34. GEOLOGY DEPARTMENT

During the FY 2024-25, Geology Department at Central Coalfields Limited has successfully advanced its mission of exploring, developing, and managing coal resources, ensuring efficient production support, and contributing to the company's growth. Some of the major activities & achievements undertaken by the department are given below:

A. EXPLORATION & ITS ALLIED ACTIVITIES

The primary function of the Geology Department at Central Coalfields Limited is to monitor exploration work in CIL & additional CIL blocks within the CCL Command Area. This includes ensuring compliance with the approved Annual Work Programme and Indian Standard Procedure for Coal Resource Estimation 2022. The department oversees joint borehole depth measurements with CMPDI, monitors borehole spacing for promotional (800 x 800 m) and detailed (400 x 400 m) grids, and whether non-coring boreholes are supported with Geophysical Logging (GPL) for structure proving. It also ensures proper borehole density is maintained in the block, re-drilling of abandoned boreholes, scrutinizes bills & ensures accurate geological & geophysical data is incorporated in the Geological Report. Additionally, the department ensures timely submission of Geological Reports and re-appropriation of the Annual Work Programme, ensuring effective management of exploration activities for resource assessment and reserve categorization.

Work order was issued to RI-III, CMPDI as per the approved Annual Work Programme of Geology Department for carrying out exploration & its allied activities in CIL & additional CIL blocks within the CCL Command Area. In FY 2024-25, Exploration was planned to be carried out in Deonad Block in North Karanpura Coalfield (divided into five sub-blocks i.e. Deonad-I, Deonad-II(East), Deonad-II(West), Deonad-III(East), Deonad-III(West) for ease of exploration purpose & management), Gonda Block in North Karanpura Coalfield, South of Tapin Block in West Bokaro Coalfield & Patratu South Block (Consisting of three blocks namely Patratu South, Patratu South Ext. & Saunda D (SW)) in South Karanpura Coalfield.

B. GEOPHYSICAL EXPLORATION (GEOPHYSICAL LOGGING)

A total of 10 boreholes with an estimated meterage of 4145.62 meter were geophysically logged in Deonad-1 Block, North Karanpura Coalfield. Seismic Survey & resistivity Survey could not be completed due to law & order issues in Deonad-III(West) Block, North Karanpura Coalfield.

Geophysical logging Site visit & inspection of Geophysical logging in Deonad-1 Block, North Karanpura Coalfield by team of Geologists & Geophysicists from CCL.

Drilling site visit by HoD (Geology), CCL in SDOCM, East Bokaro Coalfield

C. GEOLOGICAL RESERVES

The inventory of Geological Resources of Indian Coal as on 01.04.2024 and up to a depth of 1200m prepared by the Geological Survey of India on the basis of resources estimated by CMPDI, MECL, GSI, SCCL and others is 389.42 BT. Geological Resources in CIL & Additional CIL Blocks of CCL Command Area are given below: -

(Figures in Billion Tonnes)

	Proved	Indicated	Inferred	Total
Total Coal Reserve	20.883	5.450	0.35	26.684

Out of 389.421 Billion Tonnes of geological resources of coal estimated in India, CIL Blocks of CCL Command Area has 26.68 BT as on 01.04.2024, which accounts for 6.85% of total reserves in India.

35. INFORMATION & COMMUNICATION TECHNOLOGY

CCL, in its constant endeavour for increased transparency, efficiency and optimal utilization of its resources, has used ICT in several business processes of the company effectively for overall growth and technological advancement.

The following key initiatives have been undertaken in FY 2024-25:

