

PROFILE OF DIRECTORS & KMPs

Board of Directors of CCL as on 31.03.2026 consists of Chairman-Cum-Managing Director, Director(Finance), Director(Technical/Project & Planning), Director (Human Resource), Director(Technical/Operations) and two Govt. Nominee Directors/Part Time Official Directors.

Brief about all Directors, their qualification, domain, experience & expertise, their membership in professional bodies, Chairman/Directorship in other companies etc are given below:

FUNCTIONAL DIRECTORS:

SHRI NILENDU KUMAR SINGH
 CHAIRMAN CUM MANAGING DIRECTOR

Shri Nilendu Kumar Singh, [DIN: 09847503] has assumed the charge as Chairman-cum Managing Director (CMD) of Central Coalfields Limited (CCL) w.e.f 30th April'2024. With background of Mining Engineering (B. Tech) from IIT-ISM, Dhanbad he has obtained 1st Class Mine Manager Certification in the year 1994.

He has been associated with Coal India Limited since 1989 and has rendered his services in various capacities inculcating root level knowledge and experience. He possesses vast experience of working in large opencast mines, handling of FMC projects, starting sidings, adoption of new mining technologies and working with highest capacity HEMM. He also has experience of working with White Industries of Australia Ltd. (WIAL) at Piparwar opencast mine of CCL with "In-pit Crushing & Conveying System" with integrated CHP & CPP. His visit to Australia in 1997 has further enriched his experience in advanced mining techniques. Shri Singh most recently served as Director (Technical) in the Board of ECL where he has provided invaluable fiscal oversight and perspective to the organization through his time on the board.

CCL as a family is extremely lucky to have this chance of working under his mentorship and it is for sure that CCL will touch new heights through several transitions under his broad perspectives.

SHRI PAWAN KUMAR MISHRA
DIRECTOR (FINANCE)

Shri Pawan Kumar Mishra (DIN: 09665365) is presently working as Director (Finance), Central Coalfields Limited (CCL), a coal mining company since June-2022. He is Graduate in Commerce and also member of Institute of Chartered Accountant. He is also director of Jharkhand Central Railway Limited (JCRL).

Prior to his joining in CCL, he had worked as CFO (Chief Financial Officer) with DNH Power Distribution Corporation Limited (DNHPDCL), a power distribution utility and also Nuclear Power Corporation Limited (NPCIL), a power generation company. He has more than 20 years of experience in the fields of accounting, finance and taxation. He has very rich and vast experience in corporate accounting & taxation, corporate financing including restructuring, commercial / project evaluation including negotiation and its documentation, budget & budgetary control, dealing with auditors, commercial compliances including tariff determination & finalization, Power Purchase Agreement finalization and other regulatory compliances in power sector.

In his previous professional working association, he has played key roles in privatisation of electricity Distribution Company through competitive bidding first of its kind including documentation. He was also instrumental in transfer and hand holding process of the said privatisation, turning out of financial performance of distribution utility company through regulatory improvements, implementation of integrated business solution & automated business processes, preparation of finance manual & internal audit manual, implementation of new accounting standards (Ind AS) including finalization of new accounting policies and reporting structure.

SHRI HARSH NATH MISHRA
DIRECTOR (HUMAN RESOURCE)

Shri H. N. Mishra (DIN : 09732955) is Director (Human Resource) at Central Coalfields Limited (CCL) – a subsidiary of Coal India Limited (CIL). Shri Mishra started his professional journey in 1991 and prior to joining CIL he worked in various capacities at Steel Authority of India Limited (SAIL).

Shri Mishra holds a Master's degree in Economics from Patna University and a Diploma in Social Work and Labour Welfare from Indian Institute of Social Welfare and Business Management (IISWBM), University of Calcutta. In addition to these commendations, he also earned LLB degree from Vinoba Bhave University. Mr. Mishra is a Life member of the National Institute of Personnel Management (NIPM) and presently he is the chairman of its Ranchi Chapter.

He has over three decades of experience in varied facets of Human Resource management. Shri Mishra is renowned for his visionary approach and dynamic decision making. He believes in implementing transformational and innovative practices for process simplification. In a very short span of time he has steered improvement in various processes and practices for enhancement of stakeholder's experiences in CCL & BCCL. A soft-spoken person, patient listener and an employee friendly officer, he is regarded as an expert in Industrial relations.

He is an avid reader and has participated in various conferences and seminars at different levels.

SHRI CHANDRA SHEKHAR TIWARI
 DIRECTOR (TECHNICAL/OPERATION)

Shri Chandra Shekhar Tiwari (DIN: 10977782) has assumed the charge of Director (Technical/Operation) in Central Coalfields Limited (CCL) w.e.f. 28th February, 2025. He has over three decades of experience in the mining industry and prior to joining as Director he has served General Manager (Forest) in CCL-HQ.

Shri Chandra Shekhar Tiwari holds Bachelor of Technology (Mining Engineering) degree from Indian Institute of Technology (Indian School of Mines) (IIT-ISM), Dhanbad in the year 1989 and also possesses First Class Mine Manager's Certificate from Directorate General of Mines Safety (DGMS), Dhanbad. In addition, he holds Master of Business Administration (MBA) in Marketing Management from Birla Institute of Technology (Mesra). His academic achievements reflect his deep understanding and leadership abilities in the mining industry.

He started his career in Coal India Limited in the year 1989 from BCCL where he gained experience of working in mechanized underground mines having SDLs. During his career, Shri Tiwari has held various important positions in Central Coalfields Limited (CCL) and Northern Coalfields Limited (NCL). He has served in CMPDI too which shaped his mine planning skills on various aspects of mining. During his tenure in different capacities in mining operation, planning and regulatory roles he has proven track record of obtaining clearance like Stage-1, Stage -II , EC,FC ,diversion of forest land, timely securing CTE/CTO along with its compliances. Additionally, he has also made significant contributions for production and productivity improvement, improvement of safety and quality.

SHRI ANUP HANJURA
 DIRECTOR (TECHNICAL/PROJECT & PLANNING)

Shri Anup Hanjura (DIN : 11462306) assumed charge as Director (Tech/P&P) in Central Coalfields Limited w.e.f. 05.01.2026. He has over thirty two years of experience in the mining industry. CERTIFICATE ON COMPLIANCE WITH DPE GUIDELINES ON CORPORATE GOVERNANCE

To,

The Members of Central Coalfields Limited
Darbhangha House, Kutchery Road,
Ranchi-834029
Jharkhand, India

We M/s J. K. Das & Associates, Practicing Company Secretaries, have examined the compliance of DPE Guidelines on Corporate Governance of Central Coalfields Limited (hereinafter called as "Company") for the year ended 31st March, 2026, as stipulated in Guidelines on Corporate Governance for Central Public Sector Enterprises (CPSEs) dated 14.05.2010 (here in after referred to as "DPE Guidelines").

Managements' Responsibility

The compliance of conditions of DPE Guidelines on Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure the compliance with the conditions of the Corporate Governance stipulated in the DPE Guidelines.

