

APPRENTICESHIP TRAINING UNDER THE APPRENTICES ACT, 1961 & APPRENTICESHIP RULE 1992:

As per The Apprentices Act, 1961 makes it obligatory for establishments employing more than 30 manpower to provide apprenticeship training to apprentices. The same is regulated under the following two Schemes:

- (i) National Apprenticeship Promotion Scheme (NAPS) and for diploma/ degree holders and under
- (ii) National Apprenticeship Training Scheme (NATS) for ITI pass outs, graduates/ diploma holders, those pursuing graduation/ diploma and fresh apprentices.

Objectives: Various objectives of the schemes are cited below,

- a) Skill Development
- b) Workplace Integration
- c) Industry-Relevant Training
- d) Employability Enhancement
- e) Industry Collaboration

In essence, the apprenticeship program strives to create a win-win scenario by nurturing the budding talents of individuals and addressing the skill requirements of coal industries, contributing to the overall socio-economic development by building a highly skilled and adaptable workforce.

The aforesaid apprenticeship schemes are aimed to enhance skill development through bridging the gap between theoretical and practical knowledge by providing hands-on-training to apprentices in industries to acquire valuable work experience to increase their opportunities for employment.

CCL has successfully implemented the schemes since 2018-19 and engaged more than 8000 nos of apprentices over a period of five years embracing 25 trades including medical, finance and engineering.

CCL was also not only awarded '**Establishment for the year 2021**' by Board of Practical Training (BOPT), Eastern Region but also ranked first amongst CIL subsidiaries and second in Jharkhand State in providing training to fresh apprentices under Basic Training Provider (BTP) during Covid-19 period.

CCL has 04 nos of registered Basic Training Provider (BTP) with Ministry of Skill Development & Entrepreneurship (MSDE),

1. Gandhinagar Hospital - Medical Trades
2. MTC HRD, CCL - Computer Science Engineering
3. BTTI, Bhurkunda - Mining & Electrical Engineering
4. CETI, Barkakana - Mechanical Engineering

The achievement of HRD department in apprenticeship training during 25-26 is as follows:

Apprenticeship Engagement in FY 2025-26:

SCHEMES	ANNUAL TARGET	ACHIEVED	PERCENTAGE ACHIEVEMENT	REGULATING BODY
NAPS	592	592	100 %	Ministry of Skill Development and Entrepreneurship (MSDE)
NATS	588	588	100 %	Ministry of Education
Total	1180	1180	100%	

INTERNSHIP TO WARDS OF CCL EMPLOYEES AND STUDENTS UNDERGOING PROFESSIONAL COURSES :

CCL, as a part of its social obligation, has been extending internship facilities to wards of CCL employees undergoing professional courses as also to local students of educational institutions and stake holders for their practical exposure to diverse fields such as mining, civil, electrical, mechanical, systems, sales and marketing, legal, human resource management, industrial relations,

corporate social responsibility, welfare etc free of cost since long.

During the year 2025-26, internship training has been offered to the students which has proved to be beneficial to them for pursuing their future career and prospects. The relevant details of internship / on-the-job training imparted by CCL during 2025-26 is as under:

Department	No. of Students
System	269
Finance	275
P & IR	68
Medical	110
Others (Legal, CSR, Civil, PRO, Mines etc)	1773
Total	2495

SPECIAL ACHIEVEMENTS DURING THE YEAR 2025-26:

Some of the special achievements of HRD department during the year 2025- 26 are as follows:

1. Total 23 Capacity Building Training Programs has been conducted involving 1063 concerned officials on the topics Weighbridge Operations and Maintenance, Excavation, E & M Officials, Coal Dispatch Work, Mining Contracts, Civil Contracts, Finance, Procurement, Post Contract Management, Disciplinary Action, Conduct Rule, Cyber Security, IT Initiatives, Fuel Management & SDC and Mining and MSME, GeM, HR & ERP.
2. 02 Training Program on "Reservation Policy and Maintenance of Roster Register" which includes 109 participants. Another training program on "Reservation Policy and Maintenance of Roster Register" incorporating 63 concerned officials on 23/12/2025 by Sri Sandeep Mukherjee, Director, DoPT, Gol.
3. Training Program on "New Labor Codes (Upcoming)" which includes 79 participants and Awareness Program on Labor Law & Labor Code including 35 participants. Two training programs on the New Labour Codes were conducted on 03rd and 04th December 2025, covering recent labour law reforms and implementation aspects. The programs were attended by 176 participants, including SOHR, HR Officers, all HoDs of HQ and JCSC/ACC members. The sessions were facilitated by Sri Onkar Sharma, Ex Chief Labour Commissioner (Central), Government of India, and focused on awareness, compliance requirements, and effective implementation of the New Labour Codes.
4. The i GOT Karmayogi scheme is aimed at the continuous knowledge upgradation of government employees through a variety of online courses offered by reputable agencies. This initiative seeks to enhance the skill sets of government employees, ensuring their capacity to meet the evolving challenges of public service. The details regarding the i GOT Karmayogi is given below (as on 31st March 2026),
 - a) Total numbers of employee registered: 5470
 - b) Total numbers of courses completed: 61934
 - c) Total numbers of courses in-progress: 8968
 - d) Total no of employees completed Know Your Ministry- Ministry of Coal: 1957

- e) Total no of employees completed Know Your Company- Central Coalfields Limited: 1639
5. PM Internship Scheme: The PM Internship Scheme is a strategic initiative aimed at providing valuable internship opportunities for students from aspirational and other districts. The goal is to offer hands-on training, enhancing students' skills and providing them exposure to the workings of government institutions. The details of PM Internship Scheme are given below (as on 31st March 2026).
- a) Phase I of the PMIS has been successfully

completed. A total of 49 interns completed the internship, gaining substantial industrial experience along with a limited component of classroom learning. The interns are now receiving their digital certificates through the PMIS portal.

- b) During Phase II, 37 interns are continuing with the training process.
- c) Phase-III- Under Process.

29. EMPLOYEES WELFARE

1. Introduction

The Welfare Department of CCL has consistently focused on the holistic development of employees and their families. The approach integrates multiple dimensions including health, education, sports, sanitation, and social well-being.

The department continues to undertake its assigned responsibilities with dedication, ensuring effective implementation of welfare initiatives and promoting a better quality of life for employees

2. Objectives

- To provide better health and living conditions to employees.
- To enhance employee satisfaction and well-being.
- To improve intellectual, cultural, and material standards of living.

3. Major Activities in FY 2025–26

3.1 Welfare & Social Initiatives

- Successfully organized **International Day of Yoga 2025**, with participation exceeding 1000 individuals at Piparwar Area, along with celebrations across all command areas.

- Organized **Welfare Camps** for contractual workers to promote awareness of welfare schemes of nationalized banks.

- Organized **Health Camps** under Swachhata Hi Sewa, providing medical check-ups and healthcare services to contractual workers.

- Celebrated **Janjatiya Gaurav Varsh 2025** with enthusiasm across CCL.

3.2 Infrastructure & Development

- Initiative taken for opening of **Kendriya Vidyalaya, Dakra (NK Area)**

- Establishment of **7 new crèches** across command areas.

- Installation of **108 Female Bio-Toilets** in various areas.

3.3 Sports & Cultural Activities

- Successfully organized **CIL Inter Company T-20 Cricket Tournament (Feb 2026)** at MECON Stadium
- Conducted **Inter-Area Female Badminton & Table Tennis Tournament**
- Conducted **Inter-Area Male Badminton & Table Tennis Tournament**
- Organized **Inter-Area Sports & Cultural Meets** as per annual calendar
- Conducted **Summer Camp (Volleyball & Cricket)** with participation of 198+ wards

3.4 Employee Welfare Measures

- Payment of tuition fees and hostel charges for **44 wards of employees**

3.5 Central Coalfields Employees Benevolent Fund Society (CCEBFS)

- Distribution of **872 Odyssey Sail utensil sets** worth ₹74.04 lakhs to superannuated employees who were members of CCEBFS.
- Disbursement of **₹346.29** lakhs as relief after death .

3.6 Education Support

- Financial grant provided:
 - ₹4,33,28,760 to Kendriya Vidyalaya, Rajendra Nagar
 - ₹10,01,16,261 to 7 DAV Schools.
 - Infrastructure support provided to 7 DAV Schools in command Ares of CCL.

3.7 Special Events

- Inauguration of **NAMO Uddyan, Gandhinagar Colony** by Hon'ble Minister of State for Defence.

Special Achievements of CCL in CIL Inter-Company Sports (2025-26)

- CCL Cricket Team – **Winner**, CIL Inter Company Tournament

- CCL Hockey Team – **Runner-Up**
- CCL Women Badminton Team – **Runner-Up**

Conclusion

The Welfare Department has made significant contributions during FY 2025-26 towards improving employee welfare, strengthening infrastructure, and promoting sports and cultural activities. The initiatives undertaken reflect CCL's commitment to the holistic development and well-being of its workforce.

30. CORPORATE SOCIAL RESPONSIBILITY

Central Coalfields Limited (CCL), a Mini-Ratna subsidiary of Coal India Limited, integrates Corporate Social Responsibility (CSR) into its core business strategy to promote inclusive and sustainable development. Operating across key districts of Jharkhand, CCL focuses on improving the quality of life of communities, particularly in its command areas, through targeted interventions in healthcare, education, livelihood, infrastructure, and environmental sustainability.

