7.2 The Government of Jharkhand has demanded Royalty for Rs. 2.79 Crores (PY Rs. 2.79 Crore) in respect of 9 LT non-vendable coal at Rajrappa Area written-off in the year 1989. The company (CCL) preferred an appeal before Commissioner of Mines, Jharkhand but the same was rejected. On rejection, the company filed writ petition WP 1754(c) of 2014 before Hon'ble High Court of Jharkhand and the said matter was referred to JHALSA for mediation. However, no consensus was reached between the parties thus, the mediation failed. The information of the same was made to the high court. Last hearing date was 30.09.2021.

7.3 (a) There is a long pending dispute over capitalization cost of Rajrappa and Giddi Captive Power Plant, commissioned by EIPL on Built Own and Operate (BOO) basis and the dispute is pending in Civil Appeal No. 7403 of 2009, filed by the Company before the Hon'ble Supreme Court against the Order dated 31.07.2009 of the Jharkhand State Electricity Regulatory Commission duly confirmed subsequently by the Appellate Tribunal also.

(b) Pursuant to Interim Orders of the Hon'ble Supreme Court dated 14.09.12 and 23.11.12 passed in the said Appeal, the Company accounted for a liability of Rs. 94.33 Crores. in 2012-13 upto the period March, 2008. Out of which Rs. 83.03 Crores was paid to EIPL (erstwhile DLF Ltd) as 25% deemed energy charges during the said period. Further, an ad-hoc payment of Rs.75 Crores and Rs.25 Crores were also made on 20.11.13 and 10.01.14 respectively as per directives of the Hon'ble Supreme Court. As directed by the Hon'ble Supreme Court revised amount payable from April'08 to March'14 was calculated based on the methodology adopted by JSERC in determining the revised tariff up to the period March'08. Accordingly, an amount of Rs.23.25 Crores was provided during the financial year 2013-14 in addition to Rs. 94.33 Crores, which was already provided in the Financial Statements of 2012-13. For the financial year 2014-15, additional liability of Rs. 3.26 Crores has been provided. For the financial year 2015-16 additional liability of Rs. 0.26 Crores has also been provided. However, EIPL has submitted their demand for Rs.302.63 Crores on 17.09.2012 including Rs. 134.20 Crores on account of interest on delayed payment which is beyond the purview of PPA & the matter is pending before the Hon'ble Supreme Court wherein it was listed for hearing in Oct-21.

(c) As per clause 1.18.3 of the Power Purchase Agreement with M/s. EIPL, from the date of expiry of one year from commissioning of the respective power plant, increase/decrease of fuel components of tariff due to variation in fuel cost shall be determined. The initial price of rejects as per clause 1.14 of PPA was Rs. 90 per tonne.

NOTE - 38 : ADDITIONAL NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022 (STANDALONE)

Accordingly, calculation was made as per clause 1.18.3 of PPA and additional revenue receivable on account of revision in price of rejects net off with additional tariff payable on account of revised tariff due to increase in fuel cost was considered in the Financial Statements for the year 2013-14 and supplementary bill to EIPL was also raised.

Subsequently, during the financial year 2014-15 the price of rejects was again revised based on the recommendations of the CCL standing committee of Sales and Marketing department and the same was communicated to Director(Operations) of DLF Ltd. vide letter Ref. No. GM(E&M)/DLF/14/ 3530-36 dated. 17.11.2014. As per letter, G grade slack coal price which was the lowest grade under UHV system of pricing applicable prior to 01.01.2012 became chargeable for the period from July, 2000 to December, 2011 from EIPL. Consequent upon the issue of above letter, Sales bill and power tariff both were revised.

As on 31.03.2016, the amount receivable from EIPL on account of supply of rejects after adjusting enhanced tariff was Rs.38.69 Crores. Further, a provision of Rs. 1.64 Cr. was made in the year 2016-17 making total provision to Rs. 40.33 Cr. Due to non-payment of the same, the following action has been taken by CCL:

As per clause 2.6 of the Power Purchase Agreement dated. 8th February, 1993, in the event of any dispute arising out of or in relation to the agreement, the same shall be referred to the sole arbitration of an arbitrator mutually acceptable to CIL & EIPL as per provisions of Arbitration Act. However, as the parties to the agreement failed to mutually agree to the appointment of an arbitrator, the petitioner (CCL) was left with no alternative but to move to the Hon'ble High Court for appointment of an arbitrator in exercising powers under section 11(6) of the Arbitration and Conciliation Act, 1996. As such the Arbitration Application was filed on 7th April, 2016. The Hon'ble High Court of Jharkhand during 2017-18, has appointed Ld. Arbitrator as per Agreement to settle the dispute. Hearing is still pending before Ld. Arbitrator.