- For business process integration, ERP solution 'SAP' consisting of 7 modules i.e. Production Planning (PP), Project System (PS), Plant maintenance (PM), Human Capital Management (HCM), Finance & Control (FICO), Material Management (MM) and Sales & Distribution (SD), has been running successfully in a stable manner across the subsidiary. After implementation of ERP, many processes have been streamlined and completed in timebound manner bringing in transparency and accountability with reduced manual intervention.
- Medical Referral System Portal has been developed in order to generate referral documents for CCL employees to other hospitals, as well as enabling the facility of area-wise, hospital-wise and disease-wise tracking.
- JSSPS Dashboard has been developed for Jharkhand State Sports Promotion Society (JSSPS), Khelgaon for management of cadet's sports profile, academic performance, attendance system & periodic medical examination records.
- Coal India Ranchi Marathon 2025 Portal has been developed and integrated with Secured Payment Gateway to facilitate participants for seamless and secured registration with payment through all the available mode of payment e.g. UPI, Credit/Debit Card and Internet Banking resulting in broad participation.
- A portal has been developed for on-roll as well as retired employees of CCL to download ITR form-16 online.
- Legal Management System Software, a Timeline Legal Alert System, has been developed for various steps in the litigation process at CCL and is running successfully since August 2024.
- Cybersecurity is being given due attention because of its criticality in today's scenario. In order to raise awareness on Cybersecurity, Workshops on 'Cybersecurity' have been organized at HRD Center, CCL HQ for both on-roll and retired employees.
- All the weighbridges (Road Sale & Internal transport) functional across command areas of CCL are connected to Central SAP Server for seamless data transfer with failsafe mechanism for network failures.
- An API has been developed for weighbridge application resulting in enhanced internal capacity with respect to data exchange.
- E-auction of coal, e-procurement of goods and services are operational through central service provider of CIL. GeM portal is being used primarily for e-Procurement of Goods & Services as per availability. E-payment to employees & vendors and e-filing of grievances are in operation to embark upon the business process through IT initiatives.
- E-office application from NIC is operational across the subsidiary for enhanced business process

management of the organization with an aim to improve production, productivity and increased transparency.

12. In-order to improve productivity & efficiency across various business processes, Wide Area Network (WAN) in failsafe redundant mode is operational for effective SAP(ERP) implementation along with LAN at offices and Central Hospitals at CCL's command areas.
13. Corporate Mail Messaging System is in place and all officers of CCL have been provided with corporate email introduced from CIL.
14. Performance evaluation, Vigilance Information and

annual Property Return of all executives is recorded through web enabled systems centrally managed by CIL.

36. SECURITY MANAGEMENT

37. IMPLEMENTATION OF RAJBHASHA

Central Coalfields Limited (CCL), a leading subsidiary of

Coal India Limited, has been continuously striving for the widespread promotion and effective implementation of Hindi as the Official Language. Located in the Region 'A' on a linguistic basis, the company has remained committed to promoting the active use of Hindi in line with the directives issued from time to time by the Ministry of Home Affairs, Ministry of Coal, Government of India, and Coal India Limited, Kolkata. The integral approach of the Rajbhasha Department, CCL, towards policy and implementation has been rooted in motivation, encouragement, training, and dedicated efforts. During the financial year 2024-25, a range of policy-driven, training-oriented, technical, and cultural activities were undertaken to ensure maximum usage of Hindi in the company's official functioning, which yielded positive outcomes.

The key activities, achievements, and innovations of the Rajbhasha Department during the year under review are as follows:

I. Quarterly Meetings and Reviews:

To ensure the progress of Hindi implementation, four quarterly meetings of the Official Language Implementation Committee were held at the headquarters during the year. These meetings were chaired by the Chairman-cum-Managing Director/Director (HR). In each meeting, quarterly progress reports received from the headquarters and different areas were reviewed, and detailed discussions were held on the practical challenges faced in Hindi implementation, along with proposed solutions. In the corporate-level quarterly meetings, the departments/areas that demonstrated the best implementation of Hindi during the respective quarters, were recognized and were felicitated with the Rajbhasha Rolling Shield.

II. Publications:

To encourage creativity in Hindi, the Corporate Communications & Public Relations Department of CCL published the annual house journal 'Utkarsh' in Hindi. Its updated edition was released in May 2024. Additionally, a monthly e-magazine titled 'Apni Baat,' focusing on the company's monthly activities, is being published regularly.

III. Training Programs and Capacity Building:

The Rajbhasha Department placed special emphasis on training activities to strengthen Hindi implementation during the financial year. Six Hindi workshops were organized to enhance the linguistic proficiency of employees, offering both theoretical and practical training on topics such as:

- 'Kanthastha 2.0' machine translation system developed by C-DAC, Pune.
- Technical skills related to Hindi implementation in MS Office (Advanced Level).
- Potential applications of Artificial Intelligence in the context of Official Language usage.

Additionally, two five-day short translation training programs were organized at CCL headquarters in collaboration with the Central Translation Bureau, Ministry of Home Affairs, Government of India, during 03-07 September 2024 and 27-31 January 2025. Senior Executives (E-3 and above) were also nominated for advanced training programs conducted by the Bureau at its headquarters in New Delhi.