CCL's CSR initiatives are mainly concentrated in eight Aspirational Districts of Jharkhand—Ranchi, Ramgarh, Chatra, Latehar, Palamu, Giridih, Hazaribagh, and Bokaro—where a substantial population belongs to marginalized communities. These initiatives are implemented in line

with the CCL CSR Policy, Companies Act, 2013, Companies CSR Policy Amendment Rules, 2021, and guidelines issued by DPE. As per the policy, CSR expenditure is mandated at a minimum of 2% of the average PBT of the previous three financial years or ₹2 per tonne of coal production, whichever is higher.

For FY 2025-26, the CSR target was ₹74.25 crore, considering statutory provisions and set-off of excess expenditure made in previous year. During the year, CCL incurred a total CSR expenditure of ₹85.93 crore, with nearly 94% directed towards Aspirational Districts, reflecting its strong commitment to inclusive and sustainable regional development.

Sector-wise CSR Expenditure

Sector	Expenditure in Rs. Cr.
Eradicating hunger, poverty and malnutrition	12.55
Promoting education and Skill Development	30.19
Environmental sustainability	3.56
Sports Promotion	9.45
Contribution to incubators or R&D projects	0.91

Sector	Expenditure in Rs. Cr.
Rural development projects	3.95
Disaster management,	0.05
Drinking Water	5.82
Health care	12.96
Sanitation	1.98
Welfare of senior citizen	0.10
Others	4.41
Total	85.93

Screening of children under Nanha sa Dil

1. Health Care and Nutrition (Major Projects)

1.1. Healthcare of Villagers in Command Areas

Comprehensive healthcare services are extended to project-affected persons and surrounding communities through Jan Arogya Kendras, central hospitals, CSR dispensaries, and large-scale health camps, supported by dedicated doctors and paramedical staff of CCL.

Regular School Health Camp

During FY 2025–26, 891 health camps served 255029 beneficiaries out of which around 1.5 lakhs beneficiaries were covered in the Mega Health Camp during Sawan Mela Deoghar. Specialized health camps (TB/Cancer/Eye etc.) including mega camps significantly improved access to quality healthcare services, particularly in remote and

underserved operational areas.

1.2. Centralised Kitchen, Ramgarh

The Centralised Kitchen at Ramgarh is being set-up in collaboration with the Akshaya Patra Foundation with a total investment of ₹15.09 crore. Designed to serve 50,000 nutritious mid-day meals daily to government school students, the project aims to enhance child nutrition and encourage school attendance. Construction is under completion stage.

Centralised Kitchen, Ramgarh

1.3. Nikshay Mitra with CINI (Child In Need Institute)

Under the Nikshay Mitra initiative, implemented with Child In Need Institute, monthly poshan kit is being provided to all consented TB patients of Chatra and Latehar. Around 5,140 tuberculosis patients will be covered with as allocation of ₹2.93 crore. By March 2026, 3,574 beneficiaries have been covered and registered on the Government of India's Ni-kshay portal, ensuring systematic tracking, timely intervention, and improved treatment outcomes for affected individuals.

Ni-kshay Mitra for TB campaign

1.4. 'Nanha Sa Dil' – CHD Screening & Treatment

This initiative, undertaken in collaboration with Sri Satya Sai Health and Education Trust, focuses on early detection and treatment of congenital heart disease (CHD) among children, with a project cost of ₹9.54 crore. The programme targets screening of over 45,000 school children and providing free surgeries to 500 children identified with CHD. By March 2026, 39,266 children have been screened, and 115 life-saving surgeries have been successfully conducted with a facility of follow up visits.

Beneficiary of Nanha sa Dil

1.5. Project Aditi – Sickle Cell Screening

Project Aditi addresses Sickle Cell Anaemia in Keredari block of Hazaribagh district through screening, awareness, and follow-up care, in partnership with the

Society for Nature Education and Health. With an outlay of ₹2.82 crore, the initiative targets 30,000 individuals. Till March 2026, 15,908 persons have been screened, leading to identification of 262 affected individuals who are receiving necessary nutritional and medical support, tracking and reporting to Block Medical Officer.

Screening camp of Sickle Cell Anaemia

1.6. Upchar Aapke Dwar

Doorstep healthcare services are being delivered through Mobile Medical Units (MMUs) under the "Upchar Aapke Dwar" initiative. Currently, three MMUs are operational across 56 villages in Chatra, and Hazaribagh districts. The programme ensures timely medical assistance in remote locations, reducing dependence on distant healthcare facilities and improving accessibility.

Health Camp through MMU

1.7. Dialysis Facility at Nagarmal Modi Sewa Sadan

In 2025-26, CCL extended CSR support to Nagarmal Modi Seva Sadan, Ranchi, for installation of dialysis facilities. With a financial contribution of ₹96.03 lakh, 10 haemodialysis machines, a reprocessing unit, and a water filtration system were set up. This initiative will provide affordable dialysis services to nearly 7,500 patients annually, significantly improving access to critical

healthcare for poor and needy communities in Ranchi and adjoining districts.

Dialysis Facility at Nagarmal Modi Seva Sadan

1.8. PRAVAH – Nutrition Support Programme, Chatra

The PRAVAH initiative focuses on improving nutritional status among women and adolescent girls in three blocks of Chatra district. Through the provision of fortified food and targeted awareness sessions on maternal and child health, the programme addresses malnutrition and anaemia. It also promotes better hygiene and childcare practices, resulting in improved health awareness and overall well-being among beneficiaries.

Training to women on nutritional health

1.9. Arogya Seva Kendra, Jonha – Hospital & Ambulance Support

Healthcare services in the remote tribal village of Jonha are being strengthened through support to a 10-bedded Arogya Seva Kendra, along with provision of an ambulance facility. Implemented by Seva Bharti with a project cost of ₹41.54 lakh, the initiative provides free consultation, medicines and emergency services to nearly 5,000 tribal residents, significantly improving healthcare accessibility in the region.

Health Camp at Arogya Seva Kendra, Jonha

2. Education

2.1. State-of-the-Art Library, Ranchi

The upcoming State library in Ranchi, with an investment of ₹65 crore, is envisioned as one of the largest academic hubs in Jharkhand, with a seating capacity of 1840, it is expected to benefit up to 5000 users in a day. The library has Reading halls, E-Resource & Journal section, Conference Room, Digital Library section, Cubicles for group study, Meeting Rooms, Meditation Centre, Cafeteria etc. for students, researchers, aspirants of competitive exams. It will have section for senior citizens and children also. Major portion of the structural work has been completed.

State-of-the-Art Library under Construction

2.2. CCL Ke Lal and Laadli

This flagship initiative supports talented students from economically weaker backgrounds by providing comprehensive assistance for engineering entrance preparation, including free coaching, schooling, hostel, and healthcare. Out of 308 students supported through the scheme, 219 have secured admission in engineering courses. Currently, 80 students are undergoing training, with an average annual cost of around ₹1.80 lakh per student.

CCL Ke Lal and CCL Ki Laadli

2.3. PM Panchayat Scheme

The PM Panchayat Scheme, with a budget of ₹4.36 crore, focuses on strengthening infrastructure in 25 government schools in Ranchi. Facilities covered under scope include solar rooftops, girl's toilet & MHM Library, solar deep boring & RO water purifier, kitchen utensils and dining shed. Work has been completed in four schools, contributing to improved learning environments and promoting sustainable and hygienic school ecosystems.

Dining Shed in Govt. School under PM Panchayat

2.4. Establishment of STEM Labs in Government Schools

In CCL M&S Area, STEM laboratories have been set up in eight government schools through EdCIL at a cost of

₹75 lakh. These labs promote experiential learning by enabling students to explore, experiment, and collaborate. The initiative strengthens conceptual understanding, enhances classroom engagement, and fosters scientific temper, innovation, and curiosity among students.

STEM Labs in Govt. school, M&S Area

2.5. Pradhan Mantri Internship Scheme

Through the Pradhan Mantri Internship Scheme, structured internship opportunities are provided to youth across operational areas, offering hands-on training, industry exposure, and professional mentorship. The initiative focuses on enhancing employability by building practical skills, strengthening competencies, and preparing young individuals for future career opportunities. In the FY 2025-26, 41 youths were trained under the PMIS scheme.

2.6. Provision of Safe Drinking Water

Efforts to improve access to safe drinking water in remote and mining-affected villages have been undertaken through installation of borewells, solar-powered deep borewells, hand pumps, wells, and water purification systems. These interventions ensure reliable and year-round availability of potable water, reduce the incidence of water-borne diseases, and significantly improve the quality of life for underserved and tribal communities.

Details of Drinking water sources developed in the FY 2025-26 are as below:

Nature of Activity	Units	Expenditure in FY 2025-26 (Rs.in Lakhs)
Aqualine Bhungru	1	15.52
Deep Boring	40	210.89
Hand pumps	14	5.21
Solar powered overhead water tank	1	114.78
Solar Powered Deep Boring	76	223.67
Submersible pump	1	0.89
Water Purifier	22	31.13
Well	10	4.72

Solar Powered Deep Boring

3. Skill Development & Livelihood

3.1. Integrated Community Development Project

Implemented by BAIF Institute of Sustainable Livelihoods and Development, this 3-year project having outlay of ₹5.41 crore, covers 9 villages in Hazaribagh to promote sustainable livelihoods through agriculture, livestock, irrigation facility, and microenterprise development. The project outcomes include breed improvement of cattle through Artificial Insemination. 96% calves born by sorted semen process are female cows improving the dairy economics of the farmers. Robotic solar pumps and solar powered lift irrigation system have provided assured irrigation facilities to more than 500 families resulting in round the year crop cultivation instead of rainwater dependent farming traditionally practiced. Common village infrastructure such as solar street lights and solar powered RO water has significantly improved the lifestyle of almost 5000 villagers. All the activities carried out in the project are women led, targeting economic and social emancipation of women living in the villages.