Auditor's Responsibility

Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

We have examined the books of accounts and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.

We have carried out an examination of the relevant records of the Company in accordance with CSAS-1- Auditing Standard on Audit Engagement issued by the Institute of Company Secretaries of India (the ICSI).

Opinion

Based on our examination of the relevant records and according to the information and explanations provided to us and the representation provided by the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in DPE Guidelines during the year ended 31st March, 2026 subject to the following:

- i. The number of Functional Directors and total members of the Board of Directors of the Company as on 31st March, 2026 were five and seven respectively. The number of Functional Directors was more than 50% of the actual strength of the Board and as per para 3.1.2 of Chapter 3 of DPE Guidelines "The number of Functional Directors (including CMD/MD) should not exceed 50% of the actual strength of the Board."
- ii. As on 31st March, 2026 there was no Independent Director on the Board of company and total members of the Board of Directors of the Company as on 31st March, 2026 were seven.
- iii. The Audit Committee of the Company does not have any Independent Director as on 31st March, 2026, whereas as per para 4.1.1 of Chapter 4 of DPE Guidelines "The Audit Committee shall have minimum three Directors as members and Two-third of the members of audit committee shall be Independent Directors."

CCL is a "Government Company" under the administrative control of Ministry of Coal, Government of India. As per the Articles of Association of the Company, the power to appoint/nominate Directors on the Board of the Company vests with President of India, acting through Ministry of Coal, Government of India as per Guidelines issued by Department of Public Enterprise (DPE).

Disclosure:

We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company

FORM NO. MR – 3 SECRETARIAL AUDIT REPORT

(FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2026)

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members

M/s. Central Coalfields Limited
Darbhangha House, Kutchery Road,
Ranchi-834029,
Jharkhand, India

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s. Central Coalfields Limited (CIN: U10200JH1956GOI000581)** (hereinafter called the Company). Secretarial Audit was conducted in accordance to the CSAS-4-Auditing Standard on Secretarial Audit issued by the Institute of Company Secretaries of India (the ICSI) that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Based on our verification of the books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, the explanations and clarification given to us and the representation made by the management, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2026, according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the Rules made there under;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the Rules made there under;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed there under;
- (iv) Foreign Exchange Management Act, 1999 and the Rules and Regulations made there under to the

extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

- (v) The Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act')
 - (a) The Securities and Exchange Board of India (Prohibition of Insider Trading Regulations) 2015,
 - (b) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
- (vi) Corporate Governance Guidelines issued by Department of Public Enterprises vide their OM. No. 18(8)/2005-GM dated 14th May, 2010;

We report that, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof, on test-check basis and a quarterly compliance report on all applicable laws placed before CCL Board on regular basis, the Company has complied with the following laws applicable specifically to the Company:

1. The Coal Mines Act, 1952
2. Indian Explosives Act, 1884
3. Colliery Control Order, 2000 and Colliery Control Rules, 2004
4. The Coal Mines Regulations, 2017
5. The Payment of Wages (Mines) Rules, 1956
6. Coal Mines Pension Scheme, 1998
7. Coal Mines Conservation and Development Act, 1974
8. The Mines Vocational Training Rules, 1966
9. The Mines Creche Rules, 1961
10. The Mines Rescue Rules, 1985
11. Coal Mines Pithead Bath Rules, 1946
12. Maternity Benefit (Mines and Circus) Rules, 1963
13. The Explosives Rules, 2008
14. Mineral Concession Rules, 1960
15. Coal Mines Provident Fund and Miscellaneous Provisions Act, 1948
16. Mines and Minerals (Development and Regulation) Act, 1957

17. The Payment of Undisbursed Wages (Mines) Rules, 1989
18. Indian Electricity Act, 2003 and the Indian Electricity Rules, 1956
19. Environment Protection Act, 1986 and Environment Protection Rules, 1986
20. The Hazardous and Other Wastes (Management and Transboundary Movement) Rules, 2016
21. The Water (Prevention & Control of Pollution) Act, 1974 and Rules made thereunder
22. The Air (Prevention & Control of Pollution) Act, 1981
23. Public Liability Insurance Act, 1991 and Rules made thereunder
24. Labour Codes as applicable during the period.

During the Audit Period, the Company has generally complied with the provisions of the Act, Rules, Regulations, Guidelines, etc. mentioned above. As regards certain Corporate Governance provisions, the Company being a Central PSU, the regulatory framework applicable to Government Companies is designed to ensure compliance in respect of matters pertaining to appointment, evaluation and succession of directors, quarterly/ annual grading of CPSE on the compliance of DPE Corporate Governance norms. The submission of compliance of DPE guidelines on an annual basis were found to have been complied with.

Being a Government Company, in terms of Article 31(d), (h), (i) & (q) of Articles of Association of the Company, all Directors on the Board of Central Coalfields Limited are appointed by President of India acting through Ministry of Coal and the Company has no role in appointment of Directors on its Board.

We further report that:-

(A) COMPOSITION OF BOARD:

During the financial year under review, the Board of Directors of the Company is duly constituted. The changes in the Composition of the Board of Directors that took place during the period under review were duly recorded and proper procedure had been followed by the company in compliance with the provisions of the Act & Rules there under, subject to our observation as bellow:

1. As per the Presidential Directive received by the Company on the composition of Board vide letter no. 21/35/2005-ASO (iv) dated 06.06.2008, the Board do not have required number of Independent Directors.
2. The requisite number of Independent Directors were not on the Board of the Company as contemplated in Section 149(4) of the Act and the Clause 3.1.2 of DPE Guidelines on Corporate Governance for Central Public Sector Enterprise (CPSE) issued by the Department of Public Enterprises (DPE) during the period under review. As the appointment was done

by the Ministry of Coal, requisite letters were sent for appointment of the Independent Directors by the management from time to time to Ministry of Coal with copy to its Holding Company.

3. Further, composition of the Audit Committee of the Board of Directors of the Company, the requisite number of Independent Directors were not on the Audit Committee as contemplated in Section 177 of the Companies Act, 2013 and Clause 4.1.1 of the DPE Guidelines for Corporate Governance on CPSE, during the period under review due to non-availability of Independent directors on the Board.
4. During the year under review, no separate meeting of Independent Directors was held as per the provisions of section 149(8) of the Companies Act 2013 read with schedule IV due to only one Independent Director on the Board.
5. Further, the Company was not in compliance with the provisions of the second proviso to Section 149(1) of the Companies Act, 2013 read with Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2014, relating to appointment of a Woman Director on the Board w.e.f. 21.11.2026.

(B) HOLDING OF BOARD & THEIR COMMITTEE MEETINGS:

During the financial year under review, adequate notice was circulated to all the Directors for the Board Meetings. Agenda and detailed notes on agenda were sent in advance. A system exists for seeking and obtaining further information and clarifications on the agenda items placed before the meetings for the meaningful participation at the meetings. All decisions at the Board Meetings & Committee Meetings were carried out with requisite majority and recorded in the minute book maintained for the purpose as per the provisions of the Act.