Specialized workshops were held for translation cadre, typists, and stenographers, focusing on the practical application of Unicode-supported Hindi typing systems.

IV. Participation and Achievements in TOLIC (Undertakings), Ranchi:

CCL actively participated in the activities organized under the aegis of Town Official Language Implementation Committee (Undertakings), Ranchi. Under the committee's annual award scheme, CCL was awarded first prize for best implementation of Official Language. The award was received by the Director (HR) on behalf of CCL. Furthermore, CCL participants performed exceptionally in competitions organized under TOLIC (Undertakings), Ranchi. CCL officials and staff showcased their talent in inter-PSU competitions such as singing, quiz, extempore, and book review writing by securing the following positions: Singing – First and Second, Quiz – Third, Extempore – First, Book Review Writing – Second. These achievements reflect the dedication and talent of the company's employees towards Hindi.

V. Cultural Initiatives to promote Rajbhasha:

Language and culture share an intrinsically interdependent relationship. To promote Hindi through cultural activities, the company organized a series of events aimed at enriching linguistic and literary engagement. On 21st September, commemorating the 50th death anniversary of the national poet Shri Ramdhari Singh 'Dinkar', the Dinkar Birth Month, and the eve of Dinkar Jayanti, a dedicated cultural event titled 'Rashmirathi Parv' was organized at the CCL headquarters. The occasion featured a recitation of 'Rashmirathi', a theatrical performance of the complete epic, an art exhibition, and a book exhibition—all designed to awaken and nurture the literary consciousness and

interest of employees. The event was inaugurated with the ceremonial lighting of the lamp by the Chairman-cum-Managing Director, Director (Personnel), and other dignitaries. A national seminar on the literary works of Shri Dinkar was also convened as part of the celebration.

Additionally, on 16.11.2024, an 'Akhil Bharteey Kavi Sammelan' was organized to mark the closing ceremony of 'Vigilance Awareness Week-2024', in which Padma Shri Surendra Sharma and other renowned poets from across the country enriched the event with their poetic recitations.

VI. Rajbhasha Pakhwaada:

The Rajbhasha Pakhwaada-2024 commenced on 14 September 2024 with the Fourth All India Official Language Conference held in New Delhi. During the fortnight, 43 competitions were organized at the company headquarters and area offices, which witnessed active participation from employees at all levels. Separate competitions were conducted for Hindi-speaking and non-Hindi-speaking employees to promote the use of Hindi.

With the aim of extending the scope of Rajbhasha activities beyond institutional boundaries to the broader CCL family, a special initiative was undertaken this year by organizing a competition for employees' spouses. Furthermore, an inter-school oral and written competition was organized by the Rajbhasha Department, CCL at the DAV School, Gandhinagar, Ranchi, in which students from around 20 private and government schools of Ranchi participated.

One notable event during the fortnight was the self-composed poetry recital competition, in which CCL's creative personnel showcased the emotional and creative power of Hindi through their original poetic works. Participants who performed exceptionally well were honoured with certificates, mementos, and cash awards determined by Coal India Limited (First Prize - ₹5000, Second Prize - ₹4000, Third Prize - ₹3000, Consolation

Prizes (two) - ₹800 each). In addition, around 100 participants were given participation awards to encourage more employees to work in Hindi and participate in Official Language activities.

During the closing ceremony, renowned literary figure Dr. Rita Shukla was conferred with the 'CCL Rajbhasha Bhaskar Samman-2024' in recognition of her contribution to Hindi literature. Departments and areas with exemplary implementation of Hindi during 2023-24 were also felicitated. Under the annual scheme "CCL Hindi Pustak Lekhan Protsaahan Yojna" two employees received cash awards for writing book in Hindi language.

These initiatives, reflecting a confluence of participation, creativity, and recognition, have enabled the Rajbhasha Department to integrate Official Language implementation at institutional, personal, familial, and societal levels.

VII. Digital Solutions and Assistive Literature:

To strengthen the technical aspects of Rajbhasha, the department has been consistently working not only in technical training but also in providing technical solutions within the company. The availability of Hindi software on all computers within the company has been ensured. Resources such as Hindi dictionaries, technical glossaries, and e-booklets like 'Rajbhasha Sahayika' and 'Karyalaya Sahayika' are already available on the CCL website. During the review period, a list of relevant short notes (Quick Notes) was also made available on the website. Additionally, 'Word of the Day' is regularly published on the homepage of the CCL website.