Solar Powered Lift Irrigation system

3.2. Business Computer Applications Training

A skill development programme conducted with ICA Foundation aims to provide training in Business Computer Application with assured placement to 325 candidates.

With an investment of ₹1.6 crore, 100 candidates have been trained so far, of which 88 have been successfully placed. The initiative offers promising employment opportunities with salaries ranging from ₹12,000 to ₹33,000 per month.

3.3. Jute Training Programme, Ranchi

A market-linked skill development initiative is equipping 80 women from ST/SC/OBC communities with practical skills in jute product manufacturing (Bags, Files, Ornaments, water bottle holder etc.). With a project cost of ₹38.06 lakh, the programme combines training, production, and market linkage, enabling women to achieve financial independence and engage in sustainable livelihood activities. Presently, the products are marketed in local markets as well as through online portal.

Jute product manufacturing

3.4. SHG & FPC Livelihood Initiative – Sistry Foundation

The Sistry Foundation is providing agriculture and allied sector-based livelihood training to 300 beneficiaries in Benti Panchayat of Chatra District. Training has been provided on Goatery, bee keeping, piggery, poultry, mushroom cultivation along with distribution of live stocks. 15 SHGs have been formed and 1 Farmer Producing company has been created. With a project cost of ₹36.96 lakh, it provided empowerment to the farmers and the women.

Distribution of Mushroom Kits to beneficiaries

3.5. Unnat Krishi -Smart Agriculture Project

The Unnat Krishi project in Runro village supports 200 farmers with modern agricultural practices and real-time advisory services. With an investment of ₹95.05 lakh, the scope covers auto-irrigation along with setting up wireless weather stations system, soil moisture meters, poly house, drones for spraying insecticides, generator and vehicle to carry drone, skill training on Fishery, Duckery, Goatery, and drone operation (with license). An FPO has been formed to take up the initiatives for collective use.

The initiative enhances productivity, optimizes resource utilization, and promotes climate-resilient farming, resulting in improved farm efficiency and increased incomes by around Rs. 8,000/- to Rs. 10,000/-

Spraying through Drone

3.6. TRIBAL HAAT Initiative

A one-year skill development initiative in Ramgarh district trained 200 tribal artisans in traditional crafts (Dokra, Bamboo Art, Jute and Sujani Art) with an outlay of ₹48.72 lakh. The project facilitated formation of 20 SHGs, bank linkage, issuance of artisan cards, and establishment of market channels, including a dedicated website. A second phase has been initiated for additional beneficiaries in Hazaribagh district.

3.7. Sanitary Pad Production Initiative for Women's Health and Livelihood

Through a CSR initiative of CRS Barkakana, sanitary pad production machines have been installed in Kander and Piri Panchayats of Patratu block, Ramgarh. The project improves access to affordable hygiene products for women and adolescent girls while being managed by local SHG groups. It promotes menstrual health awareness and creates livelihood opportunities, with sustained impact dependent on active community participation.

Sanitary Pad Production Unit

3.8. Natural Dye & Handloom Weaving Training

A handloom-based livelihood initiative was undertaken at Tapin, Hazaribagh through Marsal Prathmik Bunkar Sahyog Samiti Ltd., benefiting tribal Santhal women through loom installation, natural dye and weaving training, and production cluster development. The project was later expanded with additional looms, dyeing facilities, and a work shed to enhance production capacity. The initiative has received recognition from TRIFED at the national level and there are plans for sale of products at various national level platforms.

Handloom Unit

4. Sports Promotion

4.1. Sports Academy Hotwar

CCL signed an MoU with the Government of Jharkhand on 17.06.2015 to establish Jharkhand State Sports Promotion Society (JSSPS), operational since April 2016 on a 50:50 cost-sharing basis. With intake through state-wide trials for children aged 8–12, the academy currently nurtures 251 cadets (108 boys, 143 girls) across 11 academies, 8 of which are Khelo India accredited. Cadets have won 2,123 medals, including 15 international, as of 31.03.2026. Supported with world-class infrastructure, education, medical care, and stipends, CCL contributed ₹4.84 lakh per candidate annually, fostering holistic sports development in Jharkhand.

Cadets of Sports Academy

5. Environment & Animal Welfare

5.1. Tree Ambulance Initiative

The Tree Ambulance initiative focuses on scientific diagnosis and treatment of diseased trees across Ranchi and surrounding areas. Implemented with Ayushmati Education and Social Society, the project enhances tree survival, improves green cover, and promotes environmental awareness among communities, contributing to long-term ecological sustainability.

Treatment of Infected Tree

5.2. Promotion of Green Energy

Promotion of renewable energy solutions is being undertaken through installation of solar street lights, solar-powered water systems, and electrification in remote villages. These initiatives reduce dependence on conventional energy sources, improve energy access, and contribute to environmental conservation while enhancing the quality of life in underserved regions.

Details of some of the green initiatives are as below:

Nature of Green Initiative	No. of Units	Expenditure in FY 2025-26 (Rs. In Lakhs)
Installation of Solar powered Deep Boring	75	223.67
Solar powered overhead water tank	1	114.78
Installation of solar street lights	520	54.98

5.3. 'Ashray' – Animal Shelter & Ambulance

"Ashray" aims to establish a rehabilitation and treatment shelter for stray animals along with a 24x7 emergency ambulance service. With a budget of ₹79.42 lakh, the shelter construction is 95% complete, while the ambulance has been refurbished. The project promotes animal welfare and ensures timely medical care for injured and abandoned animals.

Treatment of stray animals

6. Sanitation

6.1. Swachhta Pakhwada & Swachhta Hi Seva (2025-26)

During FY 2025-26, Swachhta Pakhwada and Swachhta Hi Seva were actively observed across operational areas, emphasizing cleanliness, hygiene, and community participation. Activities included cleanliness drives in public places, school level essay and painting competitions, health camps, nukkad natak, quiz competition, installation of dustbins, shramdaan, felicitation of safai mitr, plantation drive etc.

6.2. Construction of Pink Toilet at Ranchi

CCL contributed ₹45.95 lakh under CSR to Sewa Foundation for constructing a 10-seated Pink Public Toilet with feeding room and shelter in Ranchi near Ranchi Municipal Corporation's Vegetable market (Naga Baba Khatal).

Pink Toilet

7. Rural Development

7.1 Development work at Tribal village – Pansakam

A CSR project is being implemented at Pansakam village, Bundu Block, Ranchi, a tribal-dominated area lacking basic infrastructure. The project includes construction of a 10-seater community toilet, a 3-room dispensary, and boundary wall with paver road in a government school. With an outlay of ₹59.58 lakhs, the work is currently in progress under District Administration, Ranchi.

Development work at Tribal Village : Pansakam

31. SAMADHAN SCHEME - Grievance Redressal Measure

Grievance Redressal Performance

- The **average grievance redressal rate** in Samadhan/CPGRAMS Section of CCL is **two days**.

Consolidated Summary of Grievance Handled (2025-26)

Category	Grievances Received	Grievances Resolved	Pending
Online Samadhan	125	125	0
CPGRAMS	444	442	2*
VIP CPGRAMS	29	29	0
Offline Samadhan	49	36	13
Total	647	632	15

*However, the cases are now being resolved as on date.

Key Highlights

- 14 Camps are conducted in all the Areas of CCL.
- High efficiency** with a grievance redressal rate of **two days**.
- Zero pendency** in Online Samadhan and CPGRAMS.
- Grievance on CPGRAMS Portal** - the least disposal time among all subsidiaries of Coal India.
- Offline grievances** are being actively addressed, with 36 resolved out of 49.

Conclusion: The Samadhan Section of CCL has demonstrated strong performance in grievance redressal, maintaining efficiency and transparency across multiple platforms, with a consolidated resolution rate exceeding 97%. This has been achieved through rigorous monitoring and quick co-ordination at all levels. This reflects the commitment of CCL towards timely and effective grievance handling.

32. ENVIRONMENT & FOREST

(A) ENVIRONMENTAL MANAGEMENT

Central Coalfields Limited (CCL) remains steadfast in its dedication to environmental sustainability, integrating eco-friendly mining practices from the initial planning stage through active operations. A range of pollution control measures is implemented to ensure that mining activities adhere to acceptable environmental standards, minimizing their impact on air, water, land, and surrounding ecosystems.

1. Air Pollution Control Measures:

To control and manage dust generation during mining operation and coal transportation, CCL has implemented a comprehensive set of measures outlined in the MoEF&CC approved Environmental Management Plan (EMP). This plan integrates environmental impact assessments to ensure sustainable mining practices while safeguarding forests and surrounding ecosystems. Some of the important initiatives taken by CCL, till 31.03.2026, are as follows:

- About 130 numbers of mobile Water tanker/ Mist sprinklers of different capacities and 25 numbers of Mist sprinklers (28 KL) are in operation in projects of CCL to mitigate dust pollution. In addition, fixed water sprinklers are also installed at critical points.
- 27 numbers of trolley mounted fog cannons and 21 numbers of truck mounted fog canons are being operated in different units of CCL.