(C) HOLDING OF ANNUAL GENERAL MEETING (AGM):

During the financial year under review, the 69th Annual General Meeting (AGM) of the company for the FY 2024-25 was held on 13.08.2025.

The AGM was held at shorter notice and the consent of all the members of the Company were obtained as per provisions of the Act.

(D) MAINTENANCE OF STATUTORY REGISTERS & RECORDS:

During the financial year under review, all the Statutory Registers, Records and other Registers as prescribed under various Provisions of the Companies Act, 2013; the Depositories Act, 1996 and the Rules made there under were kept and maintained properly with all necessary entries made therein.

(E) FILING OF STATUTORY FORMS & RETURNS AS PER COMPANIES ACT, 2013:

During the financial year under review, various forms and returns as per the provisions of the Companies Act, 2013 were usually filed with MCA/Registrar of Companies within the prescribed time limit or in the extended time along with the requisite fees.

(F) COMPLIANCE WITH APPLICABLE LAWS, RULES, REGULATIONS & GUIDELINES:

During the financial year under review and explanations provided by the Management of the Company adequate systems commensurate with its size & operations exist to monitor & ensure compliance with the applicable laws, rules, regulations and guidelines. Quarterly report on compliance of law and statutes is regularly put up to the Board of the Company for its review.

(G) AUDIT AND CERTIFICATION OF BOARD DECISIONS:

Decisions taken in the Board meetings are also audited on a quarterly basis and the certificate to this effect that decisions have been taken are within the ambit of DOP vested with the Board is obtained from Practicing Company Secretary on quarterly basis.

(H) DECLARATION OF DIVIDEND:

During the financial year under review,

ANNEXURE – B

MANAGEMENT REPLY TO SECRETARIAL REPORT FY 2025-26

As per section 204 of the Companies Act' 2013, J.K. Das & Associates has been appointed to conduct Secretarial Audit of M/s. Central Coalfields Ltd. Ranchi. The management's reply in respect of the observation of Secretarial Audit Report for financial year ended 31st March 2026 as submitted by J.K. Das & Associates is as under:

S. NO.	OBSERVATIONS	MANAGEMENT REPLY
1	As per the Presidential Directive received by the Company on the composition of Board vide letter no. 21/35/2005-ASO (iv) dated 06.06.2008, the Board do not have required number of Independent Directors.	This is a statement of fact. CCL is a "Government Company" under the administrative control of Ministry of Coal, Government of India. As per the Articles of Association of the Company, the power to appoint/nominate Directors on the Board of the Company vests with President of India, Government of India acting through Administrative Ministry as per Guidelines issued by DPE. Representations has been made to Administrative Ministry for filling up of vacancies of Non-Official Part-time (Independent) Directors on Board of the company.
2	The requisite number of Independent Directors were not on the Board of the Company as contemplated in Section 149(4) of the Act and the Clause 3.1.2 of DPE Guidelines on Corporate Governance for Central Public Sector Enterprise (CPSE) issued by the Department of Public Enterprises (DPE) during the period under review. As the appointment was done by the Ministry of Coal, requisite letters were sent for appointment of the Independent Directors by the management from time to time to Ministry of Coal with copy to its Holding Company.	Same as point no. 1.
3	Further, composition of the Audit Committee of the Board of Directors of the Company, the requisite number of Independent Directors were not on the Audit Committee as contemplated in Section 177 of the Companies Act, 2013 and Clause 4.1.1 of the DPE Guidelines for Corporate Governance on CPSE, during the period under review due to non-availability of Independent directors on the Board.	Same as point no. 1.
4	During the year under review, no separate meeting of Independent Directors was held as per the provisions of section 149(8) of the Companies Act 2013 read with schedule IV due to only one Independent Director on the Board.	This is a statement of fact. During the period under review, there was only one Independent Director on the Board of the Company up to 27.03.2026, thereby meeting of Independent Directors could not be held.
5	Further, the Company was not in compliance with the provisions of the second proviso to Section 149(1) of the Companies Act, 2013 read with Rule 3 of the Companies (Appointment and Qualification of Directors) Rules, 2014, relating to appointment of a Woman Director on the Board w.e.f. 21.11.2026.	Same as point No.1

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143 (6) (b) OF THE COMPANIES ACT, 2013 ON THE FINANCIAL STATEMENTS OF CENTRAL COALFIELDS LIMITED FOR THE YEAR ENDED 31ST MARCH 2026

The preparation of financial statements of Central Coalfields Limited for the year ended 31 March 2026 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditors appointed the Comptroller and Auditor General of India under section 139 (5) of the Act are responsible for expressing opinion on the financial statements under section 143 of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report dated 21 April 2026.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the financial statements of Central Coalfields Limited for the year ended 31 March 2026 under section 143(6)(a) of the Act. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records. Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report.

A. Comment on Profitability

A.1 Statement of Profit and Loss

Other current liabilities (Note-10.2) ₹ 3826.02 crore

Above does not include an amount of ₹ 366.21 crore payable to the Mineral Area Development Authority (MADA), Urban Development Department, Government of Jharkhand.

Urban Development Department, Government of Jharkhand, vide notification (January 2006) imposed a levy of 1 per cent fee on the sale value of the coal and coke. As per the said notification, MADA was the authorized agency to collect the same in respect of the notified areas. The levy, so imposed, was challenged by CCL in the Jharkhand High Court. Accordingly, CCL has shown ₹366.21 crore for the period of 2005-06 to 2022-23 as Contingent Liability. CCL is paying the said fee from financial year 2023-24 onwards.

Hon'ble Supreme Court Judgment dated 25.07.2024 related to State's power to tax mines and mineral Rights, clarified that States may levy or renew demands of tax. The demand of tax shall not operate on transactions made prior to 1 April 2005. Further, the Hon'ble Supreme court has rejected the submission regarding applicability of MADA with prospective effect.

Despite the above judgment of the Hon'ble Supreme Court, CCL has shown the amount of ₹366.21 crore as Contingent Liability and has not recognized the amount as liability.

As per Ind AS-37, Para 14 of Provisions, Contingent Liabilities, and Contingent Assets a provision shall be recognized when an entity has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits would be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation.

Thus, non-recognition of the above amount as liability despite the judgment of the Hon'ble Supreme Court has resulted in understatement of other current liability and expenditure and overstatement of profit for the year by ₹366.21 crore.

The issue has been commented in the Annual Accounts for the year 2024-25, but no action has been taken by the Management.

B. Comments on Disclosure

B.1 Property, Plant and Equipment (Note-3.1) Mutation of Land

The Company acquires land under the Coal Bearing Area (Acquisition and Development) Act, 1957 and is vested in the name of the Company. The Ministry of Coal instructed (April 2022) the coal companies to get the land records mutated in the name of the Company as an absolute owner. CCL has 16139.75 hectares of land in its possession, out of which mutation has been done only against 677.72 hectares of land and the balance land is yet to be mutated in the name of the Company.