38. VIGILANCE DEPARTMENT

The Vigilance set up at Central Coalfields Limited is headed by a Chief Vigilance Officer, a director level officer appointed by the Government of India assisted by multi-disciplinary team of vigilance officers. General Manager (Vigilance) assist the CVO in carrying out the activities of the Vigilance Department.

PREVENTIVE VIGILANCE

I. During the course of investigation of complaints and while undertaking Surprise Checks by Vigilance Department, on the basis of irregularities detected in the prevailing system, preventive measures are recommended to the competent authority for System Improvement.

17 System Improvement Measures were recommended during the Financial Year 2024-25 to reduce the opportunities for corruptions.

J. Two Standard Operating Procedures has been implemented in the Command Areas of CCL:-

i. SOP for Maintenance and Operation of Road/ Rail Weigh Bridges has been implemented in Command Areas of CCL.

Ensuring the proper maintenance and operation of road and rail weighbridges is essential for safety, legal compliance, and operational efficiency. These weighbridges help prevent overloading, thereby reducing the risk of accidents and infrastructure damage, while also enhancing

logistics and contributing to fuel and resource savings.

ii. SOP for VTS- RFID based Vehicle Monitoring & Surveillance System

The implementation of a VTS-RFID based Vehicle Monitoring & Surveillance System significantly enhances efficiency, safety, and transparency. This promotes data accuracy and transparency by providing tamper-proof records of vehicle movements and loading/unloading activities. With real-time alerts and detailed reporting capabilities, the VTS-RFID system empowers operators to respond promptly to deviations or violations, ensuring smooth and secure mining operations.

A comprehensive alert resolution mechanism exists within the SOP which outlines the Responsibility Matrix, facilitates the reporting, analysis, and response to alerts generated by the GPS-based VTS.

K. 12 Vigilance Alerts were issued in the FY 2024-25 as a part of preventive vigilance measure so that areas of CCL remain well aware of the avoidable shortcomings.

PARTICIPATIVE VIGILANCE

P. Observance of Vigilance Awareness Week-2024

In compliance with the directives of the Central Vigilance Commission, New Delhi, **Vigilance Awareness Campaign - 2024** was observed with much zeal and enthusiasm in all the Projects, Areas, and Headquarters of CCL from **16.08.2024 to 15.11.2024**. As per the guidelines various awareness initiatives such as the display of posters & banners, outreach programs in Schools & Colleges, Gram Sabhas, Capacity Building Programs, Grievance Redressal Camps, Nukkad Nataks, Awareness March/ Cyclothons/Walkathons were organized in various command areas of CCL.

Apart from the events outlined by CVC, various other initiatives like Blood Donation Camps, Health Camps & Plantation Drives directed toward the benefit of employees & stakeholders were also conducted during the campaign period. These programs were conducted with the underlying objective to increase the participation of employees & stakeholders and

create a sense of Participative Vigilance. Major activities undertaken during vigilance awareness week 2024:

(i) Integrity Pledge:

The observance of Vigilance Awareness Week 2024 commenced with taking of **Integrity Pledge** by all the employees at CCL (HQ), Ranchi as well as in all the Areas and Projects/ units of CCL. At CCL (HQ), the pledge was administered by the CMD, CCL, CVO, CCL, and other functional directors on **28.10.2024**. A total of 13, 338 employees, students & other stakeholders took integrity pledge in various areas of CCL at 11:00 a.m. on 28.10.2024.

(ii) E-Pledge:

Comprehensive efforts were made to motivate and encourage employees, customers, contractors, citizens, and others to take the e-pledge. To support this, a hyperlink to the "Integrity Pledge" on www.cvc.nic.in was made accessible on the CCL website, and an e-pledge booth was set up at CCL HQ and various other locations from 28.10.2024. This booth was made available to assist officers, staff, workers, and citizens (including vendors, contractors, and contractual workers) in taking the e-pledge. While many employees had already taken the e-pledge in previous Vigilance Awareness Weeks, this year, **over 1200 individuals**—including executives, non-executives, suppliers, contractors, and citizens—participated in administering the pledge.