- c. Coal loaded trucks are covered with tarpaulin. Coal transport road has been black- topped/ paved with cement concrete.
- d. Wind breaks were provided along Railway sidings and other points over a span of 25.75 Km (approx.).
- e. Mined out areas, OB dumps and other disturbed/ degraded land are concurrently reclaimed during mining operations and also post mining. Multispecies plantation of indigenous variety is being adopted in CCL As on date, more than 1.07 crore trees have been planted in and around command area of CCL.
- f. Surface miners are in operation wherever technically feasible. These eliminate the need of drilling, blasting and crushing of coal.
- g. Provision of First Mile Connectivity, SILO loading and belt conveyors in Mega Coal Mining projects reducing road transportation and environmental footprints.

2. Mine Water Management:

- a. Treated mine water is used for industrial purposes like dust suppression, fire- fighting, plantation, washing of HEMM etc. Toe Wall, catch drains, garland drains and Siltation ponds are constructed for channelizing the surface runoff to mine sump after proper retention.
- b. As per the need of the local community, treated mine water is supplied to the nearby villages for drinking & irrigation purposes. In FY 2025-26, Surplus mine water of around 174 Lakh KL has been provided for domestic, community and irrigation purposes to approximately 140 nearby villages, benefiting around 2.40 lakh individuals.
- c. Water stored in abandoned mine voids of CCL is being utilized for Cage Fish Farming. At present, 268 such cages are installed in seven mine voids benefitting around 467 persons from nearby villages
- d. As per EC guidelines/CGWA NoC, monitoring of ground water levels in dug wells & piezometer is being carried out in and around of the project area.
- e. For ground water recharge within mine premises and nearby villages, initiatives like rainwater harvesting, digging of ponds / development of lagoons, de-silting of existing ponds / tanks etc. have been taken.
- f. 77 numbers of Rainwater Harvesting structures at office and residential building to help in ground water recharge.
- g. No Objection Certificate (NOC) is obtained from Central Ground Water Authority, Ministry of Water Resources, Gol. for each project. NOC is granted based on detailed Hydrogeological Report and Groundwater Modelling.
- h. Regular monitoring of surface water, drinking water and effluent water is carried out as per rule and desired actions are being taken. Reports of the same are regularly submitted to Jharkhand State Pollution Control Board and MoEF&CC.

3. Noise Pollution Control Measure:

For control of noise pollution, various measures like proper maintenance of equipment, green belt development around the mine and residential area, blasting in day time and use of ear muff / ear plugs at noisy areas are adopted.

4. Land Reclamation & enhancement of Green Cover:

The target vis-à-vis achievement of Plantation in Year 2025-26 is:

Target of Plantation	Achievement	Achievement%
270 Ha	322.27 Ha	124%

5. Environmental Monitoring:

- a. In compliance with statutory conditions, regular environmental monitoring of ambient air, drinking water, surface water, effluent water, noise level and ground water was carried out and reports were submitted to MoEF&CC / Jharkhand State Pollution Control Boards (JSPCB) / Central Ground Water Board (CGWB).
- b. Routine Environmental Monitoring of air, water and noise was carried out for all units of CCL during the year 2025-26 through NABL accredited laboratory of CMPDI.
- c. 16 numbers of Continuous Ambient Air Quality Monitoring System (CAAQMS) and 45 numbers of continuous PM10 analyzers have been installed in the command area of CCL with connectivity to JSPCB server.
- d. Land Reclamation Monitoring of 11 numbers of Opencast Coal Mines of CCL has been undertaken through CMPDI during FY 2025-26. CMPDI has utilized the Satellite data and Remote Sensing data for submission of report on Land reclamation.

6. Incremental EC obtained for projects of CCL during 2025-26:

Presently, the environmental clearance (EC) capacity of mines of CCL is 164.59 MTPA. In FY 2025–26, CCL enhanced its Environmental Clearance (EC) capacity by 9.41 MTPA for 7 mines as tabulated below:

SN	Name of Mine	EC Capacity (MTPA)	Incremental EC (MTPA)	Date of grant of EC	EC Proposal
1	Amlo Expansion OCP	3.6	0.6	08.04.2025	Expansion
2	Amrapali OC	28	3.81	25.06.2025	Expansion
3	North Urimari OCP	6	1.50	09.03.2026	Expansion
4	Karo OCP	7	3.50	20.01.2026	Amendment
5	Kabribad OC	0.6	0	15.08.2025	Amendment
6	Giddi A OCP	1	0	25.02.2026	Amendment

In FY 25-26, Fresh EC was also obtained for New Sawang Coking Coal Washery (Capacity: 1.5 MTY) and amendment in EC was obtained for Basantpur-Tapin Coking Coal Washery (Capacity: 4 MTY), which are being setup by CCL in BOO mode.

SN	Name of Mine	EC Capacity (MTPA)	Incremental EC (MTPA)	Date of grant of EC	EC Proposal
1	New Sawang Coking Coal Washery	1.5	1.5	27.01.2026	Fresh EC
2	Basantpur Tapin Coking Coal Washery	4	0	23.07.2025	Amendment

7. Strive for continual improvement in environmental performance.

It is submitted that various environment awareness programmes and environment- related celebrations were organized during FY 25-26.

- Activities to promote Mission Life: Mission LIFE represents a significant step towards a more sustainable future, emphasizing the importance of collective action and conscious consumption for the well-being of our planet. CCL is undertaking
- Various activities under mission life actions. Action have been taken for use of LED lighting system, use of EV vehicles, Installation of Solar systems, creation of Rainwater harvesting system, Amrit sarovar, Biodiversity conservation, Eco Park & plantation etc.
- World Environment Day was celebrated from 01.06.25 to 05.06.25 with activities aimed at promoting environmental protection and sustainability.
- Programme “Ek Ped Maa Ke Naam 2.0” was conducted on 11.06.2025 and on 27.09.2025, focusing on mass participation in plantation and environmental conservation.
- A two-day workshop on CGWA Guidelines & Compliance was held at CCL HQ, Ranchi (09–10 Sept 2025), led by officials from CGWA, CGWB (Ranchi), and RGNGWTRI (Raipur). Attended by 120+ executives from CIL subsidiaries in Jharkhand, it focused on sustainable groundwater management, responsible mining, and CGWA compliance.

(B) FOREST CLEARANCE:

Achievement for the FY 2025-26 :

i. Stage I FC

S. No	Project Name	Area(Ha)	Date of Stage-I
1	Magadh West OCP	354.98	20.02.2026
Total		354.98 Ha	

ii. Stage II FC

S. No	Project Name	Area(Ha)	Date of Stage-II
1	Chandragupta OCP	699.38	23.04.2025
2	Amrapali OCP	431.59	01.05.2025
3	Magadh East OCP	192.36	20.05.2025
4	Approach Road to Basantpur Tapin Coking Coal Washery	2.12	12.06.2025
Total		1325.45 Ha	

Remarks: Stage –II FC obtained in FY 25-26 (1325.45 Ha) is almost double the area of forest land for which Stage –II FC was obtained in FY 24-25 (683.43 Ha)

iii. Forest land Handover

S. No.	Project Name	Area (Ha)	Date of Site Handover
1.	Chandragupta OCP	699.38	16.07.2025
2.	Amrapali OCP	431.59	16.07.2025
3.	Magadh East OCP	192.36	14.08.2025
Total		1323.33 Ha	

Remarks: Forest land handover obtained in FY 25-26 (1323.33 Ha) is 20 percent more than that achieved in FY 24-25 (1125.02 Ha)

iv. Validity of Forest land diversion of Selected Dhori OCP (143.05 Ha) has been extended till 07.12.2050.

v. FC Proposals under consideration with MoEF&CC, New Delhi

S. No	Project Name	Area (Ha)	Date of Forwarding	FC
1	KDH OCP	126.72	10.03.2026	For Stage – II FC

vi. FC proposals under consideration with RO, MoEF&CC, Ranchi

S. No.	Project Name	Area (Ha)	Date of Forwarding	FC
1	Magadh Railway Siding	121.29	06.02.2026	For Stage – I FC
2	Kedla Danea Railway Siding	29.67	25.03.2026	For Stage – I FC
3	Konar CHP	12.45	02.03.2026	For Stage – I FC
4	Kedla UG	29.19	17.03.2026	For Stage –II FC

vii. 4 No. of FC Proposals involving diversion of 1325.13 Ha forest land have been accepted in PSC –II.

viii. 4137.86 Ha degraded forest land has been identified for the purpose of Compensatory Afforestation out of which site suitability has been issued for 4061.86 Ha.

ix. CAPEX Achievement: Capital Expenditure of Rs 190.49 Crs incurred under the head Forest land' in respect of FC proposals.

x. Approval of Plans:

- Wildlife Management Plan approved by PCCF/ CWLW for 4 n. of FC proposals: Dhori Coking Coal Washery, Selected Dhori OCP, Topa OCP and Amlo OCP
- Soil & Moisture Conservation Plan in respect of Amrapali Railway Siding has been approved by PCCF & HoFF.

xi. Soil Erosion Mitigative Measure and Top Soil Management Plan has been prepared by CMPDIL for 4 No. of FC proposals.

33. MINE CLOSURE:

Following information and data are submitted for preparation of the Annual Report of Central Coalfields Limited (CCL) for FY 2025–26. Significant works have been carried out by the Mine Opening & Mine Closure Department during FY 2025-26.