The above facts regarding non-mutation of land in the name of CCL have not been disclosed in the Notes to the financial statements. Also, the disclosure under the Companies (Auditor's Report) Order is also deficient to that extent.

The issue has been commented in the Annual Accounts for the year 2024-25, but no action has been taken by the Management.

B.2 Additional Notes to the Financial Information (Note 16)

Contractual Commitments

CCL has not disclosed the details towards amount of ₹ 40,037.85 crore towards contractual commitment for the work relating to Mine Development and Operation (MDO) of Chandragupta Opencast Project (OCP) and Kotre-Basantpur-Pachmo Project awarded to Different contractors in Amrapali-Chandragupta Area and Hazaribagh Area.

Paragraph 114 (c) (iv) (i) of Ind AS-1 on Presentation of Financial Statements states that any entity shall disclose, inter alia, other disclosure including unrecognized contractual commitments.

Non-disclosure of above facts resulted in deficiency in disclosure requirements of IND AS-1.

The Statutory Audit Report is also deficient to the above extent.

COMMENTS OF THE COMPTROLLER AND AUDITOR GENERAL OF INDIA UNDER SECTION 143(6)(b) READ WITH SECTION 129(4) OF THE COMPANIES ACT, 2013 ON THE CONSOLIDATED FINANCIAL STATEMENTS OF CENTRAL COALFIELDS LIMITED FOR THE YEAR ENDED 31 MARCH 2026

The preparation of consolidated financial statements of Central Coalfields Limited for the year ended 31 March 2026 in accordance with the financial reporting framework prescribed under the Companies Act, 2013 (Act) is the responsibility of the management of the company. The statutory auditors appointed by the Comptroller and Auditor General of India under section 139(5) read with section 129(4) of the Act are responsible for expressing opinion on these financial statements under section 143 read with section 129(4) of the Act based on independent audit in accordance with the standards on auditing prescribed under section 143(10) of the Act. This is stated to have been done by them vide their Audit Report: dated 21 April 2026.

I, on behalf of the Comptroller and Auditor General of India, have conducted a supplementary audit of the consolidated financial statements of Central Coalfields Limited for the year ended 31 March 2026 under section 143(6) (a) read with section 129(4) of the Act. We conducted a supplementary audit of the financial statements of Jharkhand Central Railways Limited. This supplementary audit has been carried out independently without access to the working papers of the statutory auditors and is limited primarily to inquiries of the statutory auditors and company personnel and a selective examination of some of the accounting records.

Based on my supplementary audit, I would like to highlight the following significant matters under section 143(6)(b) read with section 129(4) of the Act which have come to my attention and which in my view are necessary for enabling a better understanding of the financial statements and the related audit report :

A. Comment on Profitability

A.1 Statement of Profit and Loss Other current liabilities (Note-10.2) ₹ 3826.02 crore

Above does not include an amount of ₹ 366.21 crore payable to the Mineral Area Development Authority (MADA), Urban Development Department, Government of Jharkhand.

Urban Development Department, Government of Jharkhand, vide notification (January 2006) imposed a levy of 1 per cent fee on the sale value of the coal and coke. As per the said notification, MADA was the authorized agency to collect the same in respect of the notified areas. The levy, so imposed, was challenged by CCL in the Jharkhand High Court. Accordingly, CCL has shown ₹366.21 crore for the period of 2005-06 to 2022-23 as Contingent Liability. CCL is paying the said fee from financial year 2023-24 onwards.

Hon'ble Supreme Court Judgment dated 25.07.2024 related to State's power to tax mines and mineral Rights, clarified that States may levy or renew demands of tax. The demand of tax shall not operate on transactions made prior to 1 April 2005. Further, the Hon'ble Supreme court has rejected the submission regarding applicability of MADA with prospective effect.

Despite the above judgment of the Hon'ble Supreme Court, CCL has shown the amount of ₹366.21 crore as Contingent Liability and has not recognized the amount as liability.

As per Ind AS-37, Para 14 of Provisions, Contingent Liabilities, and Contingent Assets a provision shall be recognized when an entity has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits would be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation.

Thus, non-recognition of the above amount as liability despite the judgment of the Hon'ble Supreme Court has resulted in understatement of other current liability and expenditure and overstatement of profit for the year by ₹366.21 crore.

The issue has been commented in the Annual Accounts for the year 2024-25, but no action has been taken by the Management.