(iii) Vigilance Awareness Rath:

On 28.10.2024, CMD, CCL in presence of CVO, CCL and Functional Directors of CCL flagged off the "Vigilance Awareness Rath" from CCL (HQ). The Rath (vehicle) covered all around with display banners with anti-corruption and awareness slogans, pictures, messages, etc. imprinted on it traversed through the residential areas of Ranchi. It was also replicated in 19 Areas & establishments of CCL located in 8 Districts (Ranchi, Ramgarh, Hazaribagh, Bokaro, Giridih, Chatra, Latehar, Palamu) spanning over 2600 Sq. KM.

(iv) Vigilance Awareness March:

Following the flag-off of the Rath, a Vigilance

Awareness March was organized at CCL (HQ) in Ranchi to raise public awareness about the existence, causes, and dangers of corruption. Over 800 participants joined the rally, holding placards with thought-provoking slogans. The march was flagged off by the CMD of CCL, Shri N.K.Singh and was attended by the Functional Directors of CCL, and the CVO of CCL. Similar Awareness Marches, Cyclothons, and Walkathons were held in various areas of CCL.

(v) Nukkad Natak at HQ and Areas:

As part of the Vigilance Awareness Campaign 2024, street play was organized by professional artists at CCL HQ and eight other prominent locations in Ranchi, centered around the theme "Culture of Integrity for Nation's Prosperity." The play conveyed the message that adhering to moral and ethical principles can create a society that is honest, transparent, and accountable. In addition, Nukkad Natak (street plays) were performed by school students and groups of employees in various areas of CCL.

(vi) Outreach Events in Schools & Colleges

During the campaign, a major thrust area was to create awareness about vigilance in the young minds of school & college students. From 17.10.2024 to 26.10.2024, 8 government & private schools were visited by officials of Vigilance Department, CCL & various programs like Quiz, Essay Writing, Speech, Drawing & Slogan writing were organized for the students. More than **500 students** participated enthusiastically in the events organized by CCL Vigilance department.

Similarly, more than **100 schools & colleges** participated in the events organized by various areas of CCL making the outreach initiative a major success.

(vii) Awareness Gram Sabhas:

A total of **13 Awareness Sabhas** were held in different areas of CCL, with participation from local leaders such as Mukhiya, Sarpanch, villagers, students, and others. During these gatherings, a mass pledge was administered to the villagers, and discussions were held to raise awareness about vigilance matters and the various welfare measures CCL has undertaken for its stakeholders.

(viii) Workshops/ Seminars at CCL (HQ) and different Areas:

Capacity Building programs as mandated by CVC on different topics were held in CCL HQ during Vigilance Awareness Campaign on below mentioned topics.

1. Procurement
2. Ethics and Governance
3. System and Procedures of the Organization
4. Cyber hygiene and Security
5. Conduct Rules

Workshops and Seminars on tendering process, CDA rules, Implementation of Standard Operating Procedures, CSO, Road Sale Guidelines 2023 were also organized in Areas independently.

(ix) Grievance Redressal Camps:

In line with the directions of CVC, Grievance redressal camps for employees, contractors & other stakeholders were held at various areas of CCL. During the campaign 10 redressal camps were organized in CCL with a motto to expedite the redressal process of grievances.

(x) Blood Donation Camps:

To boost stakeholder participation and align the campaign with the meaningful cause of saving lives, blood donation camps were organized at CCL HQ and across various command areas. Employees, contractual workers, and other stakeholders enthusiastically took part, donating blood at **16** different camps held throughout CCL. In total, **810 units of blood** were collected during the campaign.

(xi) Health Camps:

Health camps were organized during the campaign for villagers, students of schools & employees providing essential healthcare services and medical support. These camps aimed to offer free consultations, screenings, and treatments for common health issues, ensuring better access to healthcare for the local community. This year, special focus was given to increase female students' awareness of the importance of hygiene & the associated benefits.

A total of **37 health camps** were organized in CCL, and more than 5000 stakeholders benefitted directly from these health camps.

(xii) Plantation Drive:

Under “एक पेड़ माँ के नाम” (स्मृति-तरु) initiative of Vigilance department, 3450 fruit-bearing saplings were planted in various areas of CCL. This initiative was aimed at creating awareness among employees & stakeholders regarding Vigilance and at the same time giving back to Mother Nature by planting fruit-bearing saplings.