- A new underground mine namely Piparwar Phase I UG was opened in Mine Developer cum Operator mode for the first time in CCL. Drivage of inclines have started and are in progress. Out of 410 m scheduled drivage of each incline. Incline lengths of 202 m, 200 m and 282 m have been driven in respect of Incline 1, Incline 2 and Incline 3 respectively.
- Mining Plan / Mine closure Plan and Detailed Project Report of Saunda D MDO Revenue Sharing mine was approved by CCL Board on 06.11.2025 and 23.12.2025 respectively.
- The Mine Closure Plans of all 39 operational mines have been revised, and Community Development and Livelihood Plans (CDLP) have been incorporated in accordance with the Mine Plan Guidelines–2025, issued on 31st January 2025.
- Final Mine Closure Plans (FMCP) of Ashok OCP(14 MTY), Piparwar OCP, Giridih OCP, Dhori Khas UGP, and Urimari UGP have been approved for scientific closure in compliance with the Mine Plan Guidelines–2025.
- The Closure Certificate for NSD UGP was obtained on 25.03.2026 from the Coal Controller Organisation.
- The Old E&M workshop of NSD UGP, Dhori Area has been repurposed and converted into a Kayakalp School.
- An amount of ₹ 21,06,99,336 was released during FY 2025–26 by the Coal Controller Organisation (CCO) as reimbursement for Mine Closure activities.
- In the year 2025-26, authority to grant Mine/Seam opening permissions under the Colliery Control Rules was delegated to Company Boards of Coal PSUs. This department has obtained the following Mine/seam opening / re-opening permission from CCL Board :-

- (i) Seam opening permissions for VIII C, VIIIA, VIII, VII B, VII A, VII, VI, VA, IV / V comb. and II (10 Seams) of Tapin South Expansion OCP (2.0 MTY) of Hazaribagh Area vide no. CS/BM/554/2026/46 dated 30.01.2026.
- (ii) Seam re-opening permission for Rajhara bottom seam in Rajhara OC (0.3/0.5 MTY) of Rajhara Area vide no. CS/27th In -between Board/2026/65 dated 16.02.2026.
- (iii) Seam opening permission for Bishrampur, Bukbuka T, Bukbuka B, Upper Dakra and Lower Dakra seams as well as regularization of these seams already worked in respect of KDH OCP, NK Area vide item no.556.4(8) on 25.03.2026.

Old E&M workshop repurposed into a Kayakalp School.

Photographs of Kayakalp School (NSD UG)

◆ Kayakalp school site at 2021 & 2025 respectively 23°47'00"N

34. LAND POSSESSION & REHABILITATION

1. Employment: -

Employment against land was provided to 216 nos. dependents / nominees of Project Affected Families (PAFs), which ensures long-term economic security to beneficiaries. Further, this led to the successful possession of 432 acres land for mining and allied purposes.

2. Land Compensation: -

The approval of ₹36.24 Crores for land compensation in FY 2025-26 was made for both Tenancy land and Government land. This helped in extending the financial rehabilitation to Project Affected Families (PAFs) dependents / nominees and well as gov. compliances.

3. Rehabilitation and Resettlement (R&R)

In FY 2025-26 rehabilitation and resettlement was extended to 462 nos. of families, in which 196 nos. families chose physical relocation i.e(plots at an R&R site and 266 nos. families opted for a lump sum payment, providing them the liquidity to settle elsewhere or capitalize according to their own priorities.Total amount approved for R & R benefits were ₹22.98 Crores.

4. Compensation for Civil Structures

Beyond the value of the land itself, ₹20.53 crores were approved for "civil structures" referring to houses, hutments and other structures made by the owners.

5. Land Digitization

Digitizing 73,549.24 Hectares of land boundary on the PM Gati Shakti portal is a milestone in modernizing land records. It will help in reducing disputes over boundaries and prevents illegal encroachment.

6. Legal Resolution:

Legal section of L & R Dept. successfully coordinated and assisted in resolution and disposal of 140 nos. cases pending before the Tribunal under the Coal Bearing Areas (Acquisition & Development) Act, which led to streamlining legal processes and liabilities.

7. Land Acquisition: -

During the 2025-26, following notifications were issues under Coal bearing (Acquisition & Development) Act 1957, which led the necessary expansion and commencement of mining and infrastructure projects.

Sec 4(1)

- 198.04 ha for Sanghmitra OCP vide S.O No. 2838 (E) dated 24.06.2025
- 56.17 ha for Ashok OCP Extension vide S.O no. 1717 dated 04.10.2025

Sec 7(1)

- 198 Ha for Sanghmitra OCP vide S.O No. 959 (E) dated 23.02.2026

Sec 9(1)

- 50.59 Ha for Pundi OCP/ Kuju Area vide S.O No. 1828 (E) dated 22.04.2025
- 541.71 Ha for Hendegir OCP vide S.O No. 2839 (E) dated 24.06.2025

Sec 11(1)

- 92.91 Ha for Sirka OCP vide S.O No. 3679 (E) dated 12.08.2025
- 482.87 Ha for Sangmitra OCP vide S.O No. 3240 (E) dated 16.07.2025
- 836.29 Ha for Rohini_Karkatta vide S.O No. 3922 (E) dated 26.08.2025

35. GEOLOGY DEPARTMENT

The Department of Geological Services finds its establishment since the inception of NCDC (08.11.1958) and has a successful history of more than six decades. There are 9 coalfields in CCL Command Area namely Giridih, East Bokaro, West Bokaro, Ramgarh, South Karanpura, North Karanpura, Hutar, Auranga & Daltonganj Coalfield. Out of the 164 Coal Blocks in CCL Command Area there are 65 CIL Blocks, 15 Additional CIL Blocks & 2 CMSP-CCL Blocks in CCL Command Area. Out of these 82 Coal Blocks, 72 are explored & 10 blocks are partly/regionally/under exploration.

GEOLOGICAL RESERVES

The inventory of Geological Resources of Indian Coal as on 01.04.2025 and up to a depth of 1200m prepared by the Geological Survey of India on the basis of resources estimated by CMPDI, MECL, GSI, SCCL and others is **400.71 BT**.

Geological Resources in CIL & Additional CIL Blocks of CCL Command Area are given below:

(Figures in Billion Tonnes)

	Proved	Indicated	Inferred	Total
Total Coal Reserve	21.18	5.51	0.35	27.04

Out of 400.715 Billion Tonnes of geological resources of coal estimated in India, CIL Blocks of CCL Command Area has 27.04 BT as on 01.04.2025, which accounts for **6.74% of total reserves in India**.

In FY 2025-26, exploration activity in CIL & additional CIL blocks of CCL Command Area has brought about 1629.11 MT of coal in Proved category, 3199.291 MT of coal in Indicated Category & about 300 MT of coal in Inferred Category.

Sl. No.	Block	Coal field	Area (Sq. Km)	Proved (MT)	Indicated (MT)	Inferred (MT)	Total Resources (MT)
1	South of Tapin	WBCF	22	00	00	~ 200 MT	200.000
2	Patratu South	SKCF	22	00	3199.291	00	3199.291
3	Deonad-III (East)	NKCF	17	1629.11	00	00	1629.11
Total				1629.11	3199.291	200	5028.4

36. INFORMATION & COMMUNICATION TECHNOLOGY

The company in its constant endeavour for increased transparency, efficiency and optimal utilization of its resources, has used ICT in several business processes of the company effectively for overall growth and technological advancement.

The following key initiatives have been undertaken in FY 2025-26:

- SAP ERP Services have been successfully migrated to SAP RISE Cloud.
- Pay fixation of executives using SAP has been timely implemented.
- Rail refund process- Implemented the rail refund process for e-auction contracts in SAP/ERP, with

automated sales order closure upon expiry (90 days) or completion of entitled rake movements and PGI/IRN, followed by calculation of refund including coal sale value and EMD.

- Annual Property return (APR) in respect of 2045 nos. of officers of CCL through integration with SAP. ESS/SAP Ids were updated and managed for the Executives at CCL Command Areas for filling the details in scheduled time.
- Apart from four central hospitals of CCL, Hospital Management System has been implemented at Darbhanga House Headquarter Dispensary.

सोमभद्र मंगलवार. 13 जनवरी 2026

पृष्ठ- 4

- Launch of Online Report Delivery System for Gandhi Nagar Hospital: Online Report Delivery System has been designed to ease pathological reports access

for patients at Gandhinagar hospital, by prompting an SMS sent to the registered mobile number of the patient stating report has been received / or available

for download. The patients can easily download their own reports using their UHID and OTP authentication via their registered mobile number.

7. E-Samiksha Portal developed for drawing review system: It is an online platform developed to facilitate the E&M Department to review and approve drawings/documents submitted by various contractors, vendors, and users for different projects. The portal serves as a centralized online repository where drawings are securely stored in the database and can be accessed for audit trail, review, and monitoring purpose.
8. Enhancement of report generation facility in employment application tracking system (9.3.0): The report generation incorporating the additional parameters as requested by the user department has been successfully completed.
9. Completion of Vigilance Activity Management Portal (VAMP): The portal has been developed for the Vigilance Department to upload various reports and activities—such as capacity building programs, vigilance alerts, and vigilance awareness campaigns—on CCL's website.
10. Cyber awareness camp organized across CCL command areas. Awareness was spread through digital posters, a dedicated cybersecurity section on the CCL website, and cyber safety tips displayed on notice boards. Posters, banners, and standees

were also displayed across the CCL campus during Cyber Security Awareness Month. Cyber Security Awareness Quiz was also organised in Oct 2025 during National Cyber Security Awareness Month.