- 7.4 Theft of goods during the year is Rs.0.25 Crores (Previous year Rs.0.71 Crores), which has been duly accounted for.
- 7.5 Compensation Receivable in terms of "Fuel Supply Agreement" (FSA) is accounted for on receipt basis.
- 7.6 Lease agreement with M/s. IFPL was entered in the year 2005 for a period of 20 years, and is valid up to 2025. As per Agreement, the company will supply washery rejects and IFPL will generate power and supply to Kathara Area. As per the provisions of Lease agreement, IFPL is required to pay Rs. 32 Lakh per month as Lease rent. IFPL has suspended its operation from July 2018 and also not making payment of Lease rent. As a result, a provision to the tune of Rs.1.60 Crores has been made during the year 2018-19 as the differential amount of lease rental receivables amounting to Rs.4.02 Crores and Power expenses payable to IFPL for Rs. 2.42 Crores. Further provision of Rs.6.72 Crores has also been made towards Lease rental receivable. No further provision was required as the agreement has been terminated pre-maturely as per decision of ECFD.

AUDITORS' REPORT	MANAGEMENT'S REPLY
c) Washed medium coking Coal (WMCC) was being supplied by CCL at mutually agreed price under an MOU to M/s SAIL & M/s RINL. However, no MOU has been signed between CCL & SAIL/RINL for the Financial Year 2017-18 and onwards. From 1/4/2017, the price of WMCC has been revised quarterly, using an import parity- based Pricing Mechanism adopted by CCL as envisaged under New Coal Distribution Policy (NCDP) under which the CCL has been raising invoices to SAIL/RINL as per notified price. Due to non-execution of MOU for the Financial Year 2017-18 and onwards, SAIL/RINL requested to appointed an external agency for price fixation mechanism. Accordingly, CCL appointed PWC for fixation of a transparent import parity-based price mechanism and the matter is under process of finalization. However, under an interim arrangement w.e.f 28/07/2018, CCL agreed to supply WMCC at an ad hoc price of Rs 6500/- per tonne. Pending fixation of a transparent import parity- based price mechanism by external agency, SAIL had requested to implement the recommendations of external agency to be made applicable from 01/04/2017 instead of 28.07.2018. However, CCL decided that the price as determined by External Agency shall be applicable w.e.f 28/07/2018 and not retrospectively and accordingly, sales prior to applicability of ad hoc price, has been recognized at the quarterly revised notified price. (Para 7.15 to Note 38 to the Standalone Ind AS financial statements) In view of the above, no adjustments have been done for the amount remaining unpaid for the difference in price against the supplies made of WMCC by CCL to SAIL/RINL for the period from 01.04.2017 to 30.06.2018 amounting to Rs. 414.87 Crores. Our opinion is not modified in respect of this matter. d) Pending analysis of grade of contaminated clean coal of 17230 MT (previous year-83795 MT) is lying at Kathara Washeries since 1995-96 presently valued at NIL (Annexure to Note No. 12 Standalone Ind AS financial statements). e) We draw attention para 7.22 to Note 38 to the Standalone Ind AS financial statements, which explain the impact of COVID-19 pandemic on the company's operation and the results as assessed by the management. Our opinion is not modified in respect of the above matter. f) Refer to Para 7.16 to Note 38 to the Standalone Ind AS financial statements. Government of Jharkhand has raised a demand of Rs. 26218.15 crores against 36179.30 acres of Government land, under the command area of CCL. The tentative liability as computed by the CCL for compensation of Govt. Land subject to verification by state Authorities is Rs. 778.62 Cr. against 5392.75 acres of land. However, pending reconciliation with the state authorities, Jharkhand Govt., the total final liability payable against the compensation of Land, is presently not ascertainable. Our opinion is not modified in respect of this matter. Key Audit Matters Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements of the current period. AUDITORS' REPORT			MANAGEMENT'S REPLY
Sl.	Key Audit Matter	Auditor's Response	
1.	Stripping Activity Expense/ Adjustment In case of opencast mining, the mine waste materials ("overburden") which consists of soil and rock on the top of coal seam is required to be removed to get access to the coal and its extraction. This waste removal activity is known as 'Stripping'. In opencast mines, the company has to incur such expenses over the life of the mine (as technically estimated). Therefore, as a policy, in the mines with rated capacity of one million tons per annum and above, cost of Stripping is charged on technically evaluated average stripping ratio (OB: COAL) at each mine with due adjustment for stripping activity asset and ratio-variance account after the mines are brought to revenue. Net of balances of stripping activity asset and ratio variance at the Balance Sheet date is shown as Stripping Activity Adjustment under the head Non-Current Provisions / Other Non-Current Assets as the case may be. The reported quantity of overburden as per record is considered in calculating the ratio for OBR accounting where the variance between reported quantity and measured quantity is within the permissible limits. However, where the variance is beyond the permissible limits as above, the measured quantity is considered. Refer Note 21 to the Standalone Ind AS Financial Statements.	Principal Audit Procedures We performed the following substantive procedures: Obtained working data of Stripping Adjustment and checked that the total expense incurred during the year is allocated between Coal production and Overburden. Ensured about accuracy and completeness of expenses considered in calculation of ratio. Checked that the ratio variance is calculated on the basis of amount allocated to overburden and OB quantity extracted during the year correctly. Performed analytical procedures and test of details for reasonableness of expenses considered in stripping activity adjustment calculation. Checked that the accounting policy applied and management's judgments used for Stripping Activity Adjustment are appropriate. Audit Conclusion: Our procedures did not identify any material exceptions.	No Comments.
2.	Ind AS 115 "Revenue from Contracts with Customers" In the standalone Ind AS financial statements in respect of accuracy of revenue recognition and adjustments for coal quality variances involves critical estimates. The revenue recognized by the Company in a particular contract is dependent on the sale agreement / allotment in e-auction for the respective customer. Subsequent adjustments are made to the transaction price due to grade mismatch/slippage of the transferred coal.	Principal Audit Procedures: We have assessed the application of the provisions of Ind AS 115 in respect of the Company's revenue recognition and appropriateness of the estimated adjustments in the process. We have selected transactions on sample basis and tested for identification of contracts involving disputes relating to grade mismatch/ slippage with respect to the terms of the contract, evaluation of the satisfaction of performance obligation checking the adjustment to the revenue due to variation in transaction price	No Comments.