MANAGEMENT REPLY TO THE COMMENTS OF COMPTROLLER AND AUDITOR GENERAL OF INDIA

STANDALONE AND CONSOLIDATED

C&AG Comments	Management Reply																		
A. Comment on Profitability A.1 Statement of Profit and Loss Other current liabilities (Note-10.2) ₹ 3826.02 crore Above does not include an amount of ₹ 366.21 crore payable to the Mineral Area Development Authority (MADA), Urban Development Department, Government of Jharkhand. Urban Development Department, Government of Jharkhand, vide notification (January 2006) imposed a levy of 1 per cent fee on the sale value of the coal and coke. As per the said notification, MADA was the authorized agency to collect the same in respect of the notified areas. The levy, so imposed, was challenged by CCL in the Jharkhand High Court. Accordingly, CCL has shown ₹366.21 crore for the period of 2005-06 to 2022-23 as Contingent Liability. CCL is paying the said fee from financial year 2023-24 onwards. Hon'ble Supreme Court Judgment dated 25.07.2024 related to State's power to tax mines and mineral Rights, clarified that States may levy or renew demands of tax. The demand of tax shall not operate on transactions made prior to 1 April 2005. Further, the Hon'ble Supreme court has rejected the submission regarding applicability of MADA with prospective effect. Despite the above judgment of the Hon'ble Supreme Court, CCL has shown the amount of ₹366.21 crore as Contingent Liability and has not recognized the amount as liability. As per Ind AS-37, Para 14 of Provisions, Contingent Liabilities, and Contingent Assets a provision shall be recognized when an entity has a present obligation (legal or constructive) as a result of a past event; it is probable that an outflow of resources embodying economic benefits would be required to settle the obligation; and a reliable estimate can be made of the amount of the obligation. Thus, non-recognition of the above amount as liability despite the judgment of the Hon'ble Supreme Court has resulted in understatement of other current liability and expenditure and overstatement of profit for the year by ₹366.21 crore.	Central Coalfields Limited (CCL) acts strictly as a collecting agent between the State Government/JMADA and coal consumers. The Market Fee (1% of Basic Price) is a component of Gross Sale Value, which is supposed to be paid by consumers and ultimately goes to the Mineral Area Development Authority (MADA). The amount collected as an agent by the company has no impact at all on the statement of Profit & Loss or financial performance of the company. The issues relating to retrospective applicability, enforceability, quantification and operational implementation of the levy for earlier periods remain subject to ongoing judicial proceedings. A summary of legal complexity of this matter stemming from a prolonged timeline of retrospective amendments and ongoing litigation is produced below: <table><tr><th>Date / Period</th><th>Event / Legislative Action</th><th>Impact & Current Status</th></tr><tr><td>01.10.1986</td><td>Enactment of the Bihar (Coal Mining) Area Development Authority Act, 1986.</td><td>Established the foundational development framework in undivided Bihar.</td></tr><tr><td>Year 2000</td><td>Adoption of the Bihar Act via the Jharkhand Mineral Area Development Authority (Amendment and Adoption) Act, 2000.</td><td>Transferred the statutory framework to the newly created State of Jharkhand.</td></tr><tr><td>18.01.2006</td><td>Notification No. 179 issued by the Urban Development Department, Jharkhand.</td><td>Imposed a Market Fee at the rate of 1% on the sale of coal and coke. However, no operational rules were notified to implement this till 2009.</td></tr><tr><td>13.05.2010</td><td>Notification of the Mineral Area Development Authority Market Fee Rules, 2010.</td><td>Operational rules framed, creating a 4-year statutory gap (2006–2010) regarding enforceability.</td></tr><tr><td>25.01.2016</td><td>Amendment Act, 2015 introduced Section 90C and sub-section 3 of Section 128.</td><td>Retrospectively applied both the statutory provisions and the 2010 Rules effective from 16.01.2006.</td></tr></table>	Date / Period	Event / Legislative Action	Impact & Current Status	01.10.1986	Enactment of the Bihar (Coal Mining) Area Development Authority Act, 1986.	Established the foundational development framework in undivided Bihar.	Year 2000	Adoption of the Bihar Act via the Jharkhand Mineral Area Development Authority (Amendment and Adoption) Act, 2000.	Transferred the statutory framework to the newly created State of Jharkhand.	18.01.2006	Notification No. 179 issued by the Urban Development Department, Jharkhand.	Imposed a Market Fee at the rate of 1% on the sale of coal and coke. However, no operational rules were notified to implement this till 2009.	13.05.2010	Notification of the Mineral Area Development Authority Market Fee Rules, 2010.	Operational rules framed, creating a 4-year statutory gap (2006–2010) regarding enforceability.	25.01.2016	Amendment Act, 2015 introduced Section 90C and sub-section 3 of Section 128.	Retrospectively applied both the statutory provisions and the 2010 Rules effective from 16.01.2006.
Date / Period	Event / Legislative Action	Impact & Current Status																	
01.10.1986	Enactment of the Bihar (Coal Mining) Area Development Authority Act, 1986.	Established the foundational development framework in undivided Bihar.																	
Year 2000	Adoption of the Bihar Act via the Jharkhand Mineral Area Development Authority (Amendment and Adoption) Act, 2000.	Transferred the statutory framework to the newly created State of Jharkhand.																	
18.01.2006	Notification No. 179 issued by the Urban Development Department, Jharkhand.	Imposed a Market Fee at the rate of 1% on the sale of coal and coke. However, no operational rules were notified to implement this till 2009.																	
13.05.2010	Notification of the Mineral Area Development Authority Market Fee Rules, 2010.	Operational rules framed, creating a 4-year statutory gap (2006–2010) regarding enforceability.																	
25.01.2016	Amendment Act, 2015 introduced Section 90C and sub-section 3 of Section 128.	Retrospectively applied both the statutory provisions and the 2010 Rules effective from 16.01.2006.																	

The issue has been commented in the Annual Accounts for the year 2024-25, but no action has been taken by the Management.

Pending	WP(C) No. 1563 of 2007 filed by CCL before the Hon'ble High Court of Jharkhand, Ranchi.	Sub judice. Directly challenges the validity, enforceability, and retrospective application of the levy specific to CCL.
30.05.2023	Joint Meeting between JMADA and CCL Management.	Mutually agreed that the market fee prior to FY 2023-24 will strictly abide by the final outcome of WP(C) No. 1563 of 2007 and CMP No. 391/2014.
25.07.2024	Hon'ble Supreme Court 9-Judge Bench Judgment (MADA vs. SAIL & Ors.).	Settled the broad constitutional competence of States to levy taxes/fees on mineral rights. It did not resolve CCL-specific operational or retrospective issues.
06.05.2026	Order passed by the Hon'ble Supreme Court in connected proceedings.	Recorded the pendency of Curative Proceedings instituted by the Union of India against the 9-Judge Bench judgment, confirming the matter remains under active judicial consideration.

Although the Hon'ble Supreme Court, in its judgment dated 25.07.2024 in Civil Appeal No 4056-4064 of 1999 in Mineral Area Development Authority vs. Steel Authority of India & Others, upheld the legislative competence of States to levy taxes/fees on mineral-bearing lands and mineral rights, the judgment does not finally determine issues specific to CCL regarding retrospective levy and enforceability of the Act. These issues continue to remain sub judice before the Hon'ble High Court of Jharkhand in WP(C) No. 1563 of 2007.

Further, curative proceedings have also been instituted before the Hon'ble Supreme Court by the Union of India in relation to the aforesaid Nine Judge Bench judgment. The pendency of such proceedings itself indicates that issues arising out of implementation and applicability of the judgment are still going judicial consideration.

According to Paragraph 14 of Ind AS 37, a provision must only be recognized when three criteria are met: a present obligation exists from a past event, an outflow of resources is probable, and a reliable estimate can be made.

Management maintains that these conditions are not satisfied for prior-period liabilities due to the following factors:

	Absence of a Present Obligation: The Supreme Court's July 2024 judgment affirmed the general constitutional power of states to levy fees but did not rule on the validity of JMADA's specific retrospective rules from 2006. The existence of a valid present obligation for CCL remains contingent upon the final adjudication of WP(C) No. 1563 of 2007 by the Hon'ble High Court of Jharkhand. No Crystallized Demand or Coercive Action: To date, no finalized, crystallized demand for past periods has been raised against CCL by the authorities, nor have any coercive recovery proceedings been initiated. Without-Prejudice Payments: Market fee payments made by CCL from FY 2023-24 onwards are strictly collected from customers and remitted on a current basis without prejudice to its legal rights. These payments do not constitute an admission of liability for prior periods. Inability to Reliably Quantify: Due to continuing uncertainties over the effective enforceability date and applicability, the liability cannot be measured with the degree of reliability required by Ind AS 37. Because the existence of the obligation will only be confirmed by the outcome of pending litigation, it fits the precise definition of a Contingent Liability under Ind AS 37. Accordingly, the matter has been fully and transparently disclosed in the Notes to the Financial Statements for FY 2025-26. Book adjustment or provision creation at this stage would prematurely assume a legal outcome and distort the financial position of the company. In view of the above facts, the pendency of curative proceedings before the Apex Court and the sub judice status of the Company's writ petition before the Hon'ble High Court, the present accounting treatment is considered appropriate and in compliance with the applicable accounting requirements and has no impact on the profitability of the Company.
B. Comments on Disclosure B.1 Property, Plant and Equipment (Note-3.1) Mutation of Land The Company acquires land under the Coal Bearing Area (Acquisition and Development) Act, 1957 and is vested in the name of the Company. The Ministry of Coal instructed (April 2022) the coal companies to get the land records mutated in the name of the Company as an absolute owner. CCL has 16139.75 hectares of land in its possession, out of which mutation has been done only against 677.72 hectares of land and the balance land is yet to be mutated in the name of the Company. The above facts regarding non-mutation of land in the name of CCL have not been disclosed in the Notes to the financial statements. Also, the disclosure under the Companies (Auditor's Report) Order is also deficient to that extent. The issue has been commented in the Annual Accounts for the year 2024-25, but no action has been taken by the Management.	The information regarding land mutation is not specifically required to be disclosed under any Ind AS or Schedule III to the Companies Act, 2013. Nevertheless, based upon the comment of C&AG in FY 2024-25, the Company made the necessary disclosure in respect of title deeds/title of land under Note 3.1 of the financial statements, which adequately conveys the ownership position of the land parcels. The status of mutation of land, required by Administrative Ministry as procedural compliance may not add value to the user of financial statements, hence not quantified in the financial statement. Further, disclosure in the financial statements is required to be made keeping in view the overarching principle under Note 4(ii) of the General Instructions for Preparation of Financial Statements, which states that "a balance shall be maintained between providing excessive detail that may not assist users of Financial Statements and not providing important information as a result of too much aggregation". Accordingly, the company believe that quantification of land mutation status as observed by C&AG is not warranted in the financial statements.