(Cyber Awareness Camp)

11. All the weighbridges (Road Sale & Internal transport) functional across command areas of CCL are connected to Central SAP Server for seamless data transfer with failsafe mechanism for network failures.
12. E-auction of coal, e-procurement of goods and services are operational through central service provider of CIL. GeM portal is being used primarily for e-Procurement of Goods & Services as per availability. E-payment to employees & vendors and e-filing of grievances are in operation to embark upon the business process through IT initiatives.

37. SECURITY MANAGEMENT

The Security Department of Central Coalfields Limited (CCL) is a 24x7 functional department which monitors, controls and takes requisite preventive measures for curbing the menace of theft/pilferage of coal, illegal mining & protection of men and assets of the company. In addition, "Khanan Prahari" a mobile based app is also being used for prevention of illegal mining. The Security department has established a mechanism with round the clock monitoring of various ongoing activities at various mines/Projects and units.

The total strength of different Security Forces of CCL as on 01.04.2026 is as under: -

Sl. No.	Type of Security Force	Existing strength (Nos.)
1	Departmental Security	1508
2	Central Industrial Security Force(CISF)	1815
3	State Industrial Security Force(SISF), Govt. of Jharkhand	247
4	Home Guards, Govt. of Jharkhand	2168
	Total	5738

Presently, CISF is deployed at four Areas viz., 1. B&K (Kargali) 2. Dhori 3. North Karanpura & 4. Piparwar. Creation 1676 CISF posts for Magadh & Amrapali(Jharkhand) has been approved by MHA. And Preliminary Induction formalities for Induction of 1676 CISF personnel for Magadh-Sanghmitra and Amrapali-Chandragupta Areas are in advanced stage.

The summarized data for the year 2025-26 of 14 Areas of CCL in respect of coal theft/pilferage and Illegal Mining is as under:-

• **Coal Theft**

Qty. Recovered in Tes.	Approx. Value (₹.in Lakhs)	No of raids	Complaint Lodged at Local Police station.	FIR (Registered)	Arrest made
4022.25	101.21	947	102	33	3

• **Illegal Mining**

Qty. Recovered in Tes.	Approx. Value (₹.in Lakhs)	No. of raids	Complaint Lodged at Local Police station	FIR (Registered)	Arrest made	No. of rat holes dozed off.
155.15	4052	336	120	04	00	890

(Pictures showing doze-ring of illegal mining rat holes.)

I.T. initiatives have been implemented in command areas of CCL to prevent pilferage/theft of coal. E&T department has installed CCTV Cameras both in the field areas as well as in the residential colonies and office premises for 24x7

real time monitoring and integrated the same with IVTs Control Room established at respective Areas in order to provide Safety & Security to the Company's property & assets.

38. IMPLEMENTATION OF RAJBHASHA

1. Introduction

Central Coalfields Limited (CCL), a subsidiary of Coal India Limited, continued its sustained efforts towards effective implementation of the Official Language Policy of the Government of India during the year under review. The Company endeavoured to position Rajbhasha implementation not merely as a statutory obligation, but as an effective instrument for enhancing workplace efficiency, institutional participation, and stakeholder communication. Through regular monitoring, periodic review, and coordinated efforts at various levels, the

Rajbhasha Department further strengthened the use of Hindi across administrative and technical functions of the Company.

2. Compliance Monitoring & Implementation

To ensure regular review of progress relating to Official Language implementation, quarterly meetings of the Official Language Implementation Committee were organized at the corporate level during FY 2025-26. The meetings reviewed progress reports received from various departments and regional offices, and necessary directions were issued by the competent authority

regarding effective implementation of the Official Language Policy, achievement of Annual Programme targets, and promotion of practical use of Hindi. Review reports relating to progressive use of Hindi received from various departments and areas were also examined regularly, and guidance was provided wherever required.

In order to promote progressive use of Hindi in the Company, significant steps were taken towards compliance with the Official Language Rules, 1976. Under Rule 10(4), four Areas — Rajhara, Giridih, Magadh-Sanghamitra, and Amrapali-Chandragupta — were notified in the Gazette of India. Further, under Rule 8(4), 313 individual orders were issued to encourage employees possessing working knowledge of Hindi to carry out original work in Hindi.

The Rajbhasha Department also successfully achieved the target of 100% translation of documents received from various offices. In addition, recruitment examinations were conducted to fill vacancies in the Rajbhasha cadre, and necessary orders were issued thereafter.

An Official Language inspection of the Company was conducted by the Regional Implementation Office (Eastern Region), Kolkata, on 12 September 2025. Timely action was ensured on the directions and assurances arising out of the inspection. During the year under review, Rajbhasha inspections were carried out in 19 Headquarters Departments and 06 Regional Areas. Against the prescribed target of 30% inspection coverage for Headquarters Departments, an achievement of 37% was recorded, while 42% achievement was recorded for offices outside Headquarters. Discussions and consultations were also held with senior officers and Rajbhasha Nodal Officers to further strengthen implementation efforts.

3. Training & Capacity Building

During the year under review, special emphasis was laid on enhancing the linguistic and technical proficiency of employees. To make training activities more effective and accessible, a decentralized training model was adopted by grouping different areas and units, thereby enabling employees to receive training closer to their workplaces.

During FY 2025-26, 16 one-day workshops were organized in addition to one five-day short-term translation training programme, one 10-day intensive translation training programme, and one five-day stenography training programme. Thus, a total of 19 workshops/training programmes were organized during the year. Among these, the 10-day translation training programme conducted from 28 October to 07 November 2025 with the support of officers from the Central Translation Bureau, Kolkata Centre, and the five-day special stenography training programme organized from 08 to 12 December 2025 for candidates appearing in the Hindi stenography cadre examination were particularly noteworthy.

To promote technology-enabled and practical use of Hindi, a one-day technical workshop on "Advanced MS Office & AI" was organized on 23 May 2025 under the aegis

of NARAKAS, Ranchi. The workshop provided practical exposure to officers and employees regarding effective use of Hindi in modern digital work environments.

4. Reference Material & Digital Resources

To facilitate official work in Hindi and make the process more practical and user-friendly, various digital resources were developed by the Rajbhasha Department. Resources such as "Rajbhasha Sahayika", "Karyalaya Sahayika", standard formats, short noting formats, and administrative and technical glossaries were made available on the Company website. The "Word/Phrase of the Day" feature was also updated regularly on the homepage.

The Department actively promoted the use of Hindi through digital platforms, social media, and Unicode-enabled systems, thereby making official work in Hindi more accessible, efficient, and technology-friendly.

5. Rajbhasha Maah – 2025

On the occasion of Hindi Day, messages of the Hon'ble Home Minister, Government of India, and the Hon'ble Minister of Coal, Mines & Parliamentary Affairs were disseminated widely among General Managers, Heads of Departments, Staff Officers, and various WhatsApp groups. Messages from the Chairman-cum-Managing Director and Director (Personnel) were also circulated extensively. In addition, special Hindi Day messages were shared through all official social media platforms of the Company.

Rajbhasha Maah was celebrated across CCL Headquarters and all Areas from 14 September to 15 October 2025 with enthusiastic participation from employees. Various competitions and cultural programmes were organized to encourage use of Hindi and strengthen organizational participation.

Activities organized at Headquarters included essay competitions for Hindi-speaking and non-Hindi-speaking employees, Hindi typing, noting & drafting and translation competitions, quiz competitions, travel memoir writing, talent showcase programmes, and painting competitions. Participation in competitions organized at Headquarters witnessed nearly a threefold increase compared to the previous year. Overall, 77 competitions were organized across Headquarters and Regional Offices, with participation from 2,191 employees, reflecting growing enthusiasm and engagement towards Hindi among employees.

The valedictory-cum-prize distribution ceremony of Rajbhasha Maah was organized on 15 October 2025 in the august presence of the Board of Directors. Cultural performances including "Dharmo Rakshati Rakshitah", "Ram Ki Shakti Puja", and "Hindi Hain Hum" were presented during the programme. Winners of various competitions were awarded cash prizes prescribed by Coal India Limited, certificates, and handcrafted mementoes prepared by local artisans of Jharkhand. Encouragement awards were

also presented to the first 100 participants securing more than 40% marks.

During the closing ceremony of Rajbhasha Maah, Dr. Nageshwar Singh, eminent academician and former Dean, Faculty of Humanities, Ranchi University, was honoured with the "CCL Rajbhasha Bhaskar Samman – 2025". Further, three best-performing Areas and three technical as well as three non-technical departments at Headquarters were awarded the "CCL Rajbhasha Shield" for outstanding performance in promotion of Hindi.

6. NARAKAS & Way Forward

CCL continued its active participation and excellent performance in various programmes and competitions organized under the aegis of the Town Official Language

Implementation Committee (Undertakings), Ranchi. For outstanding performance in Official Language implementation, the Company was awarded the First Prize for FY 2023-24 and the Second Prize for FY 2024-25 by NARAKAS.

CCL remains committed to making the use of Hindi more practical, technology-enabled, and effective across the organization. Through digital applications, training initiatives, and adoption of modern technologies, continuous efforts are being made to simplify and strengthen the process of working in Hindi. The Rajbhasha Department remains committed to promoting Hindi not merely as a language of official work, but as a natural and effective medium of organizational communication, knowledge sharing, and workplace culture.