AUDITORS' REPORT		MANAGEMENT'S REPLY
3. Assessment of provisions and contingent liabilities in respect of certain litigations including direct and indirect taxes, various claims filed by other parties not acknowledged as debt.	The variation in the contract price if not settled mutually between the parties to the contract is referred to third party testing and the company estimates the adjustments required for revenue recognition pending settlement of such dispute. Such adjustments in revenue are made on estimated basis following historical trend. Refer to Note 24. to the Standalone Ind AS Financial Statements.	No Comments.
	A high level of judgment is required in estimating the level of provisioning. The company's assessment is supported by the facts of matter, their own judgment, past experience, and advice from legal and independent tax consultant wherever considered necessary. Accordingly, unexpected adverse outcomes may significantly impact the company's reported profit and net assets. Associated uncertainty relating to the outcome requires application of Judgment in interpretation of law. Refer Note 38 para 4(a)(i) to the Standalone Ind AS Financial Statements.	
	Audit Conclusion: Our procedures did not identify any material exceptions.	
4. Implementation of SAP system across the business in various stages.	Principal Audit Procedures: Our audit was focused on analyzing the facts of subject matter under consideration and judgments/ interpretation of relevant law. — Examining recent orders and/or communication received from various Tax authorities/ judicial forums and follow up action thereon. — Understanding the current status of the litigation/tax assessments. — Evaluating the merit of the subject matter under consideration with reference to the grounds presented therein and available independent legal / tax advice. — Review and analysis of the contentions of the company through rough discussion, collection of details of the subject matter under consideration, the likely outcome and consequent potential outflows on those issues. Audit Conclusion: Our procedures did not identify any material exceptions	
	Principal Audit Procedure: - Discussions were held with management to understand the system, the revised business processes, related controls and control activities based on the new SAP/ERP system, the Company's process surrounding implementation of the new IT system. - Obtained an understanding of the changes to significant business processes and key internal controls as well as IT general controls, IT access and segregation of duties. - In relation to the system migration itself, we reviewed the controls established over the implementation of new IT system and migration of key financial data from the legacy to the new IT system.	