(xiii) Observance of Vigilance Awareness Week in the 14 different Areas of CCL and 5 independent units:

The observance of Vigilance Awareness Week in the different Areas of CCL also commenced with the pledge ceremony on **28th October, 2024 at 11.00 AM**. The pledge was administered by the Area GM/ the senior-most officer of the Unit/Area. **Banners and posters** containing thought-provoking slogans were displayed at important places in all the units/offices/ areas. The Vigilance awareness rally, cyclothons and bike rallies were also organized in all the above Areas of CCL. Human Chain was also formed in areas of CCL.

(xiv) Closing Ceremony of Vigilance Awareness Campaign - 2024

The closing ceremony of VAC-2024 was held on 16.11.2024 in the presence of CMD, CCL CVO, CIL & other Functional Directors of CCL. The prizes were given to winners of various events conducted at CCL HQ. Prizes were also distributed for the best area & best nodal officer in the closing ceremony to the Areas & officers who performed remarkably well during the campaign.

All Nodal Officers of areas were also felicitated for their active participation to conduct various events during the campaign period. Vigilance year book “**Vigi Gyaan**” was also unveiled by all the dignitaries present in the closing ceremony.

A Kavi Sammelan was organized during the Closing Ceremony to mark a great end to a fabulous campaign aimed at promoting preventive vigilance. Renowned Kavi “Padmashri” Shri Surendra Sharma graced the occasion & enthralled the audience with his wit & humour.

Coverage of the events was also given in the leading newspapers having wide circulation in the state.

Q. Progressive Vigilance

The Vigilance Department has proactively conducted many area visits across CCL. Key outcomes based on the visits are as follows:

1. E-Auction of Abandoned/ Unused Civil Structures

A pioneering policy enabling seamless auction of old, abandoned, and damaged Residential, Welfare, and Service buildings has been introduced. The disposal of such structures will not only lead to revenue generation and optimal land utilization but will also lead to enhanced Safety of dwellers / commoners and freedom from illegal encroachment.

2. Improvement in quality of Dispatched Coal

- (i) All the laboratories within the command zone of CCL have been accredited by NABL (National Accreditation Board for Testing and Calibration Laboratories). This accreditation confirms their ability to produce accurate and reliable test results.”
- (ii) Proper demarcation of different grades of Coal at stockyard and sidings
- (iii) 96% grade materialization based on third party results has been achieved. The chart depicting improvement in Coal Quality of CCL is as below.

The grade materialization (%) based on 3rd party results (2024-25vis-à-vis 2023-24 is as below.

Grade	Feb'24	Feb'25	% Growth
Materialization (%)	89%	96%	7.87%%

- (iv) A Standard Operating Procedure (SOP) for Coal Quality Management has been issued by CCL Headquarter.

3. Reduction in Low Value Tenders

- (i) Low Value Tender or Manual (Offline) Tenders (Tender Value < 2 Lakhs) has been a serious issue of concern, as they often lead to increased time consumption, higher costs, and greater manpower requirements.

The Vigilance Department initiated efforts to reduce the number of such tenders.

4. Reduction in Manual (Offline) Tender

Manual (Offline) Tenders (Tender Value < 2 Lakhs) has been a frequent source of complaints, as they make the tendering process more resource-intensive. Due to efforts of Vigilance Department the number of such tenders has been reduced.

Financial Year	No. of Manual Tenders	Percentage Reduction (In Nos.)
2022-23	465	--
2023-24	137	70%
2024-25 (Till Feb'25)	98	28%

5. Digital Initiatives

- (i) Continuous monitoring of digital initiatives has helped area to understand and implement SOP circulated by CCL.

- (ii) Installation of VTS/Rfid and Integrated Command Control Centers (ICCC) is in advance stage.
- (iii) Alerts redressal mechanism for reporting, analyzing and responding to the alerts generated in the GPS based VTS has enhanced operational efficiency and safety.
- (iv) Implementation of Electronic Measurement Book (e-MB) in Civil Engineering Works is further a step towards more transparency.
- (v) The software testing for direct data transfer from digitizer to cloud server of Railway (CRIS) has been done successfully by Rail WB vendors of CCL. The weighment software will be hosted on CRIS cloud server shortly.
- (vi) Both-end weighment facilities are currently available in 12 out of 14 Areas of CCL. The receiving-end weighbridges in the remaining 2 Areas (A&C and M&S) are in the final stages of installation and commissioning.