B.2 Additional Notes to the Financial Information (Note 16)

Contractual Commitments

CCL has not disclosed the details towards amount of ₹ 40,037.85 crore towards contractual commitment for the work relating to Mine Development and Operation (MDO) of Chandragupta Opencast Project (OCP) and Kotre-Basantpur-Pachmo Project awarded to Different contractors in Amrapali-Chandragupta Area and Hazaribagh Area.

Paragraph 114 (c) (iv) (i) of Ind AS-1 on Presentation of Financial Statements states that any entity shall disclose, inter alia, other disclosure including unrecognized contractual commitments.

Non-disclosure of above facts resulted in deficiency in disclosure requirements of IND AS-1.

The Mine Development and Operation (MDO) contracts are executory contracts for execution of coal extraction and overburden removal which is the ordinary course of the Company's business. Such activities have already been carried out through conventional contractual arrangements.

As per Clause 8.2.14.4 and Clause 8.2.14.6 of the ICAI Guidance Note on Division II – Ind AS Schedule III to the Companies Act, 2013 'other commitments' should include only those non-cancellable contractual commitments (i.e. cancellation of which will result in a penalty disproportionate to the benefits involved) based on the professional judgement of the management which are material and relevant in understanding the Financial Statements of the company and impact the decision making of the users of Financial Statements. Examples may include commitments in the nature of buy-back arrangements, commitments to fund subsidiaries and associates, non-disposal of investments in subsidiaries and undertakings, derivative related commitments, etc.

The MDO model merely represents an alternative contractual arrangement for execution of mining operations and does not give rise to an unconditional contractual commitment or any disproportionate penalty. Accordingly, disclosure of the aggregate estimated value of MDO contracts under "Commitments" is neither envisaged nor required under Ind AS 1 read with Division II of Schedule III.

In the present case, the contracts relating to Mine Development and Operation (MDO) of Chandragupta OCP and Kotre-Basantpur-Pachmo OCP are long-term operational/executory contracts for future activities. These contracts are cancellable in accordance with the terms of the agreements and do not create unconditional financial obligations as at 31 March 2026. The balance contract values represent only the unexecuted portion of future operational work over the contract period and not non-cancellable commitments requiring disclosure.

Further, the disclosures in the financial statements are required to be made keeping in view the overarching principle under Note 4(ii) in General Instructions for Preparation of Financial Statements that "a balance shall be maintained between providing excessive detail that may not assist users of Financial Statements and not providing important information as a result of too much aggregation.

Accordingly, the company believe that disclosure of the MDO contracts entered in the ordinary course of business under "Other Commitments" is not warranted in the financial statements.

ANNEXURE -V

CEO AND CFO CERTIFICATION

Date: 21/04/2026

To

The Board of Directors

Central Coalfields Limited

We, Nilendu Kumar Singh, Chairman-cum-Managing Director, Central Coalfields Limited, Ranchi and Pawan Kumar Mishra, Director (Finance), Central Coalfields Limited, Ranchi responsible for the finance function certify that:

- a. We have reviewed the Financial Statements of the Company for the year ended 31st March 2026 together with Accounting Policies and Additional Notes thereon as well as Financial statements for the year ended 31st March 2026 as per Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and that to the best of our knowledge and belief:
 - i. These statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 - ii. These statements together present a true and fair view of the company's affairs and are in compliance with existing accounting standards i.e. IND AS, applicable laws and regulations without any material departure.
- b. There are, to the best of our knowledge and belief, no transactions entered into by the company during the year ended 31st March 2026 are fraudulent, illegal or violative of the company's code of conduct.
- c. We accept responsibility for establishing and maintaining internal controls for financial reporting and we have evaluated the effectiveness of internal control systems of the company pertaining to financial reporting and we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which they are aware and the steps they have taken or propose to take to rectify these deficiencies.
- d. We have indicated to the auditors and the Audit Committee that:
 - i. There have not been any significant changes in internal control over financial reporting during the year under reference;
 - ii. There has not been any significant change in accounting policies during the year.
 - iii. We have not become aware of any instance of significant fraud with involvement therein of the management or an employee having a significant role in the company's internal control system over financial reporting.

CONSERVATION OF ENERGY

I. The steps taken or impact on conservation of energy in the year 2025-26;

A. Steps taken for conservation of electrical energy power as below:

The different energy efficient equipment and their installation figures in CCL is as below:

CCL Energy Efficiency report FY 2025-26

Description	CCL Target 2025-26	Achievement	PO Placed, Delivery awaited	Under Tender Evaluation	Proposal under consideration
LED Lights	1000	10720	4550	5760	4625
Energy efficient AC	50	132	0	18	286
Super fan	200	1150	0	294	570
E-Vehicle	57	18	0	4	21
Energy Efficient water heater	30	15	0	20	0
Energy Efficient motor	10	18	0	0	0
Autotimer in street light	20	220	0	20	4
Capacitor Bank (KVAR)	1140	1800	5500	0	0

II. The steps taken by the company for utilizing alternate sources of energy:

Solar Energy data for FY 2025-26:

Sl.No	Description	Capacity
1.	Total Installed Capacity of Solar Projects in CCL (Up to Mar'26) [Roof Top and Ground Mounted] Solar Power Plant commissioned in FY 25-26-5MW [First Solar project over OB Dump, Balakudra, Barkasayal Area, CCL]	31.9 MW Ground Mounted-(29MW) Piparwar- 20MW Giridih - 4 MW Balkudra - 5 MW Roof Top-2.9 MW Total -31.9 MW
2.	Awarded Ground Mounted Solar projects (Under installation/to be installed)	8.5MW- B&K Area, CCL 13 MW- NK Area, CCL
3.	Rooftop Solar Project (Under Tender evaluation, Finalization expected by Apr'26)	1.545 MW (Along with 17 Nos of Solar Trees of 10KW at CCL HQ Campus and different Areas of CCL)
4.	Total Solar Energy Generation (FY 25-26)	45.05 Million Units
5.	Total CO2 offset/reduced in FY 25-26	36040 Tonnes

III. The Capital investment on energy conservation equipment's;

The total capital investment on energy conservation equipment (including Solar Power Plant) in FY 2025-2026 by E&M Department, CCL (All Areas) is approx 32.45 crore.