AUDITORS' REPORT	MANAGEMENT'S REPLY
Due to the magnitude of the project and pervasive risks involved in migrating to a new ERP system and the figures and information generated under new system may have limitation and constraints of transitional phase this has been noted as a key audit matter. - Gained an understanding of, and assessed the work performed by Internal Auditor in order to place reliance on the work performed by Internal Audit; - Performed independent test of the data migration and reconciliation between legacy systems and the new IT system for a sample of general ledger, sub-ledgers, grouping sub grouping etc. and observed that the same are in compliance to the requirements of schedule III of the Company's Act, 2013. Audit Conclusion: Based on the procedures performed above the implementation of SAP has not resulted in material misstatement on the financial statements.

AUDITORS' REPORT

MANAGEMENT'S REPLY

In preparing the Standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibility for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion.

Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone Ind AS financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Ind AS financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Standalone Ind AS financial statements.

AUDITORS' REPORT	MANAGEMENT'S REPLY
We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication. Other Matter (a) We did not audit the financial statements / information of 11(Eleven) branches/ areas included in the Standalone Ind AS financial statements of the company whose financial statements reflect total assets of Rs. 7490.26 Crores as at 31st March 2022 and total revenues of Rs. 11984.59 Crores for the year ended on that date, as considered in the Standalone Ind AS financial statements. The financial statements/information of these branches/ areas have been audited by the Branch/ Area Auditors whose reports(revised) have been furnished to us, and in our opinion so far as it relates to the amounts and disclosures included in respect of these branches/ areas, is based solely on the reports of such Branch/ Area Auditors. (b) As per the Accounting policy "Company stipulates the defined contribution plan in which company pays fixed contribution into the fund i.e., Coal Mine Provident Fund constituted under an enactment of law. The Coal Mines Provident Fund and Miscellaneous Provision Act 1948 stipulates that employee deployed in a coal mine should have to be registered under Coal Mines Provident Fund and Coal Mines Pension Scheme regulated under the above act. The coal workers deployed by company in departmental mode are employees of company and are registered under the above act. However, the coal workers deployed in company's mines by its outsourcing contractors are registered under Employee Provident Fund (EPF) which is deviation & Non-compliance of provision of above Act. The matter is being dealt by CIL as a whole. (c) As per the clause 9.2 of Model Fuel Supply Agreement (FSA) & clause 8.2 of FSA with NTPC plants, it allows to charge coal transportation charges against the supply of coal to its customer located beyond the distance of 3 kms. CCL is charging the coal transportation charges for lead range of 0-3 km. However, some of the areas of NTPC has disputed the claims of transportation charges for the part of lead range of 0-3 kms taking plea of FSA clause. As such, as explained by management the outstanding from these plants are recoverable and therefore provision, if any, will be made after the outcome of AMRCD decision. Therefore, no adjustments have been done for the amount of Rs. 1.94 Crores as disputed by NTPC. As per minutes of the 3rd GM (F) Co-ordination meeting held on 05th April, 2022 at Coal India Limited, Coal Bhawan, the matter is taken up by CIL for resolution of dispute and pending with AMRCD. Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Subsection 3 of Section 143 of the Companies Act, 2013 ("the Act")

AUDITORS' REPORT	MANAGEMENT'S REPLY
We have audited the internal financial controls over financial reporting of 'Central Coalfields Limited' ("the Company") as of 31 March 2022 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date. Management's Responsibility for Internal Financial Controls The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013. Auditors' Responsibility Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.	

AUDITORS' REPORT	MANAGEMENT'S REPLY
Meaning of Internal Financial Controls Over Financial Reporting A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Ind AS financial statements. Inherent Limitations of Internal Financial Controls Over Financial Reporting Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate. Opinion In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However, further improvement is required in i) the documentation of Internal Financial Controls of the Company in respect of its risk assessment process, risk analysis of different functional areas and incorporating the process flows at departmental levels including risk mitigation in respect of insurance coverage, ii) strengthening of the monitoring of controls in respect of misc. expenses, confirmation/ reconciliation/adjustment of other financial assets, other current & non-current assets, trade payables & receivables, other financial liabilities and other current and non-current liabilities. Our opinion is not qualified in respect of the above matters.
