance DPE guidelines. The power to appoint Independent Directors /Directors vests with the Govt. of India. Your Company has taken up the matter with Ministry of Coal for appointment of Independent Directors and women director.

Awards & Accolades:

During the year, your company was conferred with following major awards: -

- ✓ 2nd Prize in the Corporate Excellence Award under the category of ICCC implementation and IT integration initiatives.
- ✓ CSR and Sustainability award 2025 for Healthcare during National Conference on Mission Viksit Bharat 1947-2047 conferred by All India Business & Community Foundation
- ✓ CSR TIMES AWARD 2025 (GOLD) in Livelihood Category for the Project "CIA Express"

Acknowledgement:

I would like to take this opportunity to express my sincere regards and deep gratitude to our share holder Coal India Limited along with its Management, the Government of India, especially our administrative Ministry i.e. Ministry of Coal, Ministry of Environment, Forests & Climate Control, other Central Government Authorities, Government of Jharkhand (particularly Ministry of Mines, Home Department and Local District Administrations, Auditors, People's Representatives, Local villages, Local Bodies, Trade Unions, our Valued Customers, Suppliers and Media, for their continuous support, trust and co-operation.

I convey my appreciation to my colleagues on the Board and all employees for their valuable contribution towards the growth of the Company.

I strongly believe that the way the Company has built around the resources, redefined the roadmap of capacity integration in mining advancement, it will certainly embark on a strong growth trajectory making way for a bright and sustainable future. Thereby your Company will meet the expectation of our numerous stakeholders including the expectation of the Nation. Your Company values your trust and confidence and shall continue to work tirelessly to take it forward.

Warm Regards,

Sd/-

Nilendu Kumar Singh