ANNUAL REPORT ON CSR ACTIVITIES FOR FINANCIAL YEAR COMMENCING ON 1ST DAY OF APRIL, 2025 FY 2025-26

1. Brief outline on CSR policy of the Company

At Central Coalfields Limited (CCL), Corporate Social Responsibility (CSR) is a cornerstone of our dedication to inclusive and sustainable development. Even before CSR became a legal mandate, CCL was actively involved in community development, especially within an eight-kilometre radius of its operational zones. These early initiatives laid the foundation for the structured CSR framework that now guides our efforts.

Our CSR activities are carried out under a well-defined policy framework. Until September 2021, CCL followed the CSR Policy of Coal India Limited (CIL), which applied uniformly across all subsidiaries. After CIL revised its CSR Policy effective April 8, 2021, CCL adopted the updated provisions. Again, in August 2024, following another modification to the CIL CSR Policy, CCL promptly adopted the changes. Based on recommendations from the Board-level Sustainable Development and CSR (SD&CSR) Committee, the Board of Directors approved a CCL-specific CSR Policy, which was officially circulated on October 7, 2024.

CCL determines its CSR funding based on the higher of two criteria: (i) **2% of the average net profits from the three preceding financial years, or (ii) ₹2.00 per tonne of coal produced in the immediately preceding financial year.**

The policy also outlines comprehensive procedures for handling unspent or excess CSR funds. Any expenditure above the mandated amount in a given financial year may be carried forward and set off against future CSR obligations. Conversely, if there is a shortfall in utilization related to an ongoing project, the unspent amount is transferred to a designated 'Unspent CSR Account.' In all other cases, the remaining balance is deposited into a fund specified under Schedule VII of the Companies Act.

According to the CCL CSR Policy, roughly 80% of CSR funds are allocated for use within a 25-kilometer radius of the company's mines, project sites, area offices, or corporate headquarters. The remaining 20% is directed toward initiatives elsewhere in Jharkhand.

All CSR activities at CCL align with the thematic areas listed under Schedule VII of the Companies Act, 2013, and are further guided by directives from the Department of Public Enterprises (DPE), the Ministry of Coal (MoC), and other relevant government bodies.

Since 2018, the DPE has issued annual advisories highlighting priority thematic areas for CSR investment. In line with these guidelines, CCL consistently ensures that the guidelines are duly adhered to, with a special focus on projects in Aspirational Districts.

Authority	DoP
Board of Directors	Projects valuing more than ₹5.00 Crore on recommendation of SD&CSR Committee
CSR committee of CCL Board	Projects valuing more than ₹1.00 Crore up to ₹5.00 Crore
Chairman-cum-Managing Director	Projects valuing more than ₹40 lakh and up to ₹1.00 Crore on recommendation of CSR Below Board level Committee
Director (Personnel)	Projects of areas valuing more than ₹5.00 lakhs upto ₹40.00 lakhs and all projects of HQ valuing upto ₹40.00 lakhs on recommendation of CSR Below Board level Committee
Area GM	Projects of Areas valuing upto ₹5 lakhs on recommendation of Area level CSR Committee.

Through careful planning, targeted execution, and measurable outcomes, CCL continues to advance its CSR agenda, aiming to deliver lasting socio-economic value to the communities it serves. The CCL

The CSR policy envisages extant guidelines for selection, planning, implementation, monitoring, impact assessment and documentation of CSR projects

2. Composition of CSR committee :

S. No	Name of Director	Designation/Nature of Directorship	Number of meetings of CSR committee held during the year	Number of meetings of CSR committee attended during the year
1	A) Ms. Rupinder Brar (Upto 25.04.2025) B) Ms. Adya Prasad Pandey (From 25.04.2025 to 27.03.2026)	Chairperson, Official Part Time Director	9	9
2.	Shri Vinay Ranjan	Member, Director (P&IR), CIL	9	9
3.	Shri Pawan Kr. Mishra	Member, Director (F), CCL	9	9
4.	Shri Harsh Nath Mishra	MemberDirector (P), CCL	9	9

3. Provide the web-link where composition of CSR committee, CSR Policy and CSR projects approved by the board and disclosed on the website of the company: <https://www.centralcoalfields.in/sutbs/sdcsr.php>

4. Provide the executive summary along with web-link(s) of Impact Assessment of CSR Projects carried out in pursuance of sub-rule (3) of rule 8, if applicable.-

Executive Summary of Impact Assessment Study conducted for 5 CSR projects in the FY 2025-26 is enclosed as Annexure A.

Weblink for Impact Assessment of CSR projects: https://www.centralcoalfields.in/sutbs/pdf/3rd_impact_assmt.pdf

5. (a) Average net profit of the company as per sub-section (5) of section 135 : ₹46,27,39,64,651.00
 (b) Two percent of average net profit of the company as per sub-section (5) of section 135: ₹92,54,79,293.02
 (c) Surplus arising out of the CSR projects or programmes or activities of the previous financial years: ₹64,803.00
 (d) Amount required to be set-off for the financial year: ₹18,30,00,000.00
 (e) Total CSR Obligation for the Financial year [(b)+(c)-(d)] : ₹74,25,44,096.02
6. (a) Amount spent on CSR Projects (both Ongoing Project and other than ongoing projects): ₹81,82,86,510.17
 (b) Amount spent in Administrative Overheads: ₹4,01,04,238.01
 (c) Amount spent on Impact Assessment, if applicable: ₹9,30,652.55
 (d) Total amount spent for the Financial Year [(a)+(b)+(c)] : ₹85,93,21,400.73
 (e) CSR amount spent or unspent for the Financial Year:

Total Amount spent for the Financial year. (in ₹)	Amount Unspent (in ₹)				
	Total amount transferred to unspent CSR account as per section 135(6)		Amount transferred to any fund specified under Schedule VII as per second proviso to section 135(5)

EXECUTIVE SUMMARY

This study conducted by IICA evaluates the Social Impact Evaluation (SIE) of Central Coalfields Limited's (CCL) Community Development (CD) initiatives to assess the relevance, effectiveness, efficiency, and sustainability of CSR interventions implemented across its operational areas. Anchored in community needs identified through stakeholder consultations and need assessment surveys, the study examines the extent to which CSR-CD interventions address socio-economic priorities and generate measurable outcomes across key sectors such as education, health, livelihood, infrastructure, and community welfare.