39. VIGILANCE DEPARTMENT

PUNITIVE VIGILANCE

A. Total No. of complaints received and action taken thereon:

Complaints	Year 2025-26
Pending complaints on 1 st April 2025	39
No. of complaints received during the period 1 st April 2025 to 31 st March 2026	344
No. of complaints filed being anonymous/ Pseudonymous/ filed.	96
No. of complaints taken up for examination/ verification during the period 1 st April 2025 to 31 st March 2026	155
No. of complaints forwarded to HODs/ GMs for taking needful action	76
Closing balance as on 31 st March 2026	17

B. Cases under Regular Investigation (RI Cases):

Investigation cases	Year 2025-26
Pending cases on 1 st April 2025	8
Cases taken up for investigation during the period 1 st April 2025 to 31 st March 2026	2
No. of investigations completed during the period 1 st April 2025 to 31 st March 2026	9
Cases pending on 31 st March 2026	1

PARTICIPATIVE VIGILANCE

Q. Observance of Vigilance Awareness Campaign-2025

In compliance with the directives of the Central Vigilance Commission, New Delhi, **Vigilance Awareness Campaign - 2025** was observed with much zeal and enthusiasm in all the Projects, Areas, and Headquarters of CCL from **18.08.2025 to 17.11.2025**. As per the guidelines various awareness initiatives such as the display of posters & banners, outreach programs in Schools & Colleges, Gram Sabhas, Capacity Building Programs, Grievance Redressal Camps, NukkadNataks, Awareness March/Cyclothons/ Walkathons were organized in various command areas of CCL.

Apart from the events outlined by CVC, various other initiatives like Blood Donation Camps, Health Camps & Plantation Drives directed toward the benefit of employees & stakeholders were also conducted

during the campaign period. These programs were conducted with the underlying objective to increase the participation of employees & stakeholders and create a sense of Participative Vigilance.

The observance of Vigilance Awareness Week 2025 commenced with taking of Integrity Pledge by all the employees at CCL (HQ), Ranchi as well as in all the Areas and Projects/ units of CCL. At CCL (HQ), the pledge was administered by the CMD, CCL, CVO, CCL, and other functional directors on 27.10.2025. On 27.10.2025, CMD, CCL in presence of CVO, CCL and Functional Directors of CCL flagged off the **“Vigilance Awareness Rath”** from CCL (HQ). The Rath (vehicle) covered all around with display banners with anti-corruption and awareness slogans,

pictures, messages, etc. imprinted on it traversed through the areas of Ranchi. Further, a Vigilance Awareness March was organized at CCL (HQ), Ranchi on 07.11.2025 to raise public awareness about the dangers of corruption. More than 500 participants joined the rally, carrying placards with thought-provoking messages. The march was flagged off by the CMD, Shri N. K. Singh, and was attended by the Functional Directors and the CVO of CCL. Similar Awareness Marches, Cyclothons, and Walkathons were also conducted across various Areas of CCL, further amplifying the message of integrity and transparency.

The details of other events organized are as below :

S. No.	Name of Event	No. of Events	No. of participants
1	Blood Donation Camp	20	1150
2	Health Camp	122	6700
3	Plantation Drive	18	1825
4	Outreach Initiatives	88	8501
5	Awareness Gram Sabha	14	780
6	Nukkad Natak	15	730
7	Grievance Redressal Camp	12	650
8	Capacity Building Program	30	1560

Satarkata Mahotsav

A cultural event celebrating the essence of participative Vigilance was organized in CCL HQ from 07.11.2025 to 08.11.2025. Various events were held with an enthusiastic participation from artists, employees and students of different schools & colleges of Ranchi and witnessed a total footfall of more than 1500 during the two-day event.

Closing Ceremony of Vigilance Awareness Campaign – 2025

The Closing Ceremony of VAC-2025 was held on 17.11.2025 in the presence of the CMD, CCL; CVO, CIL; and the Functional Directors of CCL. Prizes were awarded to the winners of various events conducted at CCL HQ. Awards were also presented to the Best Area and Best Nodal Officer in recognition of their outstanding performance during the campaign.

All Area Nodal Officers were felicitated for their active participation and for successfully organizing multiple events throughout the campaign period. The Vigilance Year Book “*VigiGyaan*” – Volume II was also unveiled by the dignitaries during the ceremony.

To mark a grand conclusion to the campaign, a Kavi Sammelan was organized. Renowned poet and Padma Shri awardee Shri Ashok Chakradhar graced the occasion and captivated the audience with his wit and humour, making the event a fitting finale to a remarkable campaign focused on promoting progressive vigilance

61. RESEARCH & DEVELOPMENT

FY 2025-26 bears the testimony of a notable expenditure incurred on R&D initiatives through an entitled CCL funded subsidiary level-based R&D/S&T Project named "Feasibility study on use of overburden coal waste (or Coal mixed waste aggregate) in different layers of road construction" in collaboration with IIT BHU. Expenditure incurred for the said project in FY 2025-26 is Rs.55,60,840/-, which is paid in advance in two instalments. The said project is ongoing and expected to be completed on 26.07.2027. The expenditure incurred in R & D by the company in the previous year i.e. FY 2024-25 is NIL.

Apart from these, following studies were taken up through MoC and/ CIL and are being executed at CCL through CMPDIL in association with various research institutes of repute like

- Assessment of safe parting thickness and optimal goaf edge support requirement for extraction of pillars under soft cover.
- Creation of research facility for examining the mental state and improving mental health, including dementia.

62. ACKNOWLEDGEMENT:

Your Directors express their sincere thanks to the Government of India in general and Ministry of Coal and Coal India Limited in particular for their valuable guidance and unstinted support to your Company towards attainment of the objectives of the Company. Your Directors also thank the Government of Jharkhand and other State Governments for their co-operation and valuable assistance extended to your Company. Your Directors convey their thanks to all the employees of the Company for their whole-hearted co-operation and devotion to duty.

Your Directors are fully confident that the employees of all ranks would continue to strive hard to improve the performance of the Company in the coming years. Your

Directors also acknowledge, with thanks, the assistance and guidance rendered by the Statutory Auditors, Tax Auditors, the Comptroller & Auditor General of India and the Registrar of Companies, Bihar & Jharkhand.

REPORT ON CORPORATE GOVERNANCE

1. CORPORATE GOVERNANCE PHILOSOPHY

The Corporate Governance emphasizes an ethical framework of rules, regulations and policies governing the administration of the Company with a strong commitment to values and conduct of business on a sustainable basis to maximize shareholders' value. It aims at protecting the interest of every stakeholder including shareholders, investors, customers, vendors, regulators, the community at large and the Government. The Company follows the Guidelines on Corporate Governance for Central Public Sector Enterprises (CPSEs) issued by Ministry of Heavy Industries & Public Enterprises, DPE vide its letter no. 18(8)/2005-GM dtd. May 14, 2010. Corporate Governance primarily concerns transparency, full disclosure of material facts, independence of Board and fair play with all stakeholders. The steps are being taken up to comply/adhere with all compliances in terms of the Guidelines of Corporate Governance issued by Department of Public Enterprises from time to time.

CCL is committed to observe Corporate Governance practices at all levels to achieve its objectives. Our corporate governance practices are a reflection of our value system encompassing our culture, policies, and relationships with our stakeholders.

The Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behaviour and fairness to all stakeholders comprising employees, investors, customers, regulators, suppliers and the society at large. Strong leadership and effective corporate governance practices have been the Company's hallmark.

The Company has adopted the Code of Business Conduct & Ethics ("Code") which applies to all directors, and Senior Management Personnel (SMP) (collectively referred to as "Covered Parties") of the Coal India Limited (CIL) and its Wholly-owned Indian subsidiaries including CCL. The core purpose of the code is intended to (a) focus on areas of ethical risk; (b) set forth basic standards of ethical and legal behaviour; (c) to provide guidance to Directors & SMP to them recognize and deal with ethical issues; (d) provide reporting mechanisms for known and suspected unethical conduct and/or legal violations; (e) help foster a culture of honesty and accountability. All the Board Members and Senior Management of the Company as on March 31, 2026 have affirmed compliance with their respective Codes of Conduct.

The details of CCL board structure & various committees that constitute the governance structure of the organization are covered in detail in this report along with other disclosures as specified in the DPE guidelines and the Companies Act 2013.

2. BOARD OF DIRECTORS

The Board of Directors ('the Board') is the apex body, for overseeing the Company's overall functioning. The Board of Directors provides strategic direction, leadership and guidance to the Company Management and also monitors the performance of the Company with the objective of creating long-term value for the various stakeholders and the Company.

CCL is a "Government Company" under the administrative control of Ministry of Coal, Government of India. As per the Articles of Association of the Company, the power to appoint/nominate Directors on the Board of the Company vests with President of India, Government of India acting through Administrative Ministry as per Guidelines issued by DPE. In terms of the Articles of Association of the Company, the strength of our Board shall not be less than two Directors or more than fifteen Directors. The Chairman cum Managing Director (CMD) and Four Functional Directors are the whole time Directors who are responsible for the day-to-day operations of the Company. The strategic decision(s) are under the overall supervision, control and guidance of the Board of Directors of the Company, which includes Government Nominee Directors and Independent Directors.

Vide letter No. 21/35/2005-ASO (iv) dated 6th June 2008 Ministry of Coal, communicated the approval of President the Sanctioned strength of CCL Board is as below:

Five (5) Functional Directors:

1. CMD, CCL - Full Time
2. Director (Personnel), CCL - Full Time
3. Director (Technical), CCL - Full Time
4. Director (Technical), CCL - Full Time
5. Director (Finance), CCL - Full Time

Two (2) Government Nominee Directors:

1. One representative of Ministry of Coal - Part Time
2. One representative of Coal India Ltd - Part Time

Five (5) Non-official Directors:

Five-Part Time (Independent)

Permanent Invitees:

1. Chief Operation Manager, Eastern Central Railways
2. Secretary (Mines & Geology), Government of Jharkhand

As on 31st March, 2026, the Company's Board consisted of Seven Directors, comprising of five Functional (whole-time) Directors and two Government Nominee Directors (representing Ministry of Coal/CIL).

The composition of functional directors was in conformity with the provisions of the Companies Act, 2013 and DPE Guidelines on Corporate Governance except the

second proviso to Section 149(1) of the Companies Act, 2013 read with Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2014, relating to appointment of a Woman Director on the Board w.e.f. 21.11.2025. Also, the company was not able to adhere the composition of directors fully due to non-appointment of Independent Director on the Board.

The Company has taken up the issue with the Administrative Ministry for appointment of independent director on the Board, to enable compliance with the provisions of the Companies Act, 2013 and DPE Guidelines on Corporate Governance.

During the financial year ended March 31st, 2026,

10 (Ten) nos. of Board meetings were held on 25.04.2025, 25.05.2025, 30.06.2025, 18.07.2025, 30.08.2025, 22.10.2025, 11.12.2025, 19.01.2026, 26.02.2026 & 25.03.2026. Thus, the maximum time gap between consecutive Board meetings was not more than two calendar months.

AGE LIMIT AND TENURE OF DIRECTORS

The age limit of Chairman cum Managing Director and other whole-time functional Directors is 60 Years. The Chairman cum Managing Director and other whole-time Functional Directors are appointed for a period of five years from the date of assumption of charge or till

the date of superannuation of the incumbent or till further orders from the Government of India whichever event occurs earlier. Government Nominee Directors representing Ministry of Coal, retire from the Board on ceasing to be officials of Ministry of Coal or till further orders from the Government of India whichever event occurs earlier. Independent Directors are appointed by the Government of India. The Independent Directors have fulfilled the conditions of independence specified in Section 149(6) of the Companies Act, 2013.

The details of the composition of Board of Directors, Director's attendance at the Board meeting, number of Directorship in other Companies and membership in other committees, etc. During the year are as follows:

2*	Ms. Rupinder Brar	Chairman/ Member	6	6
3	Shri Vinay Ranjan	Member	10	10
4	Shri Pawan Kr. Mishra	Permanent Invitee	10	10
5	Shri Chandra Shekhar Tiwari	Member	9	9
6	Dr. Manik Chandra Pandit	Member	4	4

*The Audit Committee was reconstituted consequent upon the cessation of Shri Adya Prasad Pandey (Independent Director) with effect from 27.03.2026. Thereafter, Dr. Manik Chandra Pandit was designated as the Chairman of the Audit Committee at the 557th Meeting of the Board of Directors held on 21.04.2026.

In Audit Committee meetings, Director (Finance) is permanent invitee. Chief of Internal Audit, and Statutory Auditors are invited to clarify the matters relating to Finance, Accounts, Audit and Internal Control System as and when required.

ii. Sustainable Development & Corporate Social Responsibility Committee

The Department of Public Enterprises, Ministry of Heavy Industries & Public Enterprises, Government

of India vide its Office Memo no: DPE's O.M. no. 3(9)/ 2010 – DPE (MOU) dated 23rd September, 2011 has issued guidelines on Sustainable Development for Central Public Sector Enterprises (CPSEs).

According to the Guideline, for effective implementation -

- Preparation of Sustainable Development (SD) Plan is needed.
- An Independent External Agency/Expert/ Consultant for evaluation of SD Projects to be made.
- A Board Level Designated Committee has to be constituted to approve the SD Plan and oversee the SD performance.

Further, as per Section 135 of Companies Act 2013, CSR Committee is required to be constituted with minimum 3 Directors – out of which at least One Director shall be an Independent Director. The scope of work and authority vested with the SD & CSR Committee shall be as per Section 135 of the Companies Act, 2013, DPE guidelines and as decided by the CCL Board from time to time.

During the FY 2025-26 SD & CSR Committee was reconstituted in the 547th Board Meeting held on 25.04.2025. During the year ended 31st March, 2026, 9 (Nine) meetings of the SD & CSR Committee were held on 25.04.2025, 25.05.2025, 30.06.2025, 18.07.2025, 30.08.2025, 22.10.2025, 11.12.2025, 19.01.2026 and 26.02.2026. The details of Directors attending the committee meetings are given as under:

Sl. No.	Name	Status	No. of Meetings during tenure	Attendance
1*	Shri Adya Prasad Pandey	Chairman	8	8
2	Ms. Rupinder Brar	Chairperson	1	1
3	Shri Vinay Ranjan	Member	9	9
4	Shri Pawan Kumar Mishra	Member	9	9
5	Shri Harsh Nath Mishra	Member	9	9

*The SD & CSR Committee was reconstituted at the 557th Meeting of the Board of Directors held on 21 April 2026 pursuant to cessation of Shri Adya Prasad Pandey (Independent Director) with effect from 27.03.2026. Thereafter, Dr. Vinay Ranjan, (Official Part Time Director/ Govt. Nominee Director) was designated as the Chairman of the Audit Committee at the 557th Meeting of the Board of Directors held on 21.04.2026.

iii. Risk Management Committee

As per recommendation of the 11th Risk Management Committee Meeting held on 25.03.2023 for inclusion of G.M. (F) in Risk management committee as member of RMC, in compliance to the requirement of "Section B of Chapter 6 of Risk Management Policy (i.e. the RMC shall consist of 5 members with at least one from the finance discipline). GM (Finance) has been included as Member in the Risk management committee in 529th Meeting held on 27.06.2023. Further, during the FY 2025-26 the Risk Management Committee was reconstituted at the 547th Meeting of the Board of Directors held on 25 April 2025 pursuant to appointment of Shri Adya Prasad Pandey (Independent Director) as under:-

1. Shri Adya Prasad Pandey,
Non-Official Part Time/Independent Director — Chairman
2. Shri Chandra Shekhar Tiwari, Director (Technical/ Operation), CCL : Member
3. Shri Shankar Nagachari, Director (Technical/ P&P), CCL : Member
4. GM (Operation), CCL - Chief Risk Officer
5. GM (Finance) — Member

The Risk Management Committee was reconstituted consequent upon the cessation of Shri Adya Prasad Pandey (Independent Director) with effect from 27.03.2026. Thereafter, Dr. Manik Chandra Pandit was designated as the Chairman of the Risk Management Committee at the 557th Meeting of the Board of Directors held on 21.04.2026.

Scope of Risk Management Committee

As per the risk management charter, risk management committee is a sub-committee under CCL Board.

The Board delegates the task of overseeing the deployment of risk management framework to risk management committee, which is responsible for overall direction and reviewing the implementation of this management framework.

The key responsibilities of the risk management committee are –

- i. To provide direction and evaluate the operation of risk management programme,
- ii. To review quarterly and annually the risk assessments and mitigation strategy prepared by executive management,
- iii. To review and provide independent assurance on overall effectiveness and efficiency of the risk management process.

iv. Nomination, Remuneration & Human Resource & Committee [Earlier known as Human Resource Committee]

During the FY 2025-26 Human Resource & Nomination Remuneration Committee was reconstituted in the

547th Board Meeting held on 26.02.2026 pursuant to appointment of Shri Adya Prasad Pandey (Independent Director). Further, in order to comply with the provisions of DPE guidelines, the Board in its 555th meeting held on 26.02.2026, has changed the name of existing Human Resource (HR) Committee to Nomination, Remuneration & Human Resource (NR & HR) Committee with its Terms of Reference (TOR) as under:

- a) Recommending the Manpower Budget for the financial year of Central Coalfields Limited,
- b) Recommending the Productivity Improvement Scheme for the financial year related to OCPs, UG Mines & Washeries of Central Coalfields Limited,
- c) Recommendation of Post retirement schemes (eg. Voluntary Retirement Scheme) for Non-Executives employees of CCL,
- d) To carry out any other function as is mandated by the Board from time to time and / or enforced by any statutory notification, amendment or modification, as may be applicable,
- e) To perform such other functions as may be necessary or appropriate for the performance of its duties,
- f) Recommendation of any other policy/guidelines for the welfare of employees of CCL.

During the year ended 31st March, 2026, 01 (One) meetings of Nomination, Remuneration & Human Resource (NR & HR) Committee was held on 25.03.2026.

The details of Directors attending the committee meetings are given as under:

Sl. No.	Name	Status	No. of Meetings during tenure	Attendance
1	Shri Adya Prasad Pandey	Chairman	1	1
2	Shri Vinay Ranjan	Chairman/ Member	1	1
3	Dr. Manik Chandra Pandit	Member	1	1
4	Shri Harsh Nath Mishra	Convenor	1	1
5	Shri Chandra Shekhar Tiwari	Permanent Invitee	1	1

*Upon cessation of Shri Adya Prasad Pandey (Independent Director) with effect from 27.03.2026, Nomination, Remuneration & Human Resource (NR & HR) Committee was reconstituted and Dr. Vinay Ranjan, (Official Part Time Director/Govt. Nominee Director) was designated as Chairperson of Risk Management Committee in the 547th Board Meeting held on 21.04.2026.