The assessment adopted a comprehensive mixed-method approach combining desk review, field observations, Focus Group Discussions (FGDs), Key Informant Interviews (KIIs), and beneficiary interactions, analysed through the IRECS framework to ensure robust and evidence-based evaluation. The study covered five List-A projects through 204 interactions (114 FGDs and 70 KIIs), engaging 1,911 beneficiaries, along with an additional Project-B intervention on installation of borewells and hand pumps conducted through 42 FGDs covering 840 beneficiaries across eight districts. The evaluation draws upon extensive qualitative evidence to assess project outcomes, resource utilisation, governance effectiveness, and community perceptions, providing actionable insights to strengthen CCL's CSR strategy and enhance inclusive and sustainable development outcomes.

The Social Impact Assessment of CCL's CSR interventions across education, early childhood development, sports promotion, school infrastructure, and public sanitation indicates that the projects were largely relevant and need-responsive, generating visible improvements in community infrastructure and service delivery. However, the assessment indicates that although the infrastructure created under the projects has been positively acknowledged by most beneficiaries, additional focus on sustainability mechanisms, awareness generation, and operational convergence may further strengthen the long-term outcomes of the initiatives.

The upgradation of Anganwadi Centres into Model AWCs in Ramgarh and Bokaro produced noticeable improvements in learning environments and service delivery. Around 40% of beneficiaries in Ramgarh and 50% in Bokaro reported significant infrastructure improvements, while 25% in both districts observed partial improvements. Child-friendly environments improved considerably, with 67% beneficiaries in Ramgarh

and 80% in Bokaro describing centres as more engaging for children. Moreover, over 82–86% of Anganwadi Workers reported improved classroom engagement, easier service delivery, and enhanced motivation due to better infrastructure. Demonstration effects were observed, with nearly 71% of beneficiaries noting that the upgraded centres encouraged neighbouring communities to demand similar improvements. However, awareness of CCL's CSR contribution remained low, with only 44% beneficiaries in Ramgarh and 45% in Bokaro recognising CCL's role, while 55–56% remained unaware, reflecting significant communication gaps. Sustainability concerns were also highlighted, as 80% of beneficiaries pointed to infrastructural deficiencies. Some beneficiaries also highlighted issues relating to operational aspects and attendance (70%), availability of learning materials (60%), and the need for additional capacity building support for Anganwadi Workers (60%). These aspects are largely associated with the routine functioning and administrative management of the centres by the concerned line department and was beyond CCL's scope; however, the feedback may be considered for appropriate coordination with the relevant authorities wherever feasible.

The Sports Academy at Hotwar, Ranchi demonstrated strong institutional performance and positive developmental outcomes. Awareness about the academy was mainly driven by schoolteachers (46.2%), followed by newspapers (30.8%) and peer networks (23%). Motivation for enrolment was largely influenced by passion for sports (57.7%) and career aspirations (42.3%). All beneficiaries (100%) reported satisfaction with training quality, structured coaching, fairness of selection, availability of facilities, and academic balance. Competitive exposure was substantial, with 53.8% participating regularly in tournaments and 38.5% reporting medal achievements. Governance was positively assessed, with 100% of officials confirming clearly defined institutional roles. Despite these strengths, challenges persisted: 38.5% of students reported difficulty accessing spikes, 30.8% cited delayed equipment supply, and 15.4% had not yet participated in external tournaments. Furthermore, all students (100%) expressed the need for employment support after graduation, feedback from beneficiaries and coaches suggested that greater exposure opportunities could further enhance the overall development and career prospects of students supported under the initiative.

The school infrastructure project implemented in Chatra

has led to significant improvements across sanitation, water access, educational facilities, and recreational infrastructure in five beneficiary schools, with 91.7% of students reporting noticeable improvements, reflecting strong alignment with local needs. The intervention included construction of toilets, provision of running water through borewells and overhead tanks, installation of water purifiers, development of classrooms, boundary walls, and playground levelling, resulting in high functional outcomes such as 86.7% regular toilet usage, 90% access to drinking water, and 79.2% usage of water purifier. Improvements in the learning environment were reported by 85% of students, while 80% indicated increased participation in sports, 90% perceived better cleanliness and hygiene, and 88% reported increased motivation to attend school, demonstrating strong behavioural and environmental impact. The intervention has been particularly beneficial for girls, with up to 95% reporting improved privacy and dignity due to better sanitation facilities. From an efficiency standpoint, the integrated approach enabled delivery of multiple infrastructure components with high utilisation levels (85–90% across facilities). However, sustainability concerns persist, as 45% of students reported issues related to toilet maintenance and 30% highlighted challenges in water system upkeep, while 65% expressed the need for additional infrastructure such as classrooms, sports facilities, and enhanced water access. Furthermore, awareness of CCL's CSR contribution remains moderate at 56.7%, indicating the need for improved communication and visibility.

The installation of prefabricated toilets near railway stations under CCL's CSR initiative contributed to creation of sanitation infrastructure, and awareness of the facility among beneficiaries was reported to be relatively high. However, 42.8% of beneficiaries indicated lack of signage and clarity regarding CCL's role, suggesting scope for improving visibility and communication of CSR support. Some beneficiaries also highlighted the need for improvement in functionality of the infrastructure, with 64.3% reporting non-functional facilities and 17.9% observing structural issues, which may be reviewed

for strengthening implementation and handover mechanisms in future projects. At the same time, several concerns raised relate to aspects beyond the direct scope of CCL, as the operation and maintenance of sanitation facilities at railway premises rests with the concerned railway authorities and designated operators. In this regard, beneficiaries reported limited accessibility (75%), lack of operators (60.7%), irregular cleaning (75%), and issues relating to water (76%) and electricity (75%), which affect utilisation of the facilities.

Across the projects assessed, certain common trends were observed. The creation of infrastructure under the CSR initiatives contributed to several initial positive outcomes for the beneficiary communities. The assessment also indicates that greater visibility of CSR support, strengthened operation and maintenance arrangements, and clearer institutional coordination could further enhance the long-term effectiveness of such interventions. Projects supported by structured institutional mechanisms and regular oversight, such as the Sports Academy initiative, demonstrated comparatively stronger sustainability and positive behavioural outcomes. In contrast, for projects primarily focused on infrastructure creation, the findings suggest that establishing well-defined operational and maintenance arrangements with the concerned stakeholders could further improve utilisation and sustainability of the assets created.

Overall, the evaluation concludes that CCL's CSR initiatives have contributed positively to education, child development, youth empowerment, water access, and community facilities, but long-term impact depends on strengthening institutional coordination, ensuring functional infrastructure, and establishing robust maintenance systems. Future CSR interventions should prioritise operational sustainability, structured communication and visibility strategies, participatory community engagement, and alignment with government schemes. A stronger focus on accountability, measurable monitoring indicators, and long-term planning is essential to ensure that CSR investments deliver sustainable and inclusive benefits for communities.

ANNEXURE-B
